MISSION STATEMENT

"Dedicated to Our Community, Committed to Service Excellence"

March 31, 2016

Honorable Mayor and
Members of the City Commission, and
Citizens of the City of Leesburg, Florida

It is our pleasure to submit this Comprehensive Annual Financial Report (CAFR) for the City of Leesburg, Florida for the fiscal year ended September 30, 2015. The report fulfills the requirements set forth by State law, in accordance with the Florida Statutes Section 166.241 and Chapter 10.500 Rules of the Auditor General requires that all general purpose local governments publish each fiscal year a complete set of financial statements presented in conformity with Generally Accepted Accounting Principles (GAAP) in the United States and audited in accordance with auditing standards generally accepted in the United States by a firm of licensed certified public accountants.

This CAFR consists of management's representations concerning the finances of the City of Leesburg. Consequently, management assumes full responsibility for the completeness and reliability of all of the information presented in this report. To provide a reasonable basis for making these representations, management of the City of Leesburg has established a comprehensive internal control framework that is designed both to protect the City's assets from loss, theft, or misuse and to compile sufficient reliable information for the preparation of the City of Leesburg's financial statements in conformity with GAAP. Because the cost of internal controls should not outweigh their benefits, the City of Leesburg's comprehensive framework of internal controls has been designed to provide reasonable rather than absolute assurance that the financial statements will be free from material misstatement. As management, we assert that, to the best of our knowledge and belief, this financial report is complete and reliable in all material respects.

Florida Statutes require that an annual financial audit be performed by independent certified public accountants. This year the audit was performed by Moore, Stephens, Lovelace, P.A. The goal of the independent audit was to provide reasonable assurance that the financial statements of the City of Leesburg for the fiscal year ended September 30, 2015, are free of material misstatement. The independent audit involved examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; assessing the accounting principles used and significant estimates made by management; and evaluating the overall financial statement presentation. The independent auditor concluded, based upon the audit, that there was reasonable basis for rendering an unmodified opinion that the City of Leesburg's financial statements for the fiscal year ended September 30, 2015 are fairly presented in conformity with GAAP. The independent auditor's report is presented as the first component of the financial section of this report.

The independent audit of the financial statements of the City of Leesburg was part of a broader, mandated "Single Audit" designed to meet the special needs of state grantor agencies. The standards governing Single Audit engagements require the independent auditor to report not only on the fair presentation of the financial statements, but also on the audited government's internal controls and compliance with legal requirements - with special emphasis involving the administration of state awards. These reports are included in the Single Audit section of this report.

GAAP requires that management provide a narrative introduction, overview, and analysis to accompany the basic financial statements in the form of Management's Discussion and Analysis (MD&A). This letter of transmittal is designed to complement MD&A and should be read in conjunction with it. The City of Leesburg's MD&A can be found immediately following the report of the independent auditors.

Profile of the Government

The City of Leesburg is situated between Lake Harris and Lake Griffin in Lake County. To the south, the City extends past the intersection of U.S. Highway 27 with County Road 48, and south on County Road 33 past Florida's Turnpike. The City extends west on County Road 48 and County Road 470 past Florida's Turnpike to the Sumter County line. To the east, the City follows U.S. Highway 441 to County Road 473; the north is bounded by U.S. Highway 441 at Fruitland Park. The City occupies a land area of 40 square miles and has a population of almost 22,000. The City of Leesburg is located in north central Florida midway between the Gulf of Mexico and the Atlantic Ocean, approximately 200 miles southeast of the State Capital, Tallahassee, 80 miles northeast of Tampa, 40 miles northwest of Orlando and 70 miles southwest of Daytona Beach. The City is intersected by State Road 44, U.S. Highway 27, U.S. Highway 441 and Florida's Turnpike with Interstate 75 close by.

The City of Leesburg is known for its scenic beauty, relaxed lifestyle, recreational facilities, temperate climate, extensive waterways, and affordable housing. Waterfront living is a way of life with 1,400 beautiful lakes located in Lake County.

Leesburg's geographic location enables the City to offer three parks that include lake access to the beautiful Harris Chain of Lakes, one on Lake Griffin [Herlong Park] and two on Lake Harris [Venetian Gardens and Singletary Park]. Venetian Gardens offers a variety of recreational amenities, including great shoreline fishing opportunities, as seven pedestrian bridges connect islands within this picturesque setting. Other recreational amenities in Venetian Gardens include outdoor volleyball courts, a community swimming pool, Kids Korner Playground, pavilions, the Community Building, Venetian Cove Marina and Pat Thomas Stadium/Buddy Lowe Field that has hosted professional baseball in the past and is the current home of Leesburg High School varsity baseball and the Leesburg Lightning of the Florida Collegiate Summer League.

In 2005, the City opened the Sleepy Hollow Sports Complex, which includes two football/soccer fields, two youth softball fields, two Babe Ruth Baseball fields, four adult softball fields, concessions, locker rooms, restrooms and a pavilion. Sleepy Hollow is the site of numerous tournaments and attracts over 1,000 athletic teams each year to Leesburg. In 2007, the United States Sports Specialty Association voted the Sleepy Hollow Sports Complex their "Facility of the Year" for the State of Florida.

In 2007, the City's Library opened in a new building on Main Street consisting of almost 42,000 sq. ft. and featuring community meeting rooms, a Technology Lab, and an outdoor amphitheater for performances and events.

The Leesburg Recreational Complex was opened in 2008 featuring two indoor regulation basketball courts, four indoor volleyball courts, an outdoor basketball court, playground and offices for the Parks and Recreation Department.

These outstanding recreational facilities of regional impact are complemented with numerous community and neighborhood parks. The Susan Street Complex includes four youth baseball fields, one regulation football field, four tennis courts, four outdoor racquetball courts, concessions and restrooms. The Palmetto Street Complex features four tennis courts as well as a battery of 24 shuffleboard courts. Other quality recreational facilities throughout the City include Berry Park, Fountain Lake Park, John L. Johnson Park, Leesburg's Dog Park and Town Square, which serves as the focal point during the Saturday Morning Market and major festivals hosted within the City. A hiking/biking trail system throughout the City is currently under construction and will link many of Leesburg's recreational facilities as well as provide continuity with other trail systems throughout Central Florida.

Leesburg also takes pride in preserving its rich heritage through the Leesburg Historical Museum and Mote Morris House, which is on the National Register of Historic Places and offers a fine example of Victorian architecture.

Leesburg International Airport (LEE) is a large general aviation airport with over 50,000 flight operations per year. The airport has grown substantially in the past few years and it continues to grow. Approximately 140 fixed wing and 15 helicopters are permanently based at LEE. The airport provides a diversity of activities; with its two intersecting runways, the airport can support a variety of aircraft.

The airport sustains and leads economic growth and development. It is an important economic engine, and supports vital health, welfare, emergency, and safety-related services. The annual economic impact of Leesburg International Airport is associated with direct impacts that come from tenants/businesses located at the airport and construction projects that are undertaken by the airport or by on-site businesses. Indirect impacts are associated with spending from visitors who arrive in the area via general aviation aircraft.

Budgetary Controls

The annual budget serves as the foundation for the City's financial planning and control. Department heads are required to submit requests for appropriations to the City Manager, who uses those requests as the starting point for developing a proposed budget. The City Manager is required by the City Charter to keep the City Commission fully advised as to the financial condition and needs of the City and to submit an annual budget for its consideration. The City Commission is required to hold public hearings on the proposed budget and to adopt a final budget by September 30, the close of the City's fiscal year. The appropriated budget is prepared by fund, function and department.

The City's adopted budget policy establishes budgetary control (i.e., the level at which expenditures cannot exceed the appropriated amount) at the fund level. Budgets for all governmental fund types are adopted on a basis consistent with GAAP. Department heads may make transfers of appropriations within a category from one division to another in their respective department, and transfers of appropriations between departments or categories can be approved by the City Manager. The objective of these budgetary controls is to ensure compliance with legal provisions embodied in the annual budget adopted by the City Commission. Budget-to-actual comparisons are provided in this report for each individual governmental fund for which an appropriated annual budget has been adopted. For the General Fund and major special revenue funds, these comparisons are presented as required supplementary information. For other governmental funds with appropriated annual budgets, these comparisons are presented in the Supplemental Information section of this report.

Economic Condition

The information presented in the financial statements is best understood when considered from a broader perspective of the environment within which the City of Leesburg operates.

Local Economy

Leesburg, and Lake County, as a whole, have transitioned in recent decades from agricultural roots to a growth-driven economy that is heavily centered in real estate, retail, personal services, and health care. For five of the last six years, Lake County's unemployment numbers have been slightly higher than the State of Florida and the United States, although it has decreased more than 5% since 2011. Housing prices have stabilized and are starting to slowly increase, as well as, ad valorem tax revenues. Vacancies in the downtown area have stabilized and are lower than levels experienced in the past. Overall, these factors have presented a challenge to the City in trying to prepare a balanced budget.

Although future revenues will be increasing, there is a need to address various budget items that were eliminated or reduced during the recession.

Leesburg's top private sector employer is Central Florida Health Alliance (fka LPMC), boasting a labor force of 1,850. Other principal employers within the City include Lifestream Behavioral Center, Lake Port Properties, Lake County School District and City of Leesburg. Health care, education, personal services, retail and construction are sectors with the highest employment levels in Lake County.

The County is striving to diversify its employment base and to overcome a lack of higher-wage jobs that are important to improve the local economy. One difficulty in attracting such employers could be related to desired public and higher education serving the local workforce. Typically, higher-paying employers look for cities and counties that exceed 30% of adults having higher educational degrees. Education should be a focal point for additional improvements as Lake County statistics show only about 10% of adults have attained these higher educational degrees.

The City is home to Leesburg International Airport, a regional shopping mall, two colleges and a growing medical community. Leesburg's retail shopping is largely concentrated along U.S. Highways 27 and 441.

Economic challenges and diminishing property values have a significant impact on the City's taxable property income since the recession began in FY 2008. FY2015 was the first year there was a slight increase in the City's property tax value. The prior years' decreases in the City's taxable value, coupled with property tax reform, have resulted in corresponding decreases in property tax revenues. Since FY2008, the City has seen the annual property tax revenues decrease from \$6.5 million to \$4.8 million. The taxable value is projected to increase slightly over the next year, but the rate of increase is not anticipated to be accelerating anytime soon.

The population in Lake County nearly doubled from 1980 to 2000 (210,528 persons). The County now has more than 300,000 residents, which could double over the next 25 years and reach a half a million people. Growth in the City of Leesburg has retreated from the peak experienced in 2006. The City currently has nearly 21,000 residents.

The Leesburg area is positioned at the crossroads of geographic expansion, as the retirement market continues to push from the north and family households sustain the market segment to the south. This area has embraced both market segments and, as a result, has become one of the emerging economic submarkets in all of Central Florida.

Long-term Financial Planning

The Core Values adopted by the City Commission will drive the long-term planning process. One of the Core Values, "Fiscal Responsibility," shows a respect for the citizens whose taxes support the municipal government and a commitment for the thoughtful prioritization and careful management of financial resources. Also addressed in this Core Values is the recognition that resources are limited and that this necessitates fresh approaches and creativity in addressing current operations and community needs.

The 10-year Capital Improvement Plan was developed to maximize the "pay as you go approach" while recognizing the benefit of financing. Utility improvements and replacements will be scheduled and integrated into the street paving work plan. The plan includes a detailed explanation regarding development of revenue projections and assumptions regarding capital needs. Due to limited resources, capital spending is limited to that which is absolutely necessary. The major sources of funding include grants, remaining bond proceeds and renewal and replacement funds.

In the past, the City typically extended services beyond the current available infrastructure based on a calculation to recoup the initial investment over a 5- to 7-year period.

Additional long-range planning for the following departments is listed below:

- **Electric** – The department consistently evaluates the costs of outsourcing specific activities. In FY 2015, the Department started a major expansion into the Fruitland Park Area. The Villages will be adding 2,400 homes to the City of Fruitland Park in the next three years. The project will cost approximately \$7.5 million, which was primarily funded by the Villages. In addition, a revision to the 10-year Capital Improvement Plan is underway which will identify system replacements, upgrades, and improvements necessary to maintain a state of the art system well into the future.
- **Gas** – The City is a member of Florida Gas Utility (FGU), which is made up of natural gas utilities with a common goal of acquiring natural gas in bulk to reduce overall price to customers. Prior to 2006, the department followed a guideline of extending service to new customers based on a seven-year calculated return on initial investment. Since April of 2006, natural gas is being required in all new subdivisions within the city limits. Implementation of this policy will significantly reduce future capital outlay.
- **Water & Wastewater** – Future utility expansion will be based on the Utility Master Plan and assessed as development requires utility expansion. At the present time there is no funding source in water or wastewater for future utility expansion. The water utility is looking into long term solutions for increased water consumption driven by population growth. The Florida aquifer has limited resources and is not expected to keep pace with development. The Central Florida Water Initiative and other similar efforts will take a leading role in developing future water use policies.
- **Communications** – The utility has expanded their business marketing to customers for fiber optic cable and internet services. Because of expanded internet rates, and the offering of broadband communications services, the city continues to extend fiber optic connections to customers.
- **Solid Waste** – The Solid Waste Division recently executed a long term disposal agreement with Covanta Lake II, Inc. a waste to energy facility that produces electricity by burning municipal solid waste. The 5 year agreement includes an option to extend the contract for three additional 5 year terms. The negotiated disposal fee is considerably less than the fee recently paid to Lake County and represents a significant savings in operating expenses for the duration of the contract. The utility will continue to replace semi-automated residential side loading trucks with larger, fully automated trucks.
- **Information and Technology (IT)** – The IT Department is an important part of the City's operations, thus long-term financial planning includes preparing to replace computers as they become obsolete. All computer equipment is owned by the IT Department and leased to the other City departments, based on a five-year payback period. IT is actively involved with upgrading business technology as financial resources become available.
- **Fleet Maintenance** – All City vehicles are owned by Fleet Services, which is responsible for repairs, vehicle bid specifications and purchases. A lease fee, based on useful life, is charged to the user department. Fleet Services also maintains the City's two fuel sites.

Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Leesburg for its comprehensive annual financial report for the fiscal year ended September 30, 2014. This is the twenty-fifth consecutive year (fiscal years ended 1990-2014) that the City has achieved this prestigious award. In order to be awarded a Certificate of Achievement, a governmental unit must publish an easily readable and efficiently organized comprehensive annual financial report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe our current comprehensive annual financial report continues to meet the Certificate of Achievement Program's requirements, and we are submitting it to the GFOA to determine its eligibility for another certificate.

In addition, the City of Leesburg also received the GFOA's Distinguished Budget Presentation Award for its annual budget document for fiscal year 2014-15. This was the seventeen consecutive year the City received this award. In order to qualify for the Distinguished Budget Presentation Award, the City's budget document was judged to be proficient in several categories, including as a policy document, as a financial document, as an operations guide, and as a communications device.

The preparation of this report on a timely basis was made possible through the efficient, dedicated and professional efforts of the entire staff of the Finance Department. The significant amount of year-end closing procedures required prior to the audit could not have been accomplished without members of the department who made personal sacrifices. Other City departments, although not extensively involved in year-end audit activities, contributed significantly by ensuring the accuracy and integrity of accounting information compiled throughout the year. Credit must also be given to the Mayor and Commissioners for their unfailing support for maintaining the highest standards of professionalism in the management of the City of Leesburg's finances. We believe that this report clearly illustrates the financial position of the City of Leesburg and wish to thank you for your support and commitment to maintaining the financial integrity of the City.

Respectfully submitted,

Alfred (Al) Minner

INDEPENDENT AUDITOR'S REPORT

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Leesburg, Florida (the "City") as of and for the fiscal year ended September 30, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the City's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of September 30, 2015, and the respective changes in financial position, and, where applicable, cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Emphasis-of-Matter - Change in Accounting Principle

As discussed in Note 19 to the financial statements, in the fiscal year ended September 30, 2015, the City adopted the provisions of Government Accounting Standards Board Statement (GASBS) Number 68, *Accounting and Financial Reporting for Pensions*. As a result of the implementation of GASBS 68, the City reported a restatement for the change in accounting principle as of October 1, 2014. Our opinions are not modified with respect to this matter.

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

INDEPENDENT AUDITOR'S REPORT
(Concluded)

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The introductory section, the supplemental information section, the statistical section, and the debt disclosure section, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplemental information section is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The introductory section, statistical section, and debt disclosure section have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on them.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated March 31, 2016, on our consideration of the City's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City's internal control over financial reporting and compliance.

CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015

The City of Leesburg (the City), Florida's Management's Discussion and Analysis presents an overview of the City's financial activities for the fiscal year ended September 30, 2015. Please read it in conjunction with the letter of transmittal, beginning on page 3, and the financial statements, beginning on page 37.

Financial Highlights

- The assets of the City exceed liabilities at the close of fiscal year 2015 by \$231 million (net position). Of this amount, \$55 million (unrestricted net position) may be used to meet the government's ongoing obligations to citizens and creditors.
- During fiscal year 2015, the City adopted GASB Statement No. 68, Accounting and Financial Reporting for Pensions. This pronouncement required the restatement of the September 30, 2014 net position in governmental activities, business-type activities, enterprise and fiduciary funds. This change is described in detail in Note 19 of the financial statements and are reflected in the following discussion.
- The City's total net position decreased \$833,000 or .4%. Net position for governmental activities decreased \$28.5 million or 47%, while business-type net position increased \$27.7 million or 16%. The decrease in the governmental activities and the increase in the business-type activities is due almost entirely to the capital transfer of \$25 million in assets, from general government assets, into the newly created Airport Fund.
- As of September 30, 2015, the City's governmental funds reported combined ending fund balance of \$24.7 million, an increase of \$2.4 million in comparison with the reported amount of \$22.3 million in the prior year.
- On September 30, 2015, unassigned fund balance for the General Fund was \$12.7 million, or 55% of total General Fund expenditures and transfers out of \$22.9 million.
- Governmental funds' fund balance increased by \$2.4 million, which represents an improvement over the prior year net increase of \$710,597. The increase is mainly attributed to a decrease of \$1.5 million in capital expenditures coupled with \$1,000,000 of loan proceeds for the Greater Leesburg CRA Main Street Project.
- The Internal Service Funds change in net position increased by \$123,106. Internal service funds are considered governmental activities on the city-wide statements, but are included with the enterprise funds on the individual funds statements.
- The total enterprise funds change in net position increased by \$30.3 million from the previous year. The creation of the Airport Fund, which includes the transfer of \$25 million in assets from the general government, is the primary reason for the increase. The Electric, Water, and Wastewater Fund's net position increased \$1,094,948, \$722,825 and \$1,392,897 respectively. The Gas Fund had a decrease in net position of \$1,642.
- The City's total financed debt as of September 30, 2015, decreased \$3.4 million from \$133,197,202 to \$129,781,998. New debt was issued in 2015 to benefit from lower interest rates. The Greater Leesburg CRA borrowed \$1,000,000 to fund a portion of the Main Street Renovation project.

MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015**

Overview of the Financial Statements

This Management's Discussion and Analysis is intended to serve as an introduction to the City's basic financial statements. The City's basic financial statements provide information on both the City as a whole (government-wide) and on the major individual funds. Both perspectives (government-wide and fund level) allow the user to address relevant questions, broaden a basis for comparison and enhance the City's accountability. The City's basic financial statements are comprised of three components: 1) city-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements that explain information in the financial statements and provide more detailed data.

The statements are followed by a section of Required Supplementary Information that further explains and supports the information in the financial statements.

This report also contains other Supplementary Information in addition to the basic financial statements that provides detail about the City's non-major governmental and internal service funds, non-major enterprise statements, each of which are added together and presented in single columns in the basic financial statements. The required parts of this annual report are arranged and relate to one another as shown in the following graphical representation:

CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015

City-wide Financial Statements

The government-wide financial statements are the Statement of Net Position (previously known as the Statement of Net Assets) and the Statement of Activities. These statements are designed to provide readers with a broad overview of the City's finances, in a manner similar to a private sector business. Emphasis is placed on the net position of governmental activities and business-type activities, and the change in net position. Governmental activities are principally supported by taxes and intergovernmental revenues. Governmental activities include most of the City's basic services, including police, fire, public works, parks and recreation, library, and general administration. Business-type activities are intended to recover all or a significant portion of their costs through user fees and charges. The City's water system, sewer system, electric system, communications system, storm water system, gas system, solid waste system operations and airport operations are reported as business-type activities.

The city-wide financial statements include not only the City of Leesburg itself, but also the Greater Leesburg Community Redevelopment Agency, Carver Heights/Montclair Area Community Redevelopment Agency, and the U.S. Highway 441 & 27 Community Redevelopment Agency (all three "CRAs"). The CRAs, though legally separate, are reported as part of the primary government as blended component units due to the City Commission serving as each CRA's governing board.

- The *Statement of Net Position* presents information on all of the City's assets and deferred outflows, less liabilities and deferred inflows, with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.
- The *Statement of Activities* presents information showing how the government's net position changed during fiscal year 2015. All changes in net position are reported as soon as the occasion arises, regardless of the timing of related cash flows. Thus, revenues and expenses are reported for some items that result in cash flows in future fiscal periods (e.g., uncollected taxes and unused vacation leave when earned).

Both of these financial statements distinguish functions of the City that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities).

The internal service funds, namely health insurance, workers' compensation, risk management, and fleet maintenance are recorded as governmental activities on the entity-wide statements, but presented with the proprietary funds in the fund level statements.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The fund financial statements provide detailed information about the City's major funds - not the City as a whole. Fund accounting helps to ensure and demonstrate compliance with finance-related legal requirements. Based on restrictions on the use of monies, the City established multiple funds that account for various services provided to residents and businesses. These fund financial statements focus on the City's most significant funds: governmental, proprietary, and fiduciary.

CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015

Governmental Funds - Governmental funds are used to account for essentially the same functions reported as governmental activities in the city-wide financial statements. However, unlike the city-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the city-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the city-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide reconciliations to facilitate this comparison between governmental funds and governmental activities.

The City maintains twelve individual governmental funds. Separate information for the General Fund, Capital Projects Fund, and the Community Redevelopment Agency Fund, which are considered to be major funds, is presented in the governmental funds' balance sheet and in the governmental funds' statement of revenues, expenditures, and changes in fund balances. Data from the other nine governmental funds are combined into a single, aggregated presentation. Individual fund data for each of these non-major governmental funds is provided in the form of combining statements in the supplemental information section of this report.

Annual appropriated budgets are adopted for the governmental funds. Budgetary comparison statements and/or schedules are provided for these funds to demonstrate budgetary compliance.

Proprietary Funds

The City maintains two different types of proprietary funds: enterprise and internal service funds. Enterprise funds are used to report the same functions presented as business-type activities in the city-wide financial statements. The City uses enterprise funds to account for its electric, gas, water and reuse water, wastewater, communications (internet and fiber optic), solid waste, airport, and stormwater operations. Internal service funds are an accounting device used to accumulate and allocate costs internally among the City's various functions. The City uses internal service funds to account for its self-insurance healthcare, workers' compensation, risk management, and fleet maintenance programs. Because these services predominantly benefit governmental rather than business-type functions, they have been included within governmental activities in the city-wide financial statements.

Proprietary funds provide the same type of information as the city-wide financial statements, only in more detail. The proprietary fund financial statements provide separate information for Electric Utility, Gas Utility, Water Utility, Wastewater Utility and Airport enterprise funds, which are considered to be major funds of the City. The remaining three non-major enterprise funds are combined into a single fund and are aggregated into a single presentation. Individual fund data for the non-major enterprise funds and the internal service funds is provided in the form of combining statements in the supplementary information section of this report.

**CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015**

Fiduciary Funds

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the city-wide financial statements because the resources of those funds are not available to support the City's own programs. The accounting used for fiduciary funds is similar to proprietary funds. The fiduciary funds include pension trust funds for police, fire, and general employees.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the city-wide and fund financial statements, including the City's progress in funding its obligations to provide pension benefits and other post-employment benefits to its employees.

Other Information

In addition to the basic financial statements and accompanying notes, required supplementary information is included which presents budgetary comparison schedules for the City's general fund, major special revenue fund, as well as historical trend information for pension trust funds and the City's OPEB plan.

The combining statements and budgetary comparison schedules referred to earlier, in connection with non-major governmental and internal service funds, are presented in the supplemental information section of this report.

City-wide Financial Analysis

Statement of Net Position

As noted earlier, over time net position may serve as a useful indicator of a government's financial position. In the case of the City, assets and deferred outflows exceeded liabilities and deferred inflows by \$231 million at the close of the fiscal year ended September 30, 2015.

CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015

At the end of fiscal year 2015 the City is able to report positive balances in all three categories of net position for governmental and business-type activities. The following table reflects the condensed Statement of Net Position for the current year as compared to the prior year:

City of Leesburg's Net Position

	Governmental activities		Business-type activities		Total	
	2015	2014	2015	2014	2015	2014
Assets						
Current and other assets	\$ 37,724,773	\$ 36,846,187	\$ 108,631,313	\$ 102,542,664	\$ 146,356,086	\$ 139,388,851
Capital assets (net)	51,308,644	77,118,390	225,914,700	199,347,511	277,223,344	276,465,901
Total assets	89,033,417	113,964,577	334,546,013	301,890,175	423,579,430	415,854,752
Deferred Outflow of Resources	4,315,348	948,573	2,443,113	1,846,435	6,758,461	2,795,008
Liabilities						
Current and other liabilities	7,403,117	8,288,733	32,480,251	27,107,142	39,883,368	35,395,875
Long term liabilities	52,014,516	45,998,798	104,912,523	105,195,760	156,927,039	151,194,558
Total liabilities	59,417,633	54,287,531	137,392,774	132,302,902	196,810,407	186,590,433
Deferred Inflow of Resources	1,814,502		486,792		2,301,294	
Net Position						
Net Investment in capital assets	20,864,865	46,464,509	148,453,634	116,147,661	169,318,499	162,612,170
Restricted	6,168,033	3,833,845	425,869	14,966,539	6,593,902	18,800,384
Unrestricted	5,083,732	10,327,265	50,230,057	40,319,508	55,313,789	50,646,773
Total net position	\$ 32,116,630	\$ 60,625,619	\$ 199,109,560	\$ 171,433,708	\$ 231,226,190	\$ 232,059,327

The largest portion of the City's net position is reflected in the investment in capital assets (e.g., land, buildings, and equipment) less any related outstanding debt used to acquire those assets. Net investment in capital assets totals \$169.3 million, or 39% of all assets, which total \$423.6 million. The City uses capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City's investment in its capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets cannot be used to liquidate the debt.

A portion of the City's net position, \$6.6 million, or 2.9% of total net position, represents resources that are subject to external restriction on how they may be used. The balance of unrestricted net position totaling \$55.3 million, or 24% of the total net position, may be used to meet the City's ongoing obligations to citizens and creditors, and provide funding for various projects.

**CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015**

Governmental Activities

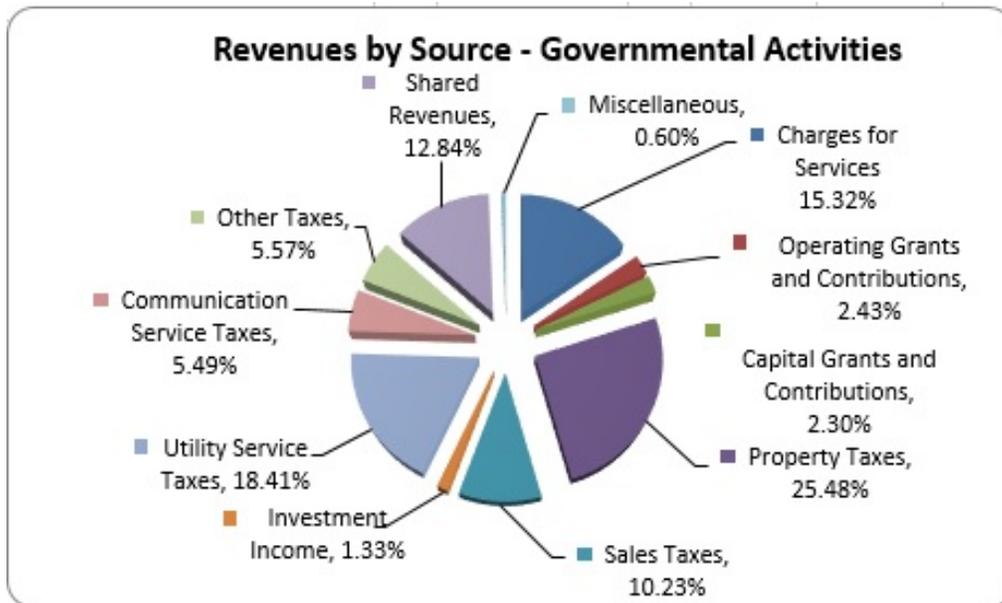

Governmental activities for the current fiscal year decreased the City's net position by \$28.5 million or 47%. The capital contribution of \$25 million in general government assets to the Airport Fund is responsible for the majority of the decrease. Overall program revenues decreased \$2,006,000. Revenue decreases in charges for services of \$342,000 and capital grants of \$1,744,000 offset an increase of \$79,500 in operating grants. Overall expenses decreased by \$1.5 million, attributed to the Airport activities being reported in a new proprietary fund. Revenue from property taxes increased slightly, reflecting an economy that is showing signs of recovery.

The expenses and program revenues depicted in the following bar graph are from the Statement of Activities. Please note that expenses precede revenues as governments seek to identify the needs of their citizens and then raise the resources needed to meet those needs. The excess of expenses over program revenues are then funded by the remaining general revenues of the government.

**CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015**

The pie chart depicting revenues by source for governmental activities reflects the percentage of individual revenue sources to total revenue sources for governmental activities.

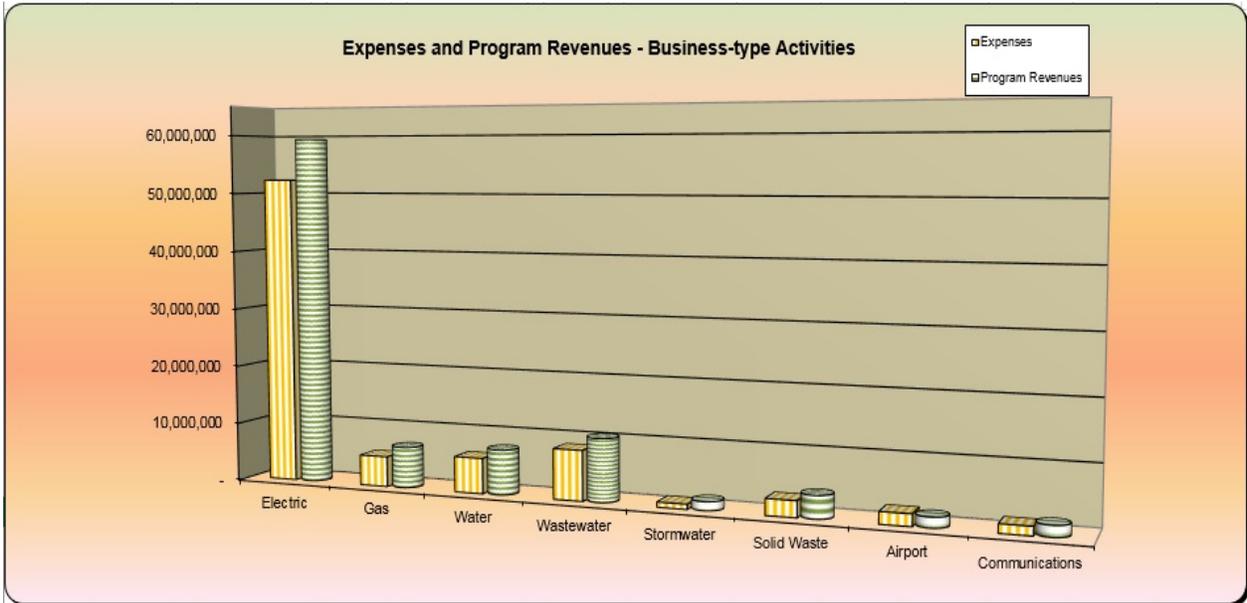

Activities of the City's four internal service funds are considered governmental rather than business-type activities. The net position of the four funds increased by \$123,000. The City's general employee health insurance fund net position decreased by \$63,222, or 2.2% even though the City continues to experience cost savings resulting from increased use of the City onsite wellness center, for which there is no cost to covered employees or dependents for visits, generic drugs dispensed from the center's formulary, and X-ray and MRI services performed by a third-party imaging center. The Workers' Compensation fund net position increased by \$81,765. The City established a Risk Management Fund in 2014, which charges the various departments an insurance fee for all costs related to General Liability, Excess Liability, Property/Casualty, Auto Physical Damage, Public Official and Employment Practices Liability. The Risk Management Fund charges City departments a fee based on factors such as number of vehicles, value of assets, and operating budget. The Fleet Maintenance fund tracks activities associated with providing vehicles and equipment services throughout the City's operation. Net operating income for the Fleet Maintenance Fund was \$691, which is a decrease of \$962,214 from the previous year. Combined operating expenses also increased by \$454,618.

Business-type Activities - Business-type activities for the current fiscal year increased the City's net position by \$27.7 million from \$171,433,708 to \$199,109,560. Net operating revenues of \$17.7 million were increased by transfers primarily to the governmental-type funds of \$15.3 million. In addition, the net position increased \$27.7 million, mostly from the transfer into the Airport Fund.

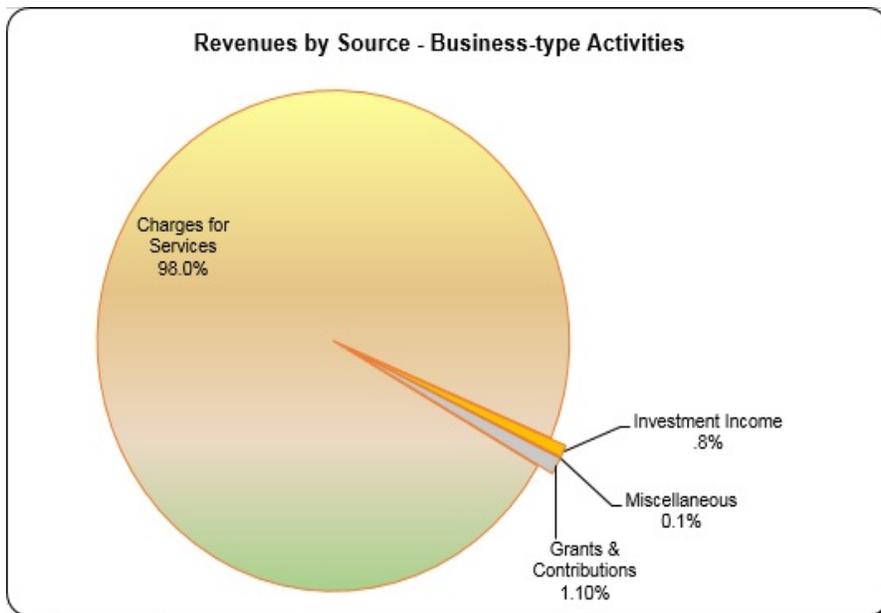

The GASB has issued Statement 68. This statement applies to how the City reports the accounting and funding of pension plans. Prior period adjustments are displayed on the Governmental Statement of Activities and the Statement of Revenues, Expenses and Changes in Fund Position of the Proprietary Funds to reflect the changes related to this GASB Statement. The Net Position balance for the government wide financial statements for 2014 was \$232,059,327. After a reduction of \$8,560,210 in the 2014 Net Position balance due to a Prior Period Adjustment based on the calculations for GASB 68 as mentioned above, the revised 2014 Net Position is \$223,499,117. This is reflected on the Statement of Activities for September 30, 2015 as Net Position, Beginning of Year, Adjusted.

**CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015**

The expenses and program revenues depicted in the following bar graph are from the Statement of Activities. Please note that expenses precede revenues in this presentation. Business-type activities differ from governmental-type activities in that charges for services are designed specifically to recover the cost of providing those services, including capital costs, such as depreciation or debt service.

The pie chart reflecting revenues by source for business-type activities presents charges for services as 98% of overall business-type activities.

MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015**

Financial Analysis of the City's Funds

As noted earlier, the City uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

Governmental Funds

The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year.

As of the end of fiscal year 2015, the City's governmental funds reported combined ending fund balances of \$24.7 million, an increase of \$2.4 million from the prior year. Unassigned fund balance of the governmental funds increased \$2 million to \$12.6 million, which is available for spending at the City's discretion. The remainder of fund balance is classified as nonspendable, restricted, committed, or assigned to indicate that it is not available for new spending because it has already been committed for other uses.

The General Fund is the primary general government operating fund of the City. At the end of fiscal year 2015, the fund balance of the General Fund was \$14.4 million. This fund balance is comprised of non-spendable funds totaling \$35,361, restricted funds of \$1.3 million, committed funds of \$3,300, assigned funds of \$322,000, and unassigned funds of \$12.6 million. This unassigned balance is an increase of \$2 million over the previous year, reflecting senior management's continued efforts to closely monitor financial activities of the City and exert fiscal oversight of the City's resources.

The Greater Leesburg CRA experienced an increase of \$1.2 million in expenditures due to the Main Street Improvement Project, while revenues increased \$135,000. A \$1,000,000 bank loan funded the significant increase in the Greater Leesburg CRA expenditures. The Carver/Montclair CRA revenues increased by \$94,000, while expenditures decreased by a \$380,000. Capital outlay expenditures in the CRA funds increased by \$804,000 and economic environment expenditures increased \$31,000. The U.S. Hwy 441 & 27 CRA experienced a year-to-year \$54,098 increase in revenues. U.S. Hwy 441 & 27 CRA expenditures increased \$18,500. These activities in the three CRAs combined to result in a reduction of \$896,647 in the CRA fund balance.

The fund balance for the Capital Projects Fund remained the same. Expenditures of \$1,537,000 were offset by corresponding interfund transfers.

Proprietary Funds - The City's proprietary funds provide the same type of information found in the government-wide financial statements, but in more detail. Unrestricted net position for Business-type Activities increased \$9.9 million, or 24.5%.

<u>Fund</u>	Unrestricted Net Position		
	2015	2014	Change
Electric	\$ 16,139,958	\$ 12,106,922	\$ 4,033,036
Gas	8,172,535	9,161,968	(989,433)
Water	8,019,849	7,195,200	824,649
Wastewater	10,827,333	5,326,798	5,500,535
Stormwater	2,901,764	3,166,132	(264,368)
Solid Waste	1,945,955	2,038,593	(92,638)
Airport	859,546	-	859,546
Communications	1,363,117	1,323,895	39,222
Total	\$ 50,230,057	\$ 40,319,508	\$ 9,910,549

CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015

The \$1.1 million increase in net position in the Electric Fund is due to an increase in operating income and a decrease in interest expense and transfers. Unrestricted net position in the Electric Fund increased by \$4,033,026 million from the 2014 amount. The Gas Fund net position remained basically unchanged reporting a minimal decrease of \$1,642. The \$454,000 change in net position for the Water Fund was primarily a result of an increase of \$426,000 in operating income. The change in net position for the Wastewater Fund increased \$1.4 million, a result of increased operating income of \$694,000, coupled with a decrease in the transfer.

General Fund Budgetary Highlights

The final General Fund budget of \$22.2 million is an increase over the original budget of \$21.8 million. The new Airport Fund received a transfer of \$450,000 from the General Fund to establish the fund.

Actual revenues and expenditures varied from revised budget estimates in some areas. Tax revenues exceeded expectations by \$463,000 as a result of collecting current and delinquent ad valorem taxes in excess of budget by \$125,000 and increases in utility and sales tax revenues totaling \$338,000. Charges for services also exceeded expectations by \$434,000 stemming primarily from timing issues related to reimbursement from FDOT for street light maintenance and fees from Lake County for Fire/Rescue responses. Expenditures lagged expectations in most areas. The majority of savings were in general government, public safety and human services with variances of \$313,047, \$932,911, and \$324,912 respectively. Saving in these and other areas stemmed from cost savings in the areas of salaries, reduced repair and maintenance costs, and reduced professional services and other third-party costs. Budgeted fund balance appropriations of \$682,698 were not needed as a result of revenues exceeding and expenditures lagging budgetary expectations.

Capital Asset and Debt Administration

Capital Assets

Capital assets include land, buildings, improvements other than buildings, intangible assets, vehicles and equipment, infrastructure, and construction in progress. The infrastructure asset category includes long-lived capital assets, typically stationary in nature, such as roads, sidewalks and bridges. At September 30, 2015, the City had investments in capital assets of \$277.2 million (net of accumulated depreciation), an increase of \$757,000 from the previous year.

Significant changes in capital assets include the following:

City of Leesburg's Capital Assets

Additional information on the City's capital assets can be found in Note 6 of the notes to the financial statements.

Long-term Liabilities

At the end of fiscal year 2015 the City had total long-term liabilities outstanding of \$140.3 million, attributable to outstanding bonds, notes, compensated absences, landfill postclosure payable, CR #3 decommissioning cost payable, and capital lease payable. \$77 million represents bonds secured solely by specified revenue sources, while a bond issue of \$14.2 million is secured by tax increment financing. \$28.5 million of the bonds are applicable to governmental activities, and \$62.9 million is for the business-type activities.

CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015

Other Post Employment Benefits (OPEB) are considered a liability on the statement of net position. This is an unfunded obligation and is calculated annually by the City's actuary. The calculated liability for 2015 is \$13.3 million. Additional information on the City's OPEB obligation can be found in Note 14 of the notes to the financial statements.

The City's long-term liabilities also include an amount for the City's Net Pension Liability in both the entity-wide and Proprietary Statements of Net Position. This amount is actuarially determined and represents the City's obligation for future pension benefits to its employees based on past service already provided. The amount is calculated net of any assets available to provide for these future payments. Additional information on the City's Net Pension Liability can be found in Note 12 of the notes to the financials.

The City is under constant surveillance and scrutiny from Wall Street rating agencies. Ratings were unchanged during fiscal year 2015:

	Rating Agencies		
	<u>Moody's</u>	<u>S&P</u>	<u>Fitch</u>
Capital	A1	A-	AA-
Utility	Aa3	A	AA-
Covenant to Budget and Appropriate	A2	A+	A+

Key rating drivers for the City's Capital Improvement Bonds included improvement in the City's financial profile and liquidity despite a pressured operating environment, sound and consistent debt service coverage and solid legal provisions.

Additional information on the City's long term debt can be found in Note 8 of the notes to the financial statements.

**CITY OF LEESBURG, FLORIDA
MANAGEMENT'S DISCUSSION AND ANALYSIS
SEPTEMBER 30, 2015**

Economic Factors and Next Year's Budget

- The unemployment rate for Lake County at September 2015 was 5.1%, a decrease from a rate of 5.8% a year ago. This compares to the State average rate of 5.2%.
- The millage rate for 2015 remained unchanged at 4.3179 mills. The City ranked 4th lowest out of the 14 cities in Lake County. The City is able to retain ad valorem rates at a minimal level due in large part from the transfers from utility fund operations.
- Population increased slightly to 21,547 from the prior fiscal year of 21,057.
- The 2016 property values are projected to improve only slightly from 2015 levels, resulting in Ad Valorem revenues that are expected to increase over the 2015 level. Slowly improving economic conditions should lead to improving revenue sources.

Other

Power supply for 2015 received through the Florida Municipal Power Agency (FMPA) and Leesburg's share of the St. Lucie nuclear power plant, together with the City's ownership in the Crystal River nuclear power plant, represent more than 73% of the electric department's annual operating expenses. In October 2015, Duke Energy, principle owner of the Crystal River #3 nuclear plant, purchased all the assets of the nuclear plant from the City. The acquisition included Duke Energy assuming future responsibility of the City's portion of associated decommissioning cost obligations.

Requests for Information

This financial report is designed to present users with a general overview of the City's finances and to demonstrate the City's accountability. If you have questions concerning any of the information provided in this report or need additional financial information, please contact the City's Finance Department at 501 West Meadow Street (P.O. Box 490630), Leesburg, Florida, 34749-0630, or call (352) 728-9720.

FUND FINANCIAL STATEMENTS

This page intentionally left blank.

MAJOR GOVERNMENTAL FUNDS

General Fund is the principal fund of the City and is used to account for all activities not included in other funds. The General Fund accounts for the normal recurring activities of the City (i.e., police, fire, public works, general government, etc.). These activities are funded principally by property taxes, intergovernmental revenues, and licenses and fees.

Community Redevelopment Agency Funds consist of the Greater Leesburg Community Redevelopment Agency Fund, Carver Heights/Montclair Area Community Redevelopment Agency Fund, and U.S. Highway 441/27 Community Redevelopment Agency Fund, which are incremental tax districts established pursuant to Florida Statutes and accounted for as special revenue funds. The funds account for the incremental increase in ad valorem tax revenue collected within the designated community redevelopment agency areas. Revenues must be utilized and expended in accordance with the respective community redevelopment agency plans.

Capital Projects Fund accounts for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds).

TO THE STATEMENT OF NET POSITION
AS OF SEPTEMBER 30, 2015**

Total Fund Balances of Governmental Funds \$ 24,675,554

Amounts Reported for Governmental Activities in the Statement of Position are Different Because:

Capital assets used in governmental activities are not financial resources and, therefore, are not reported in the funds:

Cost of the Assets (excluding capital assets of the Internal Service Funds included below)	\$ 97,280,873	
Accumulated Depreciation (excluding internal service funds)	(48,918,860)	48,362,013

The internal service funds are used by management to charge the costs of health insurance and workers' compensation services, risk management costs and fleet operation costs to individual funds. The assets, deferred outflows, liabilities and deferred inflows of the internal service funds are included in governmental activities in the statement of net position. 11,532,038

Deferred Amounts on Refunding are not available to cover current liabilities and therefore are not considered revenue in the fund level statements. 901,144

Deferred Outflows related to Pensions are not reported in the governmental funds but will be recognized in pension expense on a long term basis (excluding Internal Service Funds). 3,377,514

Deferred Inflows related to Pensions are not reported in the governmental funds but will be recognized in pension expense on a long term basis (Excluding Internal Service Funds). (1,788,580)

Long-term liabilities are not due and payable in the current period and, accordingly, are not reported in the governmental funds. Long-term liabilities at year-end consist of:

Capital Improvement Revenue Bonds	(28,500,000)	
Notes Payable	(8,310,998)	
Compensated Absences	(1,374,800)	
Capital Lease Payable	(84,668)	
Net Other Postemployment Benefit Obligation	(9,234,304)	
Net Pension Liability (excluding internal service funds)	(7,438,283)	(54,943,053)

Total Net Position of Governmental Activities \$ 32,116,630

The notes to the financial statements are an integral part of the financial statements.

**CITY OF LEESBURG, FLORIDA
RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES,
AND CHANGES IN FUND BALANCES OF THE GOVERNMENTAL FUNDS
TO THE STATEMENT OF ACTIVITIES
FOR THE YEAR ENDED SEPTEMBER 30, 2015**

Net Change in Fund Balances - Total Governmental Funds \$ 2,400,821

Amounts Reported for Governmental Activities in the Statement of Activities are Different Because:

Governmental funds report capital purchases as expenditures. However, in the statement of activities, the cost of those assets is depreciated over their estimated useful lives and reported as depreciation expense. This reconciling item is the amount by which capital purchases, less net book value of disposals, exceeds depreciation expense:

Capital Purchases	\$ 3,111,625	
Assets contributed to Airport	(25,711,867)	
Net Book Value of Disposals	(3,301)	
Depreciation Expense	<u>(2,736,449)</u>	(25,339,992)

Repayment of bond and note principal is an expenditure in the governmental funds, but the repayment reduces long-term liabilities in the statement of net assets. This is a list of those repayments:

Principal Repayments:		
Capital Improvement Revenue Bonds	620,000	
Notes Payable	1,313,204	
Capital Lease Payable	<u>39,792</u>	1,972,996

Bond proceeds are recorded as revenue in the governmental funds, but debt proceeds increase long-term liabilities in the Statement of Net Position.

Issuance of Debt		(1,000,000)
------------------	--	-------------

Some expenses reported in the statement of activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds:

Compensated Absences	140,740	
Change in Deferred Amount on Refunding	(47,429)	
Pension Expense	(124,162)	
Change in Other Postemployment Benefit Liability	<u>(715,519)</u>	(746,370)

The internal service funds are used by management to charge the costs of activities that benefit the entire government. The net revenue (expense) of the internal service funds is reported with governmental activities.

123,106

Change in Net Position of Governmental Activities **\$ (22,589,439)**

The notes to the financial statements are an integral part of the financial statements.

MAJOR PROPRIETARY FUNDS

Proprietary Funds account for operations that are financed and operated in a manner similar to private business enterprises, where the costs of providing goods or services to the general public are recovered primarily through user charges; or where the City has decided that determination of net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. Individual major proprietary funds are described below.

Electric Utility Fund accounts for the purchase and distribution of electric services.

Gas Utility Fund accounts for the purchase and distribution of gas services.

Water Utility Fund accounts for costs for collection, treatment, and distribution of water services.

Wastewater Utility Fund accounts for costs to provide wastewater and sanitary sewer services.

Airport Fund accounts for the costs associated with the management, construction, maintenance, protections, control, regulation, use, and enhancement of the City's International Airport.

INTERNAL SERVICE FUNDS

Internal Service Funds account for the financing of goods and services provided by one department to other departments of the governmental unit on a cost-reimbursement basis. The City maintains four internal service funds. The internal service funds are for the payment of employee health and medical claims, workers' compensation claims, property and casualty policies, and lease payments for the City's vehicles.

NOTES TO THE FINANCIAL STATEMENTS

CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting and reporting of the City of Leesburg, Florida (the City) conform to accounting principles generally accepted in the United States (GAAP) as applied to governmental entities. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles, which are primarily set forth in GASB's Codification of Governmental Accounting and Financial Reporting Standards. The more significant of these accounting policies are summarized below.

A. Financial Reporting Entity

The City is a Florida municipality governed by an elected five-member City Commission. The City was established by the adoption of its Charter in the Laws of Florida, Chapter 9820, 1923. The City provides a traditional mix of governmental services, including police and fire protection, the construction and maintenance of streets and infrastructure, library, recreational activities, cultural events, planning, zoning, housing, and administrative services. The City also provides a full range of utility services, including electric, natural gas, solid waste, communications (which includes internet and fiber optic cable services), water, reuse water, wastewater treatment, airport, and stormwater drainage. In addition the City has three Community Redevelopment Agencies, (CRA), which are Greater Leesburg, Carver Heights/Montclair and U.S. Highway 441 & 27.

The City Commission is governed by the City Charter and by state and local laws and regulations. The City Commission is responsible for the establishment and adoption of policy for the City. The execution of such policy is the responsibility of the Commission-appointed City Manager.

This report includes all funds, departments, agencies, boards and commissions, and other organizational units that are administered by the City Manager and/or controlled by or dependent upon City Commission as set forth in the City Charter. In GASB Statement No. 61, *The Financial Reporting Entity*, the GASB has set forth criteria to be considered in determining financial accountability. These criteria include appointing a voting majority of an organization's governing body and (1) the ability of the City to impose its will on that organization, or (2) the potential for the organization to provide specific financial benefits to or impose specific financial burdens on the City.

As required by GAAP, these financial statements present the City of Leesburg (the primary government) and its component units. In evaluating the City as a reporting entity, management has addressed all potential component units for which the City may or may not be financially accountable and, if applicable, has included them in the City's financial statements. Additionally, the primary government is required to consider other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

The City has identified and included within the financial reporting entity, as its component units, legally separate organizations for which the City is financially accountable for which a significant relationship with the City exists such that exclusion would cause the City's financial statement to be misleading or incomplete.

Blended component unit: There is one component unit which is legally separate from the City, but is so intertwined with the City that it is, in substance, the same as the City. It is reported as part of the City and blended into appropriate funds listed below:

Community Redevelopment Agency (CRA): The City established the Greater Leesburg, Carver Heights/Montclair Area, and U.S. Highway 441 & 27 Community Redevelopment Agencies as component units of the City pursuant to Section 163.512, Florida Statutes.

CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

The CRA's sole purpose is to administer funds distributed via state law for blighted areas within the City. The Governing Boards are composed of the City Commission plus two members appointed by the City Commission; therefore the City Commission has absolute influence over the CRA board. In accordance with Florida Statute 163.387, the amount and source of revenues into, and the amount and purpose of expenditures from the CRA fund, including the amount of debt principal and interest paid during the current year, as well as the remaining amount of indebtedness to which revenues of the fund are pledged, are detailed in the supplemental schedule. The CRA is reported as a major special revenue fund.

B. Recent Government Accounting Standards Board (GASB) Statements

In fiscal year 2015, the City implemented GASB Statement No. 68, *Accounting and Financial Reporting for Pensions*, which revises and establishes new financial reporting requirements for most state and local governments that provide their employees with pension benefits. Statement 68 replaces the requirements of Statement No. 27, *Accounting for Pensions by State and Local Governmental Employers* and Statement No. 50, *Pension Disclosures*, as they relate to governments that provide pensions through pension plans administered as trusts or similar arrangements that meet certain criteria. Statement 68 requires governments providing defined benefit pensions to recognize their long-term obligation for pension benefits as a liability for the first time, and to more comprehensively and comparably measure the annual costs of pension benefits. The Statement also enhances accountability and transparency through revised and new note disclosures and required supplementary information (RSI).

C. Basic Financial Statements

The basic financial statements include both city-wide and fund level statements. The City, as the primary government, is reported separately from its component units. The city-wide statements report on all activities of the City and its component units except those that are fiduciary in nature.

Statements for fiduciary activities, such as employee pension plans, are presented in a separate section of this report. Both the city-wide and fund level statements classify primary activities of the City as either governmental activities, which are primarily supported by taxes and intergovernmental revenues, or business type activities, which are primarily supported by user fees and charges.

City-wide financial statements include a Statement of Net Position and a Statement of Activities. These statements report on the government as a whole, both the primary government and its component units, and provide a consolidated financial picture of the government. As part of the consolidation process, interfund activities are eliminated to avoid distorted financial results. The amounts reported as internal balances represent the residual amounts due between governmental and business-type activities. Fiduciary funds of the government are not included in the presentation since these resources are not available for general government funding purposes. The Statement of Net Position reports all financial and capital resources of the City's governmental and business-type activities. It is presented in a net position format and shown with three components: (1) net investment in capital assets; (2) restricted net position; and (3) unrestricted net position.

The Statement of Activities reports the functional categories of programs provided by the City and demonstrates how and to what degree those programs are supported by specific revenues.

Program revenues are classified into three categories: (1) charges for services; (2) operating grants and contributions; and (3) capital grants and contributions. Charges for services refer to direct recovery from customers for services rendered. Grants and contributions refer to revenues restricted for specific programs whose use may be restricted further to operational or capital items. The general revenues sections display revenues collected that help support all functions of the government.

CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

The fund financial statements follow and report additional and detailed information about the City's operations for major funds individually, and non-major funds in the aggregate for governmental, proprietary and fiduciary funds. A reconciliation is provided that converts the results of governmental fund accounting to the city-wide presentation.

D. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

City-wide financial statements, as well as the fund financial statements for proprietary funds and fiduciary funds, are reported using the economic resources measurement focus, and the accrual basis of accounting. Revenues are recognized in the period for which they are levied. When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, then unrestricted resources as needed.

Operating revenues shown for proprietary operations generally result from producing or providing goods and services such as electric, gas, communications, water, wastewater, stormwater and solid waste services. Operating expenses include all costs related to providing the service or product. These costs include salaries and benefits, supplies, travel, contract services, depreciation, administrative expenses, and/or other expenses directly related to the cost of services. All other revenue and expenses not meeting these definitions are reported as non-operating revenues and expenses.

All governmental fund financial statements are reported using a current financial resources measurement focus and a modified accrual basis of accounting. Under the modified accrual basis of accounting, revenues are recognized in the accounting period in which they become both measurable and available to finance expenditures of the current period. Available means collectible within the current period, or soon enough thereafter, to be used to pay liabilities of the current period. This period is within 180 days of the end of the fiscal year, and jointly assessed taxes collected through other governments, are within 60 days.

Property taxes, franchise taxes, investment earnings and most charges for services are recorded as earned since they are measurable and available. Licenses and permits, fines and forfeitures, and miscellaneous revenues are recorded as revenues when received in cash because they are generally not measurable until received.

A significant portion of the City's grants and contracts are exchange transactions. Funds from these transactions are deemed to be earned and reported as revenue when such funds have been expended towards the designated purpose and eligibility requirements have been met.

Expenditures are recorded when the related fund liability is incurred. Exceptions to this general rule include: (1) accumulated paid time off, which is not reported until they have been paid; (2) prepaid insurance and similar items, which are reported only on the balance sheet and do not affect expenditures; and (3) principal and interest on long-term debt, which are recognized when due. Budgets for governmental funds are also prepared on the modified accrual basis.

The City charges centralized services through the general fund and internal service funds to functional activities through various charge methods. Expenses reported for functional activities include these indirect expenses, including an administrative component.

The accounting policies and the presentation of the financial report of the City have been designed to conform to GAAP as applicable to government units, in accordance with the Governmental Accounting Standards Board (GASB).

CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

E. Major Governmental Funds

1. The **General Fund** is the government's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.
2. The **Community Redevelopment Agency Fund** includes the **Greater Leesburg Community Redevelopment Agency**, **Carver Heights/Montclair Area Community Redevelopment Agency**, and **U.S. Highway 441 & 27 Community Redevelopment Agency**. These are incremental tax districts established pursuant to Florida Statutes and accounted for in a special revenue fund. The fund accounts for the incremental increase in ad valorem tax revenue collected within the designated community redevelopment areas. Revenues must be utilized and expended in accordance with the respective community redevelopment plans.
3. The **Capital Projects Fund** accounts for financial resources used for the acquisition or construction of major capital facilities (other than those financed by proprietary funds and trust funds).

F. Major Enterprise Funds

1. The **Electric Utility Fund** accounts for the purchase and distribution of electric services.
2. The **Gas Utility Fund** accounts for the purchase and distribution of gas services.
3. The **Water Utility Fund** accounts for costs for collection, treatment, and distribution of water services.
4. The **Wastewater Utility Fund** accounts for costs to provide wastewater and sanitary sewer services.
5. The **Airport Fund** accounts for the costs associated with the management, construction, maintenance, protections, control, regulation, use, and enhancement of the City's International Airport.

G. Internal Service Funds

Internal Service Funds account for the financing of goods and services provided by one department to other departments of the governmental unit on a cost-reimbursement basis. The City maintains four internal service funds:

1. The **General Employees' Health Insurance Fund** accounts for maintaining the City's self-insured employee health insurance.
2. The **Workers' Compensation Insurance Fund** accounts for maintaining the City's workers compensation self-insurance fund.
3. The **Fleet Maintenance Fund** accounts for maintaining the purchases and services of the City's vehicles.
4. The **Risk Management Fund** accounts for maintaining the City's self-insured property and casualty policies.

H. Fiduciary Funds

Pension Trust Funds accounts for the activities of the firefighters' and police officers' pension funds, and the general employees' retirement fund, which accumulate resources for pension benefits and disability payments to qualified retirees.

CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

I. Encumbrances

Encumbrance accounting, under which purchase orders, contracts and other commitments for the expenditure of monies are recorded in order to reserve a portion of the applicable budget appropriation, is utilized by the governmental funds of the City. Encumbrances lapse at the year end.

J. Assets, Liabilities, Deferred Outflows/Inflows of Resources and Net Position/Fund Balance

1. **Cash and Investments** - The City's cash and cash equivalents include cash on hand, demand deposits, and equity in pooled cash and investments. The equity in pooled cash and investments represents a fund's share of a cash and investment pool maintained by the City for use by all funds, except the pension funds and funds with agreements that require separate bank accounts. State statutes require all deposits of the City, including demand deposit accounts, time deposit accounts and money market accounts be held in institutions designated by the Treasurer of the State of Florida as "qualified depositories" and accordingly, are covered by a collateral pool as required by the statute.

All investments are reported at fair value. For the purpose of the statement of cash flows, the City considers cash equivalents to be highly liquid investments (including restricted assets) with an original maturity of three months or less when purchased. Interest earned from investments purchased with pooled cash is allocated to each participating fund based on the fund's average equity balance, except, as required by City charter. Funds that incur negative equity in pooled cash and investments during the year incur a charge for interest. Funds used to account for federal and state grants may have negative equity in pooled cash and investments throughout the year due to the reimbursement basis of the grant programs. The positive equity funds absorb charges for interest to funds with net negative equity in pooled cash and investments.

2. **Receivables and Payables** - Activity between funds that are representative of lending/borrowing arrangements outstanding at the end of the fiscal year are referred to as either "due to/from other funds" (i.e., the current portion of interfund loans) or "advances to/from other funds" (i.e., the non-current portion of interfund loans).

Any residual balances outstanding between the governmental activities and business-type activities are reported in the city-wide financial statements as "internal balances."

Accounts receivable balances are shown net of the allowance for uncollectible accounts. The allowance amount in the enterprise funds is based on historical experience. In the governmental funds the allowance varies based on management estimates. Electric, gas, water and related wastewater charges to customers are based on actual consumption. Consumption is determined on a monthly cycle basis. The City recognizes as revenue the estimated unbilled consumption at fiscal year-end.

3. **Inventories and Prepaid Items** - Inventories of expendable supplies held for consumption are priced at the "first-in-first-out" method of accounting. Governmental fund type inventories are recorded using the consumption method. Reported inventories in governmental funds are included with nonspendable fund balance because they are not in spendable form. In proprietary fund types, inventories are expended when consumed. Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements. The costs of prepaid items are recorded as expenditures when consumed rather than when purchased.
4. **Capital Assets** - Capital assets, which include land, property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the applicable governmental or business-type activities columns in the city-wide financial statements.

**CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

Capital asset purchases are recorded as capital outlay expenditures in the fund level governmental funds in the year of acquisition. Property, plant, and equipment with initial, individual costs that equal or exceed \$5,000 with estimated useful lives of over one year are recorded as capital assets. Roads, bridges, and sidewalks are capitalized when their initial costs equal or exceed \$25,000 as long as they possess estimated useful lives of more than one year. Capital assets are recorded at historical cost or estimated historical cost. Donated capital assets are recorded at estimated fair value at the date of donation.

For intangible assets, the City maintains a \$100,000 threshold for related assets. The costs of normal maintenance and repairs that do not add to the fair value of the asset or materially extend the assets' lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of major business-type activities is included as part of the capitalized value of the assets constructed. During 2015 there was no capitalized interest.

Infrastructure, buildings, improvements other than buildings, utility plant, vehicles and equipment are depreciated using the straight-line method over the following estimated useful lives:

Buildings	10 - 50 Years
Improvements Other than Buildings	5 - 50 Years
Utility Plant	10 - 50 Years
Vehicles and Equipment	5 - 50 Years
Infrastructure	15 - 60 Years

Expenditures for repairs and maintenance are expensed when incurred. Additions, major renewals and replacements that increase the useful lives of the assets are capitalized.

- Deferred OutFlows/Inflows of Resources** - In addition to assets and liabilities, the statements of net position report a separate section for deferred outflows/inflows of resources. This separate financial statement element, deferred outflow of resources, represents a consumption of net position that applies to future period(s) and so will not be recognized as an outflow of resources until then. The City has two items that qualify for reporting in this category. 1) The deferred amounts on refunding reported in the city-wide and proprietary statements of net position. A deferred amount on refunding results from the difference in the carrying value of refunded debt and its reacquisition price, and is recognized as a component of interest expense in a systematic manner over the shorter of the life of the refunded or refunding debt. 2) The deferred amounts on pension obligations reported in the city-wide and proprietary statements of net position. A deferred amount on pension obligations results from expenses recognized over defined future periods.

The City's Statement of Net Position includes deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to future periods and so will not be recognized as an inflow of resources until then. The City's deferred inflows are pension related and can be found in the entity-wide and proprietary statements of net position. Deferred Inflows related to the City's pensions result from resources that will be available to reduce the City's pension expense but not until future periods.

- Contributions** - Contributions in the form of cash and capital assets to the governmental activities of the City are recognized on the Statement of Activities as revenues in the period they are received. Contributions of capital assets and primarily completed infrastructure from developers are recognized at the fair value at the date of donation. All contributions are reported on the Statement of Activities as program revenues, with operating contributions reported separately from capital contributions.

CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

7. **Interfund Activity** - Interfund activity within and among the City's three fund categories (governmental, proprietary, and fiduciary) are classified as reciprocal interfund activity and nonreciprocal interfund activity. Reciprocal interfund activity flows between funds with an expectation of repayment and is reported as interfund receivables and payables.

Reciprocal interfund activity flows without an expectation of repayment within a reasonable time and is reported as transfers between funds. Interfund services provided and used are sales and purchases of goods and services between funds for a price approximating their external value, and are reported as revenues and expenditures (or expenses) in the funds.

Non-reciprocal interfund activity is the flow of assets between funds without an equivalent flow of assets in return, or without a requirement for repayment. This is reported as transfers in governmental funds and non-operating revenues and expenses in proprietary funds.

As a rule, the effect of interfund activity has been eliminated from city-wide financial statements. Exceptions to this general rule are payments in lieu of taxes and other charges between the City's Water, Wastewater, Solid Waste, and General Funds, as well as cost reimbursement transactions between the enterprise funds and various other functions of the government. Inclusion of these charges would distort the direct costs and program revenues reported for the various functions concerned.

8. **Restricted Assets** - Assets are reported as restricted in the city-wide Statement of Position and the enterprise fund level statements when constraints are placed on asset use. The constraints are either: (1) externally imposed by creditors, grantors, contributors, or laws or regulations of other governments; or (2) imposed by law or through constitutional provisions or enabling legislation.
9. **Unearned Revenues** - Inflows that do not yet meet the criteria for revenue recognition, such as occupational licenses collected in advance, are recorded as unearned revenue in the city-wide and in the fund financial statements.
10. **Self-Insurance Claims** - Liabilities for reported claims and incurred but not reported claims are estimated based on an actuarial review of claims pending and historical experience.
11. **Compensated Absences** - Employees earn paid time off (PTO) that is commensurate with their years of service with the City. A maximum of 560 hours can be accumulated and used for vacation, sick, personal business, etc. Upon termination or retirement, employees are paid for a maximum of 360 hours of PTO time. This PTO program replaced separate vacation and sick time programs under which some employees still have time available.

In governmental and proprietary fund financial statements, the amount of compensated absences associated with employee vacations that are recorded as expenditures (expenses) represent the amounts paid during the year, plus the amount accrued at year-end that would normally be liquidated with available spendable resources. Only the amount of the compensated absence liability that has matured is reported in the governmental fund financial statements and the general fund is typically used to liquidate this liability. In the government-wide financial statements, all governmental fund compensated absences are recorded and split between the current and noncurrent portions. For proprietary funds, the entire liability for compensated absences of these funds is reflected in the respective financial statements split between the current and noncurrent portions.

CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

12. **Long-Term Obligations** - In the city-wide financial statements, and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities, business-type activities, or proprietary fund type statement of net position. Bond premiums and discounts are amortized over the life of the bonds. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed as incurred.

In the fund financial statements, governmental fund types recognize bond premiums and discounts, as well as bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

13. **Fund Balances** - Fund balance is divided into five classifications based primarily on the extent to which the City is bound to observe constraints imposed upon the use of the resources in the governmental funds. The classifications are as follows:

a. **Nonspendable** - The nonspendable fund balance category includes amounts that cannot be spent because they are not in spendable form, or are legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash. It also includes the long-term amount of interfund loans.

b. **Restricted** - Fund balance is reported as restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments, or are imposed by law through constitutional provisions or enabling legislation (City ordinances). Enabling legislation authorizes the City to assess, levy, charge, or otherwise mandate payment of resources (from external resource providers) and includes a legally enforceable requirement that those resources be used only for the specific purposes stipulated in the legislation. Legal enforceability means the City can be compelled by an external party such as citizens, public interest groups, or the judiciary to use resources created by enabling legislation only for the purposes specified by the legislation.

c. **Committed** - The committed fund balance classification includes amounts that can be used only for the specific purposes imposed by formal action (ordinance) of City Commission. Those committed amounts cannot be used for any other purpose unless City Commission removes or changes the specified use by taking the same type of action (ordinance) it employed to previously commit those amounts. In contrast to fund balance that is restricted by enabling legislation, committed fund balance classification may be redeployed for other purposes with appropriate due process.

Constraints imposed on the use of committed amounts are imposed by City Commission, and anything separate from these constraints is not considered to be legally enforceable. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.

d. **Assigned** - Amounts in the assigned fund balance classification are intended to be used by the City for specific purposes, but do not meet the criteria to be classified as restricted or committed. In governmental funds other than the general fund, assigned fund balance represents the remaining amount that is not restricted or committed. The City, for planning purposes, may assign fund balances for a specific purpose, such as setting aside funds for capital equipment replacement, emergency preparedness, and accrued benefit payouts to retired/terminated employees. Unlike commitments, assignments generally exist temporarily. Decisions with regard to these purposes and amounts will be determined by the City Commission by resolution and additional action by the City is essential to either remove or revise commitments.

CITY OF LEESBURG, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

- e. **Unassigned** - Fund balance is the residual classification for the general fund and includes all spendable amounts not contained in the other classifications. In the other governmental funds, the unassigned classification is used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

The City applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, or unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first, followed by assigned, and then by unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used. Unassigned fund balance may also include negative balances for any governmental fund if expenditures exceed amounts restricted, committed, or assigned for those specific purposes.

14. **Use of Estimates** - The preparation of financial statements in conformity with GAAP accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.
15. **Minimum Fund Balance Policy** - The General Fund reserve target is 20% of the fund's current year budgeted appropriations. For the purpose of determining if the target has been met, the unassigned fund balance of the general fund is then compared with the annual appropriations budget.

For other major funds designated as major funds within the City's CAFR, the City has established a range of 15-25% of operating expenditures, which are utilized for the purposes allowed by these various fund types. Fiduciary funds do not have fund balance targets.

16. **Electric Rate Stabilization** - The City purchases bulk power from the Florida Municipal Power Agency (FMPA) and resells it to the electric utility customers. The Bulk Power Cost Adjustment can vary significantly from month to month. The Electric Rate Stabilization is designed to smooth out the electric utility rates paid by the electric utility customers. This stabilization process serves to minimize variances in the purchased power component of the City's electric utility service charge by passing along a more stable cost over time, even though the actual costs incurred by the City can vary. When bulk power costs are higher than usual, previously collected funds are used to stabilize the cost passed along to electric utility consumers. The converse occurs when actual costs are less than the amount charged since the difference between the actual cost and that charged consumers is reserved for future application.
17. **Reclassifications** - Certain 2014 amounts have been reclassified to conform to the 2015 presentation.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

NOTE 2 -BUDGET AND BUDGETARY DATA

A. Budget Policy

The City, in accordance with its City code and State law, applies the following procedures in establishing the budgetary data reflected in the accompanying financial statements.

An annual operating budget is prepared by the Finance Department for the General, Special Revenue, Enterprise, Capital Improvements Projects and Debt Service Funds. The City Manager submits to the City Commission the proposed budget for the ensuing fiscal year.

The operating budget includes proposed expenditures and the means to fund them, as well as a proposed ad-valorem millage rate. Public hearings are conducted to obtain taxpayer comments on the proposed budget and ad-valorem millage rate. Prior to October 1, the City Commission legally enacts the operating budget and sets the ad-valorem millage rate by passage of an ordinance.

The City Manager is authorized to transfer budgeted amounts within any fund, but may not revise total fund expenditures without the approval of the City Commission. The budgetary data presented is in agreement with the originally adopted budget as amended by the City Commission.

Formal budgetary integration is employed as a management control device during the year for substantially all funds. Budgets are adopted on a basis consistent with GAAP. Total budgeted appropriations within a governmental fund-type may not be exceeded legally. Appropriations lapse at the end of the year. Budget data, when presented in the basic financial statements, is prepared on the same basis of accounting as that prescribed for the fund.

B. Excess of Expenditures Over Appropriations

The Gas Tax Fund, Police Education Fund, Affordable Housing Fund, and Police Forfeitures Fund contained excesses of expenditures over appropriations during the fiscal year ended September 30, 2015.

No other individual fund contained an excess of total expenditures over total appropriations during the fiscal year ended September 30, 2015, except insignificant variances. However, within various funds, there may be an excess of expenditures over appropriations at the line item level.

C. Deficit Fund Equity

The following individual funds show deficit equity balances at September 30, 2015, in the amounts shown below:

Fund	Type	Deficit
Capital Projects Fund	Major Governmental Fund	\$ 11,615
Fire Impact Fee Fund	Nonmajor Governmental Fund	\$ 26,834

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

NOTE 3 -PROPERTY TAXES

The City is permitted under its charter to levy up to \$10 per \$1,000 of assessed valuation for general government services other than the payment of principal and interest on general long-term debt and in unlimited amounts for the payment of principal and interest on long-term debt. Additional taxes assessed for the payment of general long-term debt issues of the City must be approved by the public. The tax rate assessed by the City for the year ended September 30, 2015 was \$4.3179 per \$1,000 of assessed property value. Current tax collections (inclusive of legally available early payment discounts) for the City were approximately 97.23% of the total tax levy. The property calendar provides for the tax revenue to be billed and collected within the applicable fiscal year.

Calendar of Property Tax Events

Tax Collection

January 1	Property taxes are based on assessed property value at this date as determined by the Lake County Property Appraiser
July 1	Assessment roll approved by the state.
September 30	Millage resolution approved by the City Commission.
October 1	Beginning of fiscal year for which taxes have been levied.
November 1	Property taxes due and payable.
November 30	Last day for 4% maximum discount.
April 1	Unpaid property taxes become delinquent.
May 15	Tax certificates are sold by the Lake County Tax Collector. This is the first lien date on the properties.

Property tax collections are governed by Chapter 197, Florida Statutes. The Lake County Tax Collector bills and collects all property taxes levied within the County. Discounts are allowed for early payment of 4% in November, 3% in December, 2% in January, and 1% in February. If property taxes are not paid by April 1, the County adds a 3% penalty on real estate, and 1.5% on personal property.

The Tax Collector advertises and sells tax certificates on all real property for delinquent taxes. Certificates not sold revert back to the County. The Tax Collector must receive payment before the certificates are issued. Any person owning land on which a tax certificate has been sold may redeem the land by paying the Tax Collector the face amount of the tax certificate plus interest and other costs. The owner of a tax certificate may at any time after taxes have been delinquent for two years, file an application for tax deed sale. The County, as a certificate owner, may exercise similar procedures two years after taxes have been delinquent. Tax deeds are issued to the highest bidder for the property which is sold at public auction.

The Tax Collector remits current taxes collected through four distributions to the City in the first two months of the tax year and at least one distribution each month thereafter. The City recognizes property tax revenue in the period in which they are levied.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

NOTE 4 -DEPOSITS AND INVESTMENTS

A. Pooling of Cash and Investments

The City maintains a cash and investment pool that is available for use by all funds except for monies legally restricted to separate administration (i.e., pension plan). The “Cash and Investments” on the City-Wide Financial Statements, consists of cash and investments owned by each fund and defined as resources that can be liquidated without delay or penalty. Cash and Investments held separately where contractual arrangements and bond covenants require such arrangements, are classified as “restricted assets”. Investment earnings are allocated to the individual funds monthly based on the fund’s weighted average daily cash balance.

Deposits and investments as of September 30, 2015, are classified in the accompanying financial statements as follows:

City-wide Cash and Investments

Statement of Net Position

Cash and Cash Equivalents	\$ 70,975,412
Restricted:	
Cash and Cash Equivalents	49,980,700
Investments	6,824,314

Statement of Fiduciary Net Position

Cash Equivalents	52,461
Investments	67,012,729

Total Cash and Investments	\$ 194,845,616
-----------------------------------	-----------------------

Deposits and investments consist of the following:

Governmental and Business-Type Activities

Cash Deposits	\$ 35,186,341
Investments	83,278,432
Investments with Fiscal Agent:	
Debt Service Fund	1,124,811
Utilities CR3 Decommissioning Trust	6,824,314
Utilities Debt Service Account	1,034,413
Utilities Gas Deposit Account	332,115

Fiduciary Fund Assets

Cash	52,461
Defined Benefit Pension Plan Investments	67,012,729

Total Cash and Investments	\$ 194,845,616
-----------------------------------	-----------------------

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

Primary Government Activities

1. Investments and Investment Practices

The City’s investment guidelines are defined by City Ordinance and a written investment policy that is approved by the City Commission. The investment policies authorize the investment of funds in time deposits or savings accounts of financial institutions approved by the State Treasurer, and obligations of the U.S. Government and its agencies and mutual funds. Investments may also include repurchase agreements and investments in local government investment pools, either state-administered or developed through joint powers statutes and other intergovernmental agreement legislation. Revenue bond covenants also restrict the type and maturities of investments in bond-related funds.

For the fiscal year ended September, 2015, the City invested in the Florida Surplus Asset Fund Trust (FLSAFE) and Florida Prime (FP) investment pools. The investment pools operate under investment guidelines established by Section 215.47, Florida Statutes. Neither the FLSAFE nor FP are registrants with the Securities and Exchange Commission; however, they have adopted operating procedures consistent with the requirements for a 2a-7-like fund and the fair value of the position in the pools is equal to the value of the pool shares. The City’s investment in the FLSAFE and FP were rated AAAM by Standard & Poor’s.

As of September, 2015, the City had the following investments and maturities:

2. Custodial Credit Risk

Investment Type	Fair Value	Investment Maturities (In Years)				
		Less Than 1 Year	Less Than 2 Years	Less Than 3 Years	Less Than 4 Years	Less Than 5 Years
Local Government Investment Pools	\$ 19,212,675	\$ 19,212,675	\$ -	\$ -	\$ -	\$ -
Bank Certificates of Deposit	20,362,903	14,241,259	6,121,645	-	-	-
U.S. Government and Agencies	25,149,005	4,038,407	10,723,328	9,383,101	1,004,168	-
Corporate Fixed Income	18,553,848	4,769,388	9,285,215	4,499,245	-	-
Total	\$ 83,278,432	\$ 42,261,729	\$ 26,130,188	\$ 13,882,346	\$ 1,004,168	\$ -

At September 30, 2015, the carrying amount of the City’s deposits was \$35,186,341. Monies on deposit with financial institutions in the form of demand deposit accounts, time deposit accounts and certificates of deposits are defined as public deposits. The entire City’s public deposits are held in qualified public depositories pursuant to State of Florida Statutes, Chapter 280, “Florida Security for Public Deposits Act”, and covered by federal depository insurance. This act requires that the City maintain deposits only in “qualified public depositories”. All qualified public depositories must deposit with the State Treasurer eligible collateral in such amounts as required by the Act. In addition, qualified public depositories are required under the Act to assume mutual responsibility against loss caused by the default or insolvency of other qualified public depositories of the same type. Should a default or insolvency occur, the State Treasurer would implement procedures for payment of losses according to the validated claims of the City.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

3. Interest Rate Risk

Interest rate risk is the risk that as market rates change, the fair value of an investment will vary. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in the market interest rates. The City's formal investment policy ensures that securities mature to meet operating cash requirements to avoid the need to sell on the open market prior to maturity. In addition, the policy calls for investing operating funds primarily in shorter-term securities, mutual funds or investment pools from which funds can be readily withdrawn without penalty and which limit the average maturity of the portfolio from 90 days to three years. Reserve funds and other funds with longer-term investment horizons may be invested in securities not exceeding five years. As of September 30, 2015 the City of Leesburg investments weighted average maturity in years was 2.16.

4. Credit Risk

The City's investment policy does not permit investments in commercial paper. Authorized investments are outlined in Florida Statute 218.415 and are generally limited to (a) the State of Florida Local Government Surplus Funds Trust Fund or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act of 1969, as provided in S. 163.01; (b) Securities and Exchange Commission registered money market funds with the highest credit quality rating; (c) interest-bearing time deposits or savings accounts in qualified public depositories, as defined in S. 280.02; and (d) direct obligations of the U.S. Treasury.

5. Concentration of Credit Risk

The City's investments are guaranteed by the U.S. Government or held in FLSAFE and FP investment pools.

B. Fiduciary Activities

The City reports three pension funds in the accompanying financial statements. Each of the plans has a separate governing board of trustees, a separate investment policy, and differing investment restrictions/risks. Consequently each is disclosed separately below. All three plans are defined benefit plans. All investments at year-end were in compliance with the respective plan investment policies.

1. Credit Rating – All Fiduciary Funds

Ratings as of September 30, 2015, for the fiduciary funds' corporate and agency obligations by Standard & Poor's follows:

Retirement Plan	Total	Rating				
		AAA	AA	A	BBB	N/R
Municipal Police Officers'	\$ 5,306,034	\$ 84,294	\$ 222,111	\$ 897,723	\$ 913,077	\$ 3,188,829
Municipal Firemen's	3,836,764	46,264	573,132	1,898,637	890,195	428,536
General Employees'	5,953,353	-	1,913,106	784,951	357,325	2,897,971
Totals	\$ 15,096,151	\$ 130,558	\$ 2,708,349	\$ 3,581,311	\$ 2,160,597	\$ 6,515,336

All of the City's investments in debt securities, other than the above described corporate and agency obligations are backed by the U.S. Government.

General Employees' Retirement Plan

City of Leesburg General Employees' Retirement Plan
Distribution by Asset Type
September 30, 2015

Investment Type	Investment Maturities (In Years)				
	Fair Value	Less Than 1 Year	1-5 Years	6-10 Years	More Than 10 Years
Money Market	\$ 696,602	\$ 696,602	\$ -	\$ -	-
U.S. Government and Agencies	4,620,467	-	3,362,780	1,257,686	-
Mutual Funds	2,251,412	2,251,412	-	-	-
Corporate Obligations	1,332,887	-	975,562	357,325	-
Total	8,901,368	\$ 2,948,014	\$ 4,338,342	\$ 1,615,011	\$ -
Corporate Stock	15,962,652				
Alternative Investments*	8,861,376				
Total	\$ 33,725,396				

*Alternative Investments include partnerships and hedge fund.

a. Custodial Credit Risk

This is the risk that in the event of the failure of the counterparty, the plan will not be able to recover the value of its investments that are in the possession of an outside party. Consistent with the plan's investment policy, the investments are held by the plan's custodial bank and registered plan's name.

b. Interest Rate Risk

Interest rate risk is the risk that as market rate change, the fair value of an investment will vary. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in the market interest rates. The plan does not have a policy related to limiting its exposure to fair value losses arising from rising interest rates. As of September 30, 2015 the City of Leesburg investments weighted average maturity in years was 3.95.

c. Credit Risk

Credit risk is the risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The risk is generally measured by the assignment of a rating by a nationally recognized statistical rating agency. Purchases of bonds or debt obligations are limited to one of the four highest ratings issued by Nationally Recognized Statistical Rating Organizations (NRSRO). The plan's investment policy utilizes portfolio diversification in order to control this risk.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

d. Concentration of Credit Risk

The investment policy of the Trust contains limitations on the amount that can be invested in any one issuer as well as maximum portfolio allocation percentages. Investments in corporate common stock and convertible bonds are limited to 60% of plan assets. No more than 10% of plan assets shall be invested in one company. Except for U.S. Government and agency obligations, no more than 10% of plan assets can be invested in one issuer. No investments exceeded these thresholds at September 30, 2015.

e. Foreign Currency

The City has nominal exposure to foreign currencies due to investments in non-U.S. markets implemented through our money managers' portfolios. Foreign currencies will fluctuate relative to the U.S. dollar, but is believed that the diversification benefits outweigh potential risks. Given the limited exposure, foreign currency risk is considered minor.

b. Interest Rate Risk

Interest rate risk is the risk that as market rate change, the fair value of an investment will vary. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in the market interest rates. The plan does not have a policy related to limiting its exposure to fair value losses arising from rising interest rates. As of September 30, 2015 the City of Leesburg investments weighted average maturity in years was 9.56.

c. Credit Risk

Credit risk is the risk that a security or a portfolio will lose some or all of its value due to a real or perceived change in the ability of the issuer to repay its debt. The risk is generally measured by the assignment of a rating by a nationally recognized statistical rating agency. The plan's investment policy requires that all bonds or other evidence of indebtedness acquired be listed on one or more of the recognized national exchanges and have a rating issued by a nationally recognized statistical rating organization (NRSRO) in one of the top four classifications, except that only 25% of the bond portfolio may be invested below the three highest classifications. The Plans' investment policy utilizes portfolio diversification in order to control this risk.

d. Concentration of Credit Risk

The investment policy of the Trust contains limitations on the amount that can be invested in any one issuer as well as maximum portfolio allocation percentages. Investments in corporate common stock and convertible bonds are limited to 60% of plan assets. No more than 5% of plan assets may be invested in one company. NOTE 5 -INTERFUND RECEIVABLES, PAYABLES, AND TRANSFERS

The composition of interfund balances as of September 30, 2015, is as follows:

a. Interfund Receivables and Payables

<u>Receivable Fund</u>	<u>Payable Fund</u>	<u>Amount</u>
General Fund	Community Redevelopment Agency Fund	\$ 317,192
General Fund	Nonmajor Governmental	26,834
Total		<u>\$ 344,026</u>

The purpose of the above interfund balances was to reduce the negative cash balances and fund construction projects. The Community Redevelopment Agency Fund is awaiting reimbursement for a Community Development Block Grant.

b. Interfund Transfers

	<u>Transfers In</u>	<u>Transfers Out</u>
Major Funds:		
Governmental		
General Fund	\$ 9,891,736	\$ 2,429,640
Community Redevelopment Agency	-	212,614
Capital Projects	1,537,049	-
Enterprise		
Electric Utility	-	6,478,195
Gas Utility	-	1,830,372
Water Utility	-	904,994
Wastewater Utility	-	813,072
Airport	450,000	-
Non-major Funds:		
Governmental		
	2,545,240	943,171
Enterprise		
	212,614	1,024,581
	<u>\$ 14,636,639</u>	<u>\$ 14,636,639</u>

Interfund transfers represent a major source of funding in the General Fund. The amount of utility contribution to the general fund may not exceed 10% of the enterprise fund's estimated operating revenues and is determined by applying an established percentage against each enterprise fund's charges for services excluding surcharge revenue, gross receipts tax, and franchise fees. In addition to the Annual Operating Transfer, surcharge revenue, which is collected from customers outside the corporate limits at the same rate as public service tax, is collected in the Electric, Gas, and Water Funds and transferred to the General Fund. Transfers into the Capital Projects Fund were associated with the following projects: facility/building improvements, and road resurfacing. Transfers made into the non-major governmental funds were associated with debt service payments.

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

NOTE 7 -ELECTRIC POWER AGREEMENTS

A. Florida Municipal Power Agency

The City is a member of the Florida Municipal Power Agency (FMPA). FMPA was created pursuant to Florida statutes Chapter 163, Part I and Chapter 361, Part II (The Florida Interlocal Cooperation Act of 1969 and The Joint Electric Power Supply Projects Act) to, among other things, provide a means for the Florida municipal corporations to cooperate with each other to provide for their present and projected energy needs. The City has limited oversight authority over the operation of FMPA. This oversight is manifested through the appointment of one voting member to the 31-member Board of Directors of FMPA and one voting member to the FMPA All-Requirements Project 13-member Executive Committee. Furthermore, the City, by the terms of FMPA's project agreements, has no equity interest in any of the assets owned by FMPA. The City participates in the following FMPA projects:

1. St. Lucie No. 2 Power Purchase Agreement

The City, through FMPA's joint ownership agreement with Florida Power and Light Corporation has an entitlement share to a small portion of the output of the St. Lucie No. 2 nuclear power plant. For the fiscal year ended 9/30/2015, the City's entitlement share totaled 14,966 megawatt hours of generating capacity from the St. Lucie No. 2 nuclear power plant. The annual entitlement shares amount is based on the City's percent participation in the St. Lucie FMPA Project applied to the output of the plant over the same period. The operating license for Unit No. 2 is due to expire in 2043.

2. All-Requirement Power Supply Project Agreement

The City has an agreement with FMPA whereby the City purchases all of its electric power from FMPA on an all-requirement basis over and above the City's entitlement share of the St. Lucie No. 2 output. The agreement remains in effect on an evergreen 30 year basis. FMPA's power supply rates are subject to a super majority vote of the Executive Committee of FMPA.

B. Crystal River Unit No. 3 Participation Agreement

The City of Leesburg, along with other municipalities and municipal electric utilities, owns a share in the Crystal River 3 Nuclear Power Plant ("CR3") in which Duke Energy Florida, Inc. ("Duke") is the primary owner. CR3 has reached the end of its useful life and has experienced structural and other issues, all of which has led to the decision to decommission the plant. The various owners of CR3 have negotiated an agreement which resolves existing and potential claims related to CR3 and the decommissioning process, and provides for Duke to assume all costs related to CR3 after a date certain. Duke will assume ownership of the plant and the owners will be absolved of any future liability.

D. Governmental Activity Liabilities

A summary of all governmental long-term debt as of September 30, 2015, follows:

1. Tax Increment Revenue Note Payable – 2008 (Carver Heights CRA)

On December 23, 2008, the City signed a note for the acquisition of lands for public purposes, rehabilitation of certain public facilities, under grounding of certain City owned utilities, improvements to public parks, sidewalks and lighting improvements within the Carver Heights Community Redevelopment Agency. The note matures on May 1, 2016, and is collateralized by a pledge of tax increment revenue. To the extent tax increment revenues are insufficient, sales tax revenues, guaranteed entitlement, and public service tax are also pledged, subordinate to the Series 2013 bonds.

2. Tax Increment Revenue Bonds, Series 2009

On October 12, 2009, the City issued U.S. Highway 441 & 27 CRA Tax Increment Revenue Bonds in the amount of \$14,605,000 pursuant to Resolution No. 10 adopted by the CRA and Resolution No. 8525 adopted by the City. Bond proceeds have been used to finance the costs of under grounding electric utility lines, relocation of the City owned electrical distribution and other utility lines, related improvements within the boundaries of the Agency and to retire the outstanding balance of the City of Leesburg, Florida Subordinate Capital Improvement Bond Anticipation Note, Series 2008. The bonds are secured by tax increment revenues and a covenant to budget and appropriate from legally available non-ad valorem revenues. The bond resolutions provide for debt service reserve accounts.

3. Magnolia Townhomes Note – 2009

On November 3, 2009, the City signed a note in the amount of \$4,500,000 to be used solely to refinance the City's outstanding Capital Improvement Bond Anticipation Note (BAN), Series 2006. The note is secured by a covenant to budget and appropriate from legally available non-ad valorem revenues.

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

4. Capital Improvement Revenue Refunding Note – 2009

On December 4, 2009, the City signed a promissory note in the amount of \$6,227,400 which was used to refund its Capital Improvement Revenue Bonds, Series 1999. Although the debt was refunded, the Debt Service Delivery Agreement for the Capital Improvement Bonds, 1999 continues in force until the Series 2009 is paid. The note is secured by a pledge of the proceeds of the local government half-cent sales tax, the guaranteed entitlement portion of state revenue sharing funds and a covenant to budget and appropriate from legally available non-ad valorem revenues.

5. Capital Improvement Revenue Refunding Bonds, Series 2013

On May 2, 2013, the City issued bonds in the amount of \$15,345,000 pursuant to Resolution No. 9182. The 2013 Bonds are a refunding of the Capital Improvement Bonds, 2004, are fully registered bonds and are collateralized by a pledge of the proceeds of the local government half-cent sales tax, the guaranteed entitlement portion of state revenue sharing funds, the public service tax and investment income earned on trust funds held for bond holder.

6. Greater Leesburg Community Redevelopment Agency Note – 2015

On January 12, 2015, the Agency authorized the issuance of its Redevelopment Revenue Note, Series 2015, pursuant to Resolution No. 31. Also on January 12, 2015 the City signed a loan agreement with Citizens First Bank in the amount of \$1,000,000 pursuant to Resolution No. 9533. The proceeds were used to finance the acquisition, construction and improvements of street improvements, undergrounding and replacement of all electric, water, wastewater, storm water and fiber optic relocation on Main Street from U.S. 27 to 9th Street, all within the Community Redevelopment Area of the Agency. The note is secured by Pledged Revenues of the Agency.

7. Compensated Absences

Compensated absences reported as governmental activities in the statement of net position are liquidated by the general fund and the building permits special revenue fund.

8. Capital Lease

During 2008, the City signed a lease-purchase agreement with Mine Safety Appliances Company. The lease, in the amount \$376,725, is being used to finance the purchase of breathing apparatuses for the Fire Rescue Department. The lease is to be paid within ten years at an imputed interest rate of 4.2% and will be paid in full in 2017. Two lease payments, \$45,020 and \$45,020, remain and are due on April 15, 2016 and April 15, 2017 respectively.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

E. Business-type Activity Liabilities

Following is a summary of all long-term liabilities of the proprietary funds at September, 2015:

1. Electric System Revenue Bonds, Series 2007A and 2007B

The City has issued \$11,265,000 and \$11,710,000, respectively, in Electric System Revenue Bonds, Series 2007A and Taxable Series 2007B. Both issues are fully registered. The bonds are payable solely from the net revenues of the Electric System on parity with the City's outstanding Electric System Revenue Note, Series 2013. The Series 2007 bonds are subject to early redemption prior to maturity. The bond resolutions provide for a sinking fund.

2. Electric System Refunding Revenue Note – 2013

On June 10, 2013, the City issued a note in the amount of \$9,000,000 pursuant to Resolution No. 9199. Proceeds from the Note were used to refinance the 2010 Electric Utility Revenue Note, a line of credit used to fund the purchase of the City's \$20 million Smart Grid Project. The 2013 Electric System Refunding Revenue Note is payable from and secured solely by net revenues of the City's electric system on parity with the City's outstanding Electric System Revenue Bonds, Series 2007A and Series 2007B and Note, Series 2014. The note is a 20 year obligation with interest at 3.04%.

3. Electric System Refunding Revenue Note – 2014

On March 18, 2014, the City issued a note in the amount of \$14,553,000 pursuant to Resolution No. 9366. Proceeds from the note were used to refund the Electric System Revenue Bonds—2004 and to pay costs of issuing the note. The note is payable from and secured solely by net revenues of the City's electric system on parity with the City's outstanding Electric System Revenue Bonds, Series 2007A and Series 2007B, as well as, the Electric System Refunding Revenue Note, Series 2013. The note is a 20.5 year obligation with interest at 3.85%.

The outstanding principal of the 2004 Electric System Revenue Bonds was \$14,575,000 at the time of the refunding. The refunding was undertaken to reduce the total debt service payments over the remaining life of the 2004 Electric System Revenue Bonds (20.5 years at the time of refunding) by \$984,253 and resulted in an economic gain of \$243,337.

4. Crystal River III Nuclear Decommission Costs Payable

The City is responsible for its share of the future costs to decommission the Crystal River III Nuclear Generating Unit.

5. Crystal River III Nuclear Decommissioning Trust Fund

Federal law requires that an external trust fund be created to accumulate amounts to pay for future plant decommissioning costs. The City contributes to a common trust fund, maintained by Florida Municipal Power Agency (FMPA), for all its members that own a portion of the Crystal River III Nuclear Generating Unit. As of September 30, 2015, the City has a balance in the trust fund of \$6,946,584.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

6. Utility System Revenue Bonds, Series 2007A and 2007B

The City has issued \$22,425,000 and \$1,070,000, respectively, in Utility System Revenue Bonds, Series 2007A and Taxable Series 2007B. Both issues are fully registered. Bonds are payable solely from the net revenues of the gas, water, and wastewater systems on parity with the City's outstanding Utility System Revenue Bonds, Series 2013. The Series 2007 bonds are subject to early redemption prior to maturity. The bond resolutions provide for a sinking fund.

7. Utility System Revenue Refunding Note – 2010

On July 8, 2010, the City issued an \$8,000,000 note to be used solely to refinance the City's Bond Anticipation Note (BAN), 2006. The original BAN was used to acquire a water and wastewater utility system from the Plantation of Leesburg Limited Partnership. The note is payable solely from the net revenues of the gas, water, and wastewater systems on parity with the City's outstanding Utility System Revenue Bonds, Series 2007A, Series 2007B, and Series 2013.

8. Utility System Revenue Bonds, Series 2013

On April 30, 2013, the City issued bonds in the amount of \$21,010,000 pursuant to Resolution No. 9184. Proceeds from the Bonds are used to refund the Utility System Revenue Bonds – 2004. The Bonds are fully registered bonds and are collateralized by a pledge of the net gas, water, and wastewater system revenues. Bond ordinances provide for a current sinking fund and the bonds are callable at various dates at 100% of face value.

9. Defeased Debt

Defeased debt of the City that remains publicly traded is as follows:

Utility System Refunding Revenue Bonds, Series 1999 A/B	\$17,335,000
---	--------------

10. Capital Improvement Revenue Refunding Note – 2009

On October 2, 2009, the City signed a note in the amount of \$1,005,000 used solely to refinance the note payable to FMPA. The note is secured by the Communications Enterprise revenues.

11. Estimated Landfill Closure and Postclosure Care Costs

The City closed its present landfill site on September 1, 1995, at a total cost of \$3,326,000. The cost of the closure was financed by user fees over the useful life of the landfill. As required by state law, the City is now performing postclosure monitoring activities.

Balance, September 30, 2014	\$	249,107
Adjustment of Estimate		(16,440)
Total Annual Costs Paid		(43,221)
Balance, September 30, 2015		189,446
Current Maturities		(63,149)
Total Long-Term Portion	\$	126,297

In 1994, the City implemented GASB Statement No. 18 entitled *Accounting for Municipal Solid Waste Landfill Closure and Post-closure Care Costs*. This statement requires accounting recognition be given to all estimated closure and post-closure care costs during the operating life of the landfill.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

The \$189,446 liability recorded represents the estimated costs of post-closure care for four years after closure as required by state and federal laws and regulations. This amount was calculated by the City's consulting engineer. The actual costs may be higher due to inflation, changes in technology, or changes in regulations.

The City is required to deposit adequate funds into an escrow account before year-end to meet postclosure care costs for the following year. During the year ended September, 1992, the City established an escrow sub-account within the City's pooled cash system for this purpose. The following is a schedule of the transactions in this account during fiscal year 2015:

Balance, September 30, 2014	\$	89,875
Investment Income (Loss)		623
Balance, September 30, 2015	\$	90,498

Escrow funds in the amount of \$90,498 remain on deposit with SunTrust Bank. The above schedule was prepared in accordance with the requirements of Rule 62, 701.630 of the Florida Administrative Code.

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

F. Pledged Revenues

The City has pledged certain revenues to repay certain bonds and notes outstanding as of September 30, 2015. The following table reports the revenues pledged for each debt issue, the amounts of such revenues received in the current year, the current year principal and interest paid on the debt, the approximate percentage of each revenue which is pledged to meet the debt obligation, the date through which the revenue is pledged under the debt agreement, and the total pledged future revenues for each debt, which is the amount of the remaining principal and interest on the bonds and notes at September 30, 2015:

Debt Description	Governmental							Debt Service Payments Until	Pledged Through

Total pledged revenues used for fiscal year 2015 debt service	1,162,792	309,234	452,622	979,560	6,224	181,395	-		
Fiscal year 2015 pledged revenues used as a percentage of revenues available	100.00%	100.00%	13.30%	100.00%	1.78%	100.00%	0.00%		

¹Gross Sales Tax Revenues are defined pursuant to Resolution 5725 adopted August 12, 1999, as the proceeds of the local government half-cent sales tax as described in Title XIV, Chapter 218, Part VI Florida Statutes.

²Guaranteed Entitlement - State Revenue Sharing is the portion of state revenue sharing funds available to the City that are assigned, pledged, or set aside as a trust for the payment of principal or interest on the bonds pursuant to Title XIV, Chapter 218, Part II, Florida Statutes.

³Public Service Tax is levied and collected pursuant to Section 166.231, Florida Statutes. A municipality may levy a tax on the purchase of electricity, metered natural gas, liquefied petroleum gas and water service not to exceed ten percent (10%) of the payments received by the seller.

⁴Gas Utility Fund Special Transfer - the debt service payment of \$966,820 is covered by this special transfer.

⁵Tax Increment Revenues of the Community Redevelopment Agencies for the Carver Heights/Montclair Avenue Area and the U.S. Highway 441 & 27 Area are the generally applicable taxes attributable to increases in assessed values within the redevelopment areas of the respective Agencies.

⁶Due to the downturn in property values, the Carver Heights/Montclair CRA revenues were not sufficient to cover the debt service. However, the fund balance for the CRA was able to cover the deficiency.

⁷Due to the downturn in property values, the US Highway 441 & 27 CRA debt service payment is being paid from the bond proceeds in accordance with bond covenants.

⁸In fiscal year 2015 the accounting method was changed from accruing interest for governmental debt to recording the payment when made. This resulted in only one interest payment recorded in 2015.

FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

NOTE 9 – CONDUIT DEBT

The City issued conduit debt to provide financial assistance to private-sector entities for the acquisition and construction of hospital facilities deemed to be in the public interest. Conduit debt refers to certain limited-obligation revenue bonds or similar debt instruments issued by the City for the express purpose of providing capital financing for a specific nongovernmental third party. Although conduit debt bears the name of the City as issuer, it is collateralized by the resources provided by the loan with the third party on whose behalf they are issued. The City acts solely as a conduit issuer with respect to the debt.

Conduit debt is collateralized by the property financed and is payable solely from payments received on the underlying mortgage loans. Upon repayment of the bonds, ownership of the acquired facilities transfers to the private-sector entity servicing the bond issue. None of the assets or revenues of the City are pledged to the payment of the bonds and under the constitution and laws of Florida, the City may not legally pledge any of its revenues or assets to the payment thereof. Neither the City, the state, nor any political subdivision thereof is obligated in any manner for repayment of the bonds. Accordingly, the bonds are not reported as liabilities in the accompanying financial statements.

As of September 30, 2015, the City had an aggregate principal amount of hospital revenue refunding bonds of approximately \$183,693,000. The amount of bonds outstanding for Leesburg Regional Medical Center was \$7,168,000. The amount of bonds outstanding for The Villages Tri-County Medical Center was \$78,995,000. The amount of bonds outstanding for Leesburg Regional Medical Center and The Villages Tri-County Medical Center as a combined entity was \$97,530,000.

NOTE 10 – ARBITRAGE REBATE

In accordance with the Tax Reform Act of 1986, any interest earnings on borrowed construction funds in excess of the interest costs are required to be rebated to the federal government.

There is no arbitrage rebate liability as of September 30, 2015.

NOTE 11– OPERATING LEASES

The City is lessor on various leases of facilities located at the Leesburg Regional Airport and other leases for property owned by the City. Estimated amounts for leased assets are: cost \$10,642,976 and accumulated depreciation \$2,002,853. The following is a schedule of minimum future lease income on non-cancelable operating leases:

Fiscal Year	Amount
2016	\$ 446,583
2017	420,688
2018	375,978
2019	375,016
2020	327,394
2021-2025	1,183,904
2026-2030	274,907
Total Minimum Lease Payments	\$ 3,404,470

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

NOTE 12– DEFINED BENEFIT PENSION PLANS (PLAN)

A. Plan Descriptions and Contribution Information

The City maintains three separate single-employer pension plans, a supplemental one for police officers, one for firemen, and a general employees' retirement plan that covers substantially all other full-time City employees including police officers. These plans are maintained as pension trust funds and included as part of the City's reporting entity. City ordinance and state law requires contributions to be determined by actuarial studies. The City Commission has the authority to establish and amend the benefit provisions of the plans. Administrative costs are financed through contributions and investment earnings.

B. Basis of Accounting

The plans financial statements are prepared using the accrual basis of accounting. Plan member contributions are recognized in the period in which the contributions are recorded with the custodian. Benefits and refunds are recognized when due and payable in accordance with the terms of each Plan.

C. Methods Used to Value Investments

Investments are reported at fair value. Securities traded on a national or international exchange are valued at the last reported sales price at current exchange rates. Investments that do not have an established market are reported at estimated fair value.

For financial statement purposes, plan assets are valued at market value for the General Employees', Municipal Police Officers' and Municipal Firemens' plans, as reported within the annual trustee statements. Because the plans do not issue stand-alone GAAP financial reports, the following individual financial reports are presented for each of the plans:

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

All three plans provide retirement, disability, and death benefits to plan members and their beneficiaries as described below:

1. General Employees' Retirement Plan (GERP)

The General Employees' Retirement Plan was frozen as of September 30, 2008. City contributions to the plan will continue until such time as the pension obligation is fully funded. Effective October 1, 2008, active plan members no longer accrue benefits under this plan. The plan is a 100% employer contributory defined benefit plan and covers all full time employees except firemen. Participants who have completed five years of credited service are fully vested in the plan.

Plan Administration – The plan is administered by a Board of Trustees comprised of: 1 City of Leesburg resident appointed by Commission, City Manager (or designee), Human Resources Director, one other department head appointed by the City Manager, 2 Members of the plan who are not certified police officers and one member of the plan who is a certified police officer.

Benefits Provided – The plan provides retirement, termination, disability and death benefits.

Normal Retirement – The attainment of age 65 with 5 years of credited service.

Benefits Provided – 2.0% of average compensation times credited service prior to October 1, 2008, with a maximum of 45 years of credited service.

Early Retirement– Attainment of age 50 with 15 years of credited service.

Benefit – Accrued benefit on early retirement date, reduced 3.33% for each year that early retirement precedes age 65.

Disability – Eligibility 10 years of credited service. Prior to early retirement date, the benefit payable is the lesser of 50% of the average final compensation or \$1,500. At normal retirement date, the benefit payable is 2% times average final compensation times year and months of credited service as if employment had continued from date of disability to normal retirement date.

Death benefit – The greater of (i) or (ii), where (i) is equal to the single-sum value, as of the date of the participant's death, of the deferred monthly retirement income commencing at normal retirement date that the disabled participant would have accrued to the date of termination of service due to disability, and (ii) is the smaller of (a) 18 times average final compensation at the date of termination due to disability and (b) 100 times the participant's anticipated monthly retirement income at normal retirement.

Contributions – Remaining amount required in order to pay current costs and amortize unfunded past service cost, if any, as provided in Chapter 112, Florida Statutes.

Termination of employment – Vesting Schedule: Less than 5 years zero percent vested; five or more years 100% vested.

Cost of living adjustment – Retirees (other than vested terminated members) and their beneficiaries receive a 2.00% increase in benefits each year October 1st commencing 3 years after their otherwise Normal Retirement Date.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

Early Retirement Window (July 1, 2014 to September 30, 2014) – Eligibility: Age 50 with 20 years of service by September 30, 2014 who elected to retire by September 30, 2014. Benefit: accrued benefit on Early Retirement Date, reduced based on the following schedule for each year that Early Retirement precedes Age 65.

Years of Credited Service at Retirement	Reduction Factor
35 or More	0.0%
30 to 35	0.5%
25 to 30	1.5%
20 to 25	2.0%

Deferred Retirement Option Program (DROP) - Eligibility: Satisfaction of normal retirement requirements.

Participation: Not to exceed 60 months.

Rate of Return: (1) Actual net rate of investment return (total return net of brokerage commissions, transaction costs, and management fees) or (2) 6.5% per annum compounded quarterly.

The DROP balance as of September 30, 2015 is \$0.

2. Municipal Police Officers’ Retirement Plan (MPRP)

The plan covers sworn police officers (other Police Department employees are covered in the GERP). Employees contribute 7.65% of their reportable W-2 compensation, less Christmas bonuses, but including lump sum payment of accrued sick leave, accrued annual leave, or accrued compensatory leave, plus all tax deferred (IRC Section 414(h) (2) and IRC Section 457 contributions) and tax exempt (IRC Section 125) items of income. Effective January 22, 2013, Salary shall not include more than 300 hours of overtime per year. The State of Florida collects and remits a 1% excise tax on gross premiums from casualty insurance policies covering property within the corporate limits to the fund pursuant to the provisions of Chapter 185, Florida Statutes.

Plan Administration – The plan is administered by a Board of Trustees comprised of: two City residents appointed by the City Commission, two police officers elected by a majority of police officers and a fifth member elected by the Board and appointed by the City Commission.

Benefits Provided– The plan provides retirement, termination, disability and death benefits.

Normal Retirement– Earlier of 1) age 52 (Age 50 for Members eligible for Normal Retirement as of October 31, 2015 under the prior provisions) and the completion of 25 years of credited service, or 2) age 55 and the completion of 10 years of credited service.

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

Benefits Provided– 3.00% of Average final compensation times credited service prior to May 27, 2003; 2.00% for each year between May 27, 2003, and September 30, 2009; and 2.5% for each year of Credited Service between October 1, 2009 and September 30, 2015; and 3.00% for each year of Credited Service thereafter.

Early Retirement– Age 50 (age 45 for members who will be eligible for early retirement as of October 1, 2015, under the prior provisions) and completion of 10 years of credited service.
Benefit– Accrued benefit, reduced 3.0% per year.

Disability– Total and permanent; medical proof required. 10 years of credited service required for non-service incurred disability benefit.

Benefit– Service connected: greater of accrued benefit or 50% of average final compensation.
Non-service connected: greater of accrued benefit or 25% of average final compensation.

Death benefit– Service connected: Beneficiary receives a monthly benefit which can be provided by the greater of: 1) present value of member's accrued benefit, or 2) lesser of 24 times the member's average final compensation, or 100 times the member's anticipated normal retirement benefit.

Contributions- Employee: 7.65% of basic compensation; remaining amount required in order to pay current costs and amortize unfunded past service cost, if any, as provided in Chapter 112, Florida Statutes.

Deferred Retirement Option Program (DROP)- Eligibility: Satisfaction of Normal Retirement requirements.

Participation: Not to exceed 60 months.

Rate of Return: Actual net rate of investment return (total return net of brokerage commissions, transaction costs, and management fees) .

The DROP balance as September 30, 2015 is \$147,712.

3. Municipal Firemen's Retirement Plan (MFRP)

The plan covers firefighters who have completed one year of employment. Firemen contribute 6.5% of their annual compensation to the Plan. The State of Florida collects and remits a 1% excise tax on gross premiums from fire insurance covering property within the corporate limits to the fund pursuant to the provisions of Chapter 175, Florida Statutes.

Plan Administration – The plan is administered by a Board of Trustees comprised of: Two city appointees, two members of the Department elected by the membership, and a member elected by other 4 and appointed by the City Commission

Benefits Provided– The plan provides retirement, termination, disability and death benefits.

Normal Retirement– Earlier of 1) age 52 and the completion of 25 years of credited service, or 2) age 55 and the completion of ten years of credited service.

Benefits Provided– 3.00% of average monthly earnings times credited service.

Early Retirement– Age 50 and 10 years of credited service.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

Benefit– Accrued benefit, reduced 3.0% for each year prior to normal retirement date.

Disability– Total and permanent as determined by Board of Trustees, and for at least a period of 5 months if not service incurred. Not-line-of-duty benefit amount: Less than 10 Years: The monthly income which can be provided by the greater of (A) or (B), where: (A) is the actuarial present value of the accrued benefit at date of disability, and (B) is two times the Basic Compensation paid in the calendar year preceding date of disability, but no greater than the actuarial present value of 60% of the Member’s Anticipated Monthly Retirement Income at Normal Retirement Date. More than 10 Years: The monthly income which is the greater of (A) or (B), where: (A) is the monthly income which can be provided by the actuarial present value of the accrued benefit at date of disability, and (B) is 30% (.3) of the Participant’s Basic Compensation paid in the calendar year preceding date of disability, but no greater than the actuarial present value of 100% of the Member’s Anticipated Monthly Retirement Income at Normal Retirement Date.

Line-of-Duty Benefit Amount: A monthly income equal to 50% of the Basic Compensation paid in the calendar year preceding the date of disability. This amount is limited to the actuarial present value of the Member’s Anticipated Monthly Retirement Income at Normal Retirement Date.

Death benefit– The monthly income, payable to designated Beneficiary for 10 years certain and life thereafter, which can be provided by the greater of (A) or (B), where: (A) is the actuarial present value of the accrued benefit at date of death, and (B) is two times the Basic Compensation paid in the calendar year preceding the date of death, but no greater than the actuarial present value of the Member’s Anticipated Monthly Retirement Income at Normal Retirement Date.

Contributions- Employee: 6.5% of basic compensation; remaining amount required in order to pay current costs and amortize unfunded past service cost, if any, as provided in Chapter 112, Florida Statutes.

D. Membership

Membership of each Plan consisted of the following:

Date of Actuarial Valuation:	10/01/15 GERP	10/01/15 MPRP	10/01/15 MFRP
Retirees and Beneficiaries Receiving Benefits	225	31	25
Terminated Plan Members Entitled to But Not Yet Receiving Benefits	221	10	2
Active Plan Members	221	65	52
Total	667	106	79

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

E. Investment Policy

The following was the Board's adopted asset allocation policy as of September 30, 2015:

Asset Class	GERP	MPRP	MFRP
	Target Allocation	Target Allocation	Target Allocation
Domestic Equity	50%	45%	35%
International Equity	10%	15%	15%
Broad Market Fixed Income	0%	20%	0%
Global Fixed Income	20%	5%	0%
TIPS	0%	5%	3%
Bonds	0%	0%	22%
Convertibles	0%	0%	10%
Real Estate	10%	10%	7%
Hedge Funds	10%	0%	0%
REITS	0%	0%	3%
MLPs	0%	0%	5%
Total	100%	100%	100%

F. Concentrations

The three pension plans did not hold investments in any one organization that represent five percent or more of the pension plan's fiduciary net position.

G. Rate of Return

GERP– For the year ended September 30, 2015 the annual money-weighted rate of return on Pension Plan investments, net of pension plan investment expense, was 1.47 percent.

MPRP – For the year ended September 30, 2015 the annual money-weighted rate of return on Pension Plan investments, net of pension plan investment expense, was (1.21) percent.

MFRP – For the year ended September 30, 2015 the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was (1.45) percent.

The money-weighted rate of return expresses investment performance net of investment expense, adjusted for the changing amounts actually invested.

H. Net Pension Liability of Sponsor

The components of the net pension liability of the sponsor of September 30, 2015 were as follows:

	GERP	MPRP	MFRP
Total Pension Liability	\$ 38,963,325	\$ 17,840,214	\$ 20,324,301
Plan Fiduciary Net Position	(33,820,101)	(17,092,313)	(16,241,906)
Sponsor's Net Pension Liability	\$ 5,143,224	\$ 747,901	\$ 4,082,395
Plan Fiduciary Net Position as a Percentage of Total Pension Liability	86.80%	95.81%	79.91%

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

Actuarial Assumptions:

The measurement date is September 30, 2015 for all three pension plans. The measurement period for the pension expense was October 1, 2014 to September 30, 2015. The reporting period is October 1, 2014 through September 30, 2015.

The total pension liability for all plans was determined by an actuarial valuation as of October 1, 2014 updated to September 30, 2015 using the following actuarial assumption applied to all measurement periods.

	<u>GERP</u>	<u>MPRP</u>	<u>MFRP</u>
Inflation	2.00%	3.00%	3.00%
Salary Increases	-	5%	4%-6%
Discount Rate	7.50%	8%	7.50%
Investment Rate of Return	7.50%	8%	7.50%

Mortality rates for the General Employee's Fund was based on the RP-2000, projected to valuation date using scale AA.

Mortality rates for the Police Officers' Fund was based on the RP-2000 Table with no projection - Based on a study of over 650 public safety funds, the table reflects a 1-% margin for future mortality improvements. Mortality rates for the Fire Fund was based on the RP-2000, combined healthy. Based on a study of over 650 public safety funds, this table reflects a 10% margin for future mortality improvements.

For the General Employees' Fund, actuarial assumptions used in the October 1, 2014 valuation were based on the results of an actuarial experience study for the period 1999-2006. The actuarial assumptions used for Firemens' Funds were based on the results of an actuarial experience study for the period 1998-2013. The acturial assumptions used for Police Officers' Funds were based on the results of an actuarial experience study for the period 1988-2009.

I. Long Term Expected Rate of Return—All Plans

The long-term expected rate of return on all pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plan's target asset allocation as of September 30, 2015 are summarized in the following table:

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

Asset Class	GERP	MPRP	MFRP
	Long Term Expected Real Rate of Return	Long Term Expected Real Rate of Return	Long Term Expected Real Rate of Return
Domestic Equity	7.71%	7.50%	8.00%
International Equity	7.72%	8.50%	3.00%
Broad Market Fixed Income	-	2.50%	-
Global Fixed Income	2.32%	3.50%	-
TIPS	-	2.50%	3.10%
Bonds	-	-	4.40%
Convertibles	-	-	6.40%
Real Estate	5.09%	4.50%	4.60%
Hedge Funds	2.87%	-	-
REITS	-	-	7.00%
MLPs	-	-	10.40%

J. Discount Rate

The discount rate used to measure the total General Employees' and Firemens' pension liability was 7.50 percent. The discount rate used to measure the total Police Officers' pension liability was 7.75 percent.

The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and the sponsor contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payment to determine the total pension liability.

Thereafter	-	-	(38,155)

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

NOTE 13-DEFINED CONTRIBUTION PENSION PLAN

Effective October 1, 2008, general employees of the City participate in the 401(a) Defined Contribution Pension Plan administered by the ICMA Retirement Corporation Governmental Money Purchase Plan and Trust. The Plan was authorized by City Commission Resolution. All current employees are fully vested in any contributions authorized by the City Commission. New employees become fully vested over a four-year period. For the year ended September 30, 2015, the City Commission approved a contribution rate of 5% of compensation. Total contributions amounted to \$673,202 or 100% of the amount authorized.

Employees may not contribute to the Plan. Investments in Plan assets are directed by individual employees.

NOTE 14- OTHER POSTEMPLOYMENT BENEFITS (OPEB)

In accordance with Chapter 112.0801, Florida Statutes, the City allows retirees the option of continuing to participate in the City's group health insurance coverage at a premium cost of no more than the premium cost applicable to active employees. The City provides postretirement health care benefits, in accordance with City ordinance, to all employees who retire from the City with at least fifteen years of continuous service. Benefit provisions for the Plan are established by the City Commission and may be amended by the City Commission. Employees retiring before age fifty-five may remain in the City's plan and pay all premium costs. Employees who retire between the ages of fifty-five and fifty-eight and continue health coverage will become eligible for employer subsidized premiums at age fifty-eight. Employees retiring on or after attaining age fifty-eight with at least fifteen years of service remain in the plan with all employee premiums paid by the City up to a maximum of \$400; if the cost to the City for health insurance coverage on the retired employee exceeds \$400 a month, the retiree will bear the cost over and above \$400. This explicit City subsidy is available only for retiree coverage and is not available in whole or in part as an explicit subsidy for spouse or dependent coverage. The plan does not issue a publically available financial report.

Currently, the City's OPEB benefits are unfunded. That is, there is no separate Trust Fund or equivalent arrangement into which the City would make contributions to advance-fund the obligation. Therefore, the ultimate subsidies which are provided over time are financed directly by general assets of the City. The City had an Actuarial Valuation for OPEB to measure the current year's subsidies, project these subsidies for decades into the future, and make an allocation of that cost to different years. Membership of each plan consisted of the following:

Date of Actuarial Valuation:	10/01/2014
Retirees and Beneficiaries Receiving Benefits	155
Active Plan Members	361
Total	<u>516</u>

A. Annual OPEB Costs and Net OPEB Obligation

The Annual OPEB Cost is the amount that was expensed for the fiscal year. Since the City's OPEB plan is currently unfunded, the offset to that expense comes from subsidies paid on behalf of the current retirees and their dependents for the current year. This offset is called the Employer Contribution, and equals the total age-adjusted premiums paid by the City for coverage for the retirees and their dependents for the year (net of the retiree's own payments for the year).

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

The cumulative difference between the Annual OPEB Cost for the year and the Employer Contribution for the year is called the Net OPEB Obligation. The Net OPEB Obligation is reflected as a liability in the statement of net position.

The following table shows the components of the City's Annual OPEB Cost for the year and the Net OPEB Obligation:

Annual Required Contribution (ARC)	\$ 2,578,652
Interest on Net OPEB Obligation (NOO)	489,807
Adjustment to ARC	(764,334)
Annual OPEB Cost	<u>2,304,125</u>
Employer Contributions Made	<u>(1,217,416)</u>
Increase(Decrease) in NOO	1,086,709
Net OPEB Obligation, Beginning of Year	<u>12,245,168</u>
Net OPEB Obligation, End of Year	<u><u>\$ 13,331,877</u></u>

The Annual OPEB Cost per covered employee is \$4,000 or approximately 12.7% of expected payroll. The City's plan is a single-employer plan with no separately issued audited financials.

B. Schedule of Employer Contributions

Fiscal Year Ended	Annual OPEB Cost	Percentage of Annual OPEB Cost Contributed	Net OPEB Obligation
9/30/2015	\$ 2,304,125	52.8%	\$ 13,331,877
9/30/2014	1,883,628	52.3%	12,245,168
9/30/2013	1,853,015	49.4%	11,347,176

C. Actuarial Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive Plan (the Plan as understood by the employer and the Plan members) and include the types of benefits provided at the time of the valuation and the historical pattern of sharing of benefit costs between the employer and Plan members. The actuarial methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

D. Funded Status and Funding Progress

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions of future employment, mortality, and the health care cost trend. Amounts determined regarding the funding status of a plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

**CITY OF LEESBURG , FLORIDA
 NOTES TO THE FINANCIAL STATEMENTS
 FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

Following is a schedule of funding progress:

Actuarial Valuation Date	Actuarial Value of Assets	Actuarial Accrued Liability	Unfunded (Overfunded) Accrued Liability (UAAL)	Funded Ratio	Annual Covered Payroll	UAAL as a Percentage of Payroll
10/1/2014	\$ -	\$ 27,749,667	\$ 27,749,667	0.0%	\$ 21,150,249	131.5%

This information is helpful in determining whether the actuarial value of plan assets is increasing or decreasing relative to the actuarial accrued liability for benefits over time.

The following table summarizes the actuarial methods and assumptions as of the latest actuarial valuation date:

Valuation Date	October 1, 2014
Actuarial Cost Method	Entry Age Normal
Amortization Method	Level Percentage, Closed
Remaining Amortization Period	23 Years
Asset Valuation Method	Market Value
Actuarial Assumptions:	
Investment Return	4.0%
Rate of Inflation	3.0%
Payroll Growth - All Employees	0.0%
Health Care Inflation	8.0%
	(decreasing 0.75% each year until the ultimate of 4.5% in Fiscal Year 2020)

CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015

NOTE 15- SELF-INSURANCE FUND

A. Employee Health Insurance Fund

The City maintains a self-insurance program for the payment of employee health and medical claims. The program provides for the payment of City and employee contributions into a self-insurance fund, which is managed by the City. The City self-funds individual employee claims up to \$85,000 and total annual claim payments up to \$5,000,000. The City purchases excess stop-loss insurance that pays any portion of a claim that exceeds \$85,000, and if the total annual paid claims exceed \$5,000,000. The City employs a third party claims administrator to manage claims. Each year, an actuarial analysis of the Health Insurance Fund is conducted in order to assure the financial soundness of this fund.

B. Workers' Compensation Insurance Fund

The City maintains a self-insurance program for the payment of employee workers' compensation claims. The program provides for City contributions into a self-insurance fund which is managed by the City. Employee claims up to \$500,000 per occurrence are paid from the assets of the self-insurance fund with amounts in excess of \$500,000 per occurrence being paid from a reinsurance policy purchased by the City. The City employs a third party claims administrator to manage claims. Each year, an actuarial analysis of the Workers' Compensation Insurance Fund is conducted in order to assure the financial soundness of this fund.

Changes in claims liabilities for the last two years follow:

	<u>Balance October 1, 2014</u>	<u>Current Year Claims and Changes in Estimates</u>	<u>(Claims Paid)</u>	<u>Balance September 30, 2015</u>
Employee Health				
Insurance Fund	\$ 379,625	\$ 4,223,634	\$ 4,137,955	\$ 465,304
Workers' Compensation				
Insurance Fund	<u>1,611,316</u>	<u>336,245</u>	<u>320,103</u>	<u>1,627,458</u>
	<u>\$ 1,990,941</u>	<u>\$ 4,559,879</u>	<u>\$ 4,458,058</u>	<u>\$ 2,092,762</u>
	<u>Balance October 1, 2013</u>	<u>Current Year Claims and Changes in Estimates</u>	<u>(Claims Paid)</u>	<u>Balance September 30, 2014</u>
Employee Health				
Insurance Fund	\$ 309,561	\$ 3,834,697	\$ (3,764,633)	\$ 379,625
Workers' Compensation				
Insurance Fund	<u>1,676,434</u>	<u>142,106</u>	<u>(207,224)</u>	<u>1,611,316</u>
	<u>\$ 1,985,995</u>	<u>\$ 3,976,803</u>	<u>\$ (3,971,857)</u>	<u>\$ 1,990,941</u>

Claim liabilities are calculated based on an actuarial valuation, which includes consideration of non-incremental claims adjustment expenses. Management estimates that \$569,681 Workers' Compensation and \$465,304 of Employee Health Insurance claim liabilities are payable within one year (as included in Other Accrued Expenses). No settlements in excess of claims have been incurred in each of the past three years.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

NOTE 16– CONTINGENCIES AND COMMITMENTS

The City participates in a number of state and federal grant programs. These programs are subject to program compliance audits by the grantors or their representatives. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of expenditures which may be disallowed by the granting agencies cannot be determined, although the City expects such amounts, if any, to be immaterial.

The City is defending several claims and judgments arising from the normal course of business. The City expects to prevail in these matters; however, the final outcomes have not yet been determined.

**CITY OF LEESBURG , FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2015**

NOTE 18– RISK MANAGEMENT

The City’s self-insurance programs and health insurance programs are accounted for in separate non-major internal service funds. The City is a self-insured public entity and affords coverage for the risk exposures listed below:

- General and Automotive Liability
- Property Damage
- Workers’ Compensation
- Excess Workers’ Compensation, General Liability, & Police Liability
- Unemployment Compensation
- Group Medical
- Federal Flood Insurance
- Life Insurance
- Short Term Disability
- Long Term Disability

Exposures are limited by insurance coverage as noted. Settled general and automotive liability and workers compensation claims have not exceeded the self-insured statutory limits in any of the past five years.

NOTE 19– PRIOR PERIOD ADJUSTMENT

During fiscal year 2015, the City adopted GASB Statement No. 68., *Accounting and Financial Reporting for Pensions*. The pronouncement required the restatement of the September 30, 2014 net position in governmental activities, business-type activities, enterprise and internal service funds. This change is in accordance with generally accepted accounting principles.

The tables below present the details of the restatements:

**CITY OF LEESBURG, FLORIDA
STATEMENT OF NET POSITION
PROPRIETARY FUNDS**

	Governmental Activities		
	Governmental Activities	Business-type Activities	Total
Net position, September 30, 2014 as previously reported	\$ 60,625,619	\$ 171,433,708	\$ 232,059,327

Actuarial information for the net pension liability and the deferred inflows and outflows were not available for the prior period and, therefore, it was not considered practical to restate and reissue the prior year financial statements.

NOTE 20– SUBSEQUENT EVENTS

Sale of Crystal River 3 Nuclear Power Plant (CR3) – The eight CR#3 municipal joint owners and several current and former wholesale customers of Duke, including the All-Requirements Project, entered into a settlement agreement with Duke which became effective September 26, 2014. Relevant to the CR3 decommissioning trusts, one aspect of the settlement agreement provides for the CR3 municipal joint owners' transfer of their CR3 ownership interests and decommissioning trust funds to Duke in exchange for, among other things, a cash settlement payment and release for all past, present and future CR3 costs and liabilities including CR3 decommissioning. The settlement payments and decommissioning trust funds transfers took place at the final closing on October 30, 2015.

This page intentionally left blank.

REQUIRED SUPPLEMENTARY INFORMATION

The following supplementary schedules present the major fund budgetary comparison schedules; trend information regarding the retirement plans for the City's General Employees, Municipal Police and Municipal Firemen; and trend information regarding other postemployment benefits. This information is necessary for a fair presentation in conformity with generally accepted accounting principles.

Covered-Employee Payroll	\$ 11,184,611	N/A	N/A
Contributions as a Percentage Of Covered Employee payroll	12.83%	N/A	N/A

Notes to Schedule

Valuation Date: 10/1/2013 (AIS 05/05/2014)

Actuarially determined contribution rates are calculated as of October 1, two years prior to the end of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

Funding method	Entry age Normal method
Amortization Method	Level Dollar
Remaining Amortization Period	24 Years
Mortality	RP 2000 Combined Healthy (sex distinct), projected to valuation date using scale AA. Disabled lives set forward 5 years.
Termination Rates	See Table below.
Disability Rates	See Table below.

Retirement Rates:	Age	Rate Per Year
	50-54	2%
	55-58	20%
	59-61	20%
	62	50%
	63-64	25%
	65	100%

Interest Rate	7.5% per year, compounded annually, net of investment related expenses.
Salary Increases	None
Payroll Increases	None
Cost-of-Living Adjustment	2.0% per year after 3 years (no VT's)
Actuarial Asset Method	Each year, the prior Actuarial Value of Assets is brought forward utilizing the historical geometric 4-year average Market Value return (net of fees). It is possible that over time this technique will produce an insignificant bias above or below Market Value.

Other Information

Termination, Disability and Salary Rate Table			
Age	% Terminating During the Year		% Becoming Disabled During the Year
	20	25.0%	0.05%

*For Fiscal Year 2013 and 2014, Covered Employee Payroll figures were based on Pensionable Salary.

Notes to Schedule

Valuation Date: 10/1/2013

Actuarially determined contribution rates are calculated as of October 1, two years prior to the end of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

Funding Method	Frozen Entry Age Actuarial Cost Method
Amortization Method	Level Percentage of Pay, Closed
Remaining Amortization Period	29 Years (as of 10/01/2013)
Asset Valuation	Each year, the prior actuarial value of assets is brought forward utilizing the historical geometric 4-year average market value returns, net of fees. It is possible that over time this technique will produce an insignificant bias above or below market value.
Inflation	3.0% per year
Salary Increases	5.2% per year until the assumed retirement age. Projected salary at retirement is increased individually to account for non-regular compensation.
Interest Rate	7.75% per year compounded annually, net of investment related expenses.
Payroll growth assumption	2.9% annually for amortizing UAAL
Cost-of-Living Adjustment	None
Retirement Age	100% at first eligibility for normal retirement. Also, any member who has reached normal retirement eligibility is assumed to continue employment for one additional year.
Early Retirement	Commencing at eligibility for early retirement, members are assumed to retire with an immediate benefit at the rate of 2% per year.
Termination Rates	See Table below.
Disability Rates	See Table below. It is assumed that 75% of disablements and active member deaths are service related.
Mortality	RP-2000 table with no projection- based on a study of over 650 public safety funds, this table reflects a 10% margin for future mortality improvements. (Disabled lives set forward 5 years).

SUPPLEMENTAL INFORMATION

The following supplemental schedules present combining non-major fund statements and individual fund budgetary schedules.

This page intentionally left blank.

NON-MAJOR GOVERNMENTAL FUNDS

SPECIAL REVENUE FUNDS

Special Revenue Funds account for the proceeds of specific revenue sources (other than expendable trusts and major capital projects) that are legally restricted for specific purposes as described below.

Housing Assistance Fund accounts for grant funds received to provide affordable housing for low income households.

Police Forfeiture Fund accounts for funds associated with Municipal, State and Federal seizures. Revenues are split between State and Federal forfeitures, each having their own rules and restrictions as to how the funds may be spent.

Police Education Fund accounts for funds created by Criminal Justice Education Funding. Revenue is set aside to fund criminal justice education programs and training courses which include basic recruit, officer, and agency support personnel training.

Gas Tax Fund accounts for income associated with the Ninth-cent Fuel Tax, Local Option Fuel Tax, and Revenue Sharing Gas Tax, which are restricted for specific uses. Those uses include: construction, reconstruction and maintenance of roads, streets, bicycle and pedestrian pathways. Funds may also be used for utility relocation.

Police Impact Fee Fund accounts for Municipal Impact Fees collected on land developed within the City, for the provision of Municipal Services Capital Facilities related to police services, due to a new development.

Fire Impact Fee Fund accounts for Municipal Impact Fees collected on land developed within the City, for the provision of Municipal Services Capital Facilities related to fire services, due to a new development.

Recreation Impact Fee Fund accounts for Municipal Impact Fees collected on land developed within the City, for the provision of Municipal Services Capital Facilities related to recreation services, due to a new development.

Building Permits Fund accounts for the cost of building permit and inspection services, through the dedicated revenues generated in providing these services.

DEBT SERVICE FUND

Debt Service Fund account for the accumulation of resources for, the payment of, interest and principal on most general governmental obligations.

NON-MAJOR ENTERPRISE FUNDS

Enterprise Funds account for operations that are financed and operated in a manner similar to private business enterprises where the costs of providing goods or services to the general public are recovered primarily through user charges; or where the City has decided that determination of net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes. Individual non-major enterprise funds are described below.

Stormwater Fund accounts for the costs associated with the management, construction, maintenance, protections, control, regulation, use, and enhancement of stormwater systems and programs within City limits.

Solid Waste Fund accounts for the City's solid waste disposal and reduction needs, including residential and commercial collection, curbside recycling collection, yard waste collection, and post-closure monitoring of the closed landfill.

Communication Services Fund accounts for the provision of communication services, such as, Internet, fiber optic communications, and cellular telephone tower rental.

INTERNAL SERVICE FUNDS

Internal Service Funds account for the financing of goods and services provided by one City department or agency to other City departments or agencies on a cost-reimbursement basis. Descriptions of individual funds in this category are presented below.

General Employees' Health Insurance accounts for the employee welfare benefit maintained by the City that provides medical care for participants through insurance and directly through the Wellness Center.

Workers' Compensation Insurance accounts for the employee welfare benefit which provides coverage of medical and rehabilitation costs and lost wages for employees injured at work.

Risk Management accounts for the costs of liability, property and casualty, automobile, public official, and employment practices insurance.

Fleet Maintenance accounts for the purchase and maintenance of all City Vehicles.

COMMUNITY REDEVELOPMENT AGENCY FUNDS

Community Redevelopment Agency Funds, a major special revenue fund of the City, consists of the Greater Leesburg Community Redevelopment Agency, Carver Heights/Montclair Area Community Redevelopment Agency, and U.S. Highway 441 & 27 Community Redevelopment Agency which are incremental tax districts established pursuant to Florida Statutes. The fund accounts for the incremental increase in ad valorem tax revenue collected within the designated community redevelopment areas. Revenues must be utilized and expended in accordance with the respective community redevelopment plans.

STATISTICAL SECTION ***(Unaudited)***

Statistical schedules differ from financial statements because they usually cover more than one fiscal year and may present non-accounting data. These schedules reflect social and economic data and financial trends of the City of Leesburg, Florida, and are designed to give the reader insights into the financial position of the City of Leesburg not readily apparent from the financial statements.

Statistical data are presented to provide greater detail information than reported in the preceding basic financial statements. This information in many cases has been spread throughout the report and is brought together here for greater clarity. Statistical data are not necessary for fair presentation in conformity with generally accepted accounting principles.

The schedule entitled "Computation of Legal Debt Margin," which is recommended for inclusion in the Comprehensive Annual Financial Report by the Government Finance Officers Association of the United States and Canada, is not included within this report inasmuch as no legal debt margin has been established for the City of Leesburg pursuant to the Constitution of the State of Florida, Florida Statutes, City ordinances or other laws applicable to the City of Leesburg. The City has had no general obligation debt outstanding during the past ten years.

This page intentionally left blank.

**CITY OF LEESBURG, FLORIDA
STATISTICAL SECTION**

This part of the City of Leesburg's Comprehensive Annual Financial Report presents detailed information as a context for understanding what the information in the financial statements, note disclosures and required supplementary information says about the City's overall financial health.

CONTENTS

	Pages
Financial Trends These schedules contain trend information to help the reader understand how the City's financial performance and well-being have changed over time.	170-179
Revenue Capacity These schedules contain information to help the reader assess the City's most significant local revenue source, the property tax.	180-187
Debt Capacity These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.	188-205
Demographic and Economic Information These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place.	206-207
Operating Information These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs.	208-210

Sources: Unless otherwise noted, the information in these schedules is derived from the Comprehensive Annual Financial Reports (CAFR) for the relevant year. The City implemented GASB Statements 63 and 65 for fiscal year 2012/13. These statements were applied prospectively; retroactive restatements of all years presented were not done.

Notes: ¹As of December 31st of each year listed.

² Except for the Save Our Homes cap noted in next sentence, Florida State Law requires all property to be assessed at current fair market value. The Save Our Homes cap establishes a limitation of the lesser of 3% or the increase in the Consumer Price Index during the relevant year, on property qualifying for and receiving Homestead Exemption of \$25,000.

³Beginning in FY2007, private railroad lines are no longer included as part of Centrally Assessed Property.

⁴New legislation (196.183, F.S.) allows for personal and centrally assessed property to be eligible for Homestead Exemption. In addition, 196.031(b), F.S. allows for an additional \$25,000 of Homestead Exemption. Or (196.075, F.S.) allows for an additional \$50,000 for any person who has attained age 65 and whose household income does not exceed \$20,000 (a "qualified resident").

New legislation was passed in the Summer of 2007 that caps millage rates, except with special approval, at a level allowing tax revenue to grow no more than the related proportion to per capita income and new construction.

⁵Beginning in FY2012, Florida Department of Revenue reported that there were no longer railroad lines in Leesburg, resulting in no Centrally Assessed Property.

Note: The City of Leesburg created the Carver Heights/Montclair Area Community Redevelopment Agency (CHCRA) on December 10, 2001 (Ordinance 01-61) pursuant to Section 163.512 Florida Statutes. The agency was created to identify and address blighted conditions within its boundaries and to enable the City to establish a mechanism to finance redevelopment projects through Tax Increment Financing (TIF). The base year was established in 2001 with an assessed value of \$57,980,259. The agency generates a majority of its annual income from tax increment revenues and will expire in 2046.

Note: The City of Leesburg created the U.S. Highway 441 & 27 Community Redevelopment Agency on February 13, 2006 (Ordinance 06-13) pursuant to Section 163.512 Florida Statutes. The agency determined the existence of blighted areas and is part of the City's plan to improve conditions within the corridor areas. The base year was established in 2006 with an assessed taxable value of \$352,255,087. The agency generates a majority of its annual income from tax increment revenues and will expire in 2035.

In FY 2012, taxable values dropped below the base year values resulting in zero tax revenue for the CRA.

Notes: Details regarding the City's outstanding debt can be found in Note 8 of the Financial Statements. Totals do not include amortization of deferrals and discounts.

¹See Demographic and Economic Statistics for personal income and population data.

²US Department of Commerce, Bureau of Economic Analysis (<http://bea.gov>) for Lake County.

The actual per capita personal income for the City is not known. The County's per capita figures are multiplied by the City's population to determine the total personal income for the City.

**CITY OF LEESBURG, FLORIDA
DIRECT AND OVERLAPPING GOVERNMENTAL ACTIVITIES DEBT
SEPTEMBER 30, 2015**

<u>Taxing District</u>	<u>Debt Outstanding</u>	<u>Estimated Percentage Applicable</u>	<u>Estimated Share of Overlapping Debt</u>
<u>Direct Debt</u> – City of Leesburg			\$ 36,895,665
<u>Overlapping Debt</u>			
Lake County Board of County Commissioners	\$ 24,255,000	7.26%	1,760,359
School District		7.26%	-
Subtotal – Overlapping Debt			<u>1,760,359</u>
Total Direct and Overlapping Debt			<u>\$ 38,656,024</u>

Notes: The City has no general obligation debt. Utility revenue bonds are excluded.

Overlapping governments are those that coincide, at least in part, with the geographic boundaries of the City. This schedule estimates the portion of the outstanding debt of those overlapping governments that is borne by the residents and businesses of Leesburg. This process recognizes that, when considering the City's ability to issue and repay long-term debt, the entire debt burden borne by the residents and businesses should be taken into account. However, this does not imply that every taxpayer is a resident, and therefore responsible for repaying the debt, of each overlapping government.

⁵ 1.30X Debt Service Coverage is not a Financial Covenant, rather an Additional Bonds Test Requirement. No additional senior lien parity bonds can be issued.

⁶ Gross Sales Tax Revenues are defined as the proceeds of the local governmental half-cent sales tax as described in Title XIV, Chapter 218, Part VI Florida Statutes.

⁷ Guaranteed Portion-State Revenue Sharing is the portion of state revenue sharing funds available to the City that are pledged, or set aside as a trust for the payment of principal or interest on the bonds pursuant to Title XIV, Chapter 218, Part II, Florida Statutes.

⁸ Public Service Tax is a tax that may be levied by a municipality on the purchase of electricity, metered natural gas, liquefied petroleum gas, manufactured gas, and water service pursuant to Title XII, Chapter 166, Section 231, Florida Statutes.

⁹ In FY 2015 the accounting method was changed from accruing interest for governmental debt to recording the payment when made. This resulted in only one interest payment recorded in FY 2015.

Resolution 16 of the Community Redevelopment Agency for the Carver Heights/Montclair Area, adopted December 8, 2008 authorized the issuance of the Revenue Note Series 2008, a "qualified tax-exempt obligation", pledging increment revenues. This note closed December 23, 2008.

Resolution 8349, adopted December 8, 2008, and as amended by Resolution 8357, adopted Dec. 22, 2008, the City authorized the credit support as needed for the Community Redevelopment Agency for the Carver Heights/Montclair Area of its Revenue Note, Series 2008, pledging the net available revenues after considering the Series 2009 Note and 2004 Bonds to the extent increment revenues are insufficient, but not in excess of the Reserve Account Requirement.

¹Due to the downturn in property values, the revenues were not sufficient to cover the debt service. However, the fund balance for the CRA was able to cover the deficiency.

¹Series 2004

Resolution 7141 and supplemented by Resolution 7142, adopted June 14, 2004, the City authorized the issuance of the Electric System Revenue Bonds, Series 2004, that closed on July 14, 2004, pledging the net revenues derived by the City from the operation of the Electric System.

² First three years of payments for these bonds are interest only. Payments began on October 1, 2004 and are due semiannually April 1 and October 1 thereafter. The annualized interest payments for fiscal years 2004, 2005 and 2006 were paid from the Capitalized Interest fund of \$1,726,419.

³Series 2007A & 2007B

Resolution 7964, adopted July 23, 2007, the City amended Resolution 7141 for the purpose of authorizing the issuance of the Electric System Revenue Bonds Series 2007A and Taxable Electric System Revenue Bonds, Series 2007B ("Series 2007 Bonds") on a parity with the City's outstanding Electric System Revenue Bonds, Series 2004.

⁴ First two years of payments for these bonds are interest only. Payments began on October 1, 2007 and are due semiannually April 1 and October 1 thereafter. The annualized interest payments for fiscal years 2007 and 2008 were paid from the Capitalized Interest fund of \$1,341,602 along with interest earnings thereon.

⁵Series 2010

Resolution 8692, adopted August 4, 2010, the City authorized the issuance of an "up to \$20,000,000" Note with a 3 year interest only drawdown facility.

Net Revenues less Communications Debt Service	\$ 530,084	\$ 560,523	\$ 398,371	\$ 662,051	\$ 788,210

Note:

Resolution 8511, adopted September 14, 2009, the City authorized the issuance of the Capital Improvement Revenue Refunding Note, Series 2009, that closed on October 2, 2009 to refinance the outstanding promissory Note Payable to Florida Municipal Power Agency (FMPA). The pledged revenues for this Note are the Communications Enterprise Revenues, and as needed, legally available Non-Ad Valorem Revenues budgeted, appropriated and set aside for the payment of debt service on the Note.

¹For Fiscal Years 2009 and 2010, the debt service due was for the Promissory Note Payable to FMPA. As noted above, the FMPA Note was paid in full by the issuance of the \$1,005,000 Capital Improvement Revenue Refunding Note, Series 2009.

²Pursuant to the covenants for the Series 2009 Note and Section 4.03 of the Loan Agreement, the Communications Enterprise Revenues have equaled at least 150% of maximum amount of debt service for fiscal years ended 2009, 2010 and 2011. The Covenant to Budget and Appropriate from legally available Non-Ad Valorem revenues is released as of the fiscal year 2011 audit completion.

Notes N/A - Information is not available.

In 2005, the City's Geographical Information Systems Department (GIS) completed the electronic mapping of the City's utility systems. The results enabled the City to accurately present its capital assets. Prior to completion of this project, the information was estimated.

In 2007, the Recreation Department began to use new computer software called RecTrac. This software has allowed for more precise and detailed tracking across all rental facilities managed by the department. In 2012, a correction was made to the number of rental facilities. Prior years included rooms within facilities as separate facilities.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Leesburg, Florida, (the "City") as of and for the year ended September 30, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements, and have issued our report thereon dated March 31, 2016.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the City's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City's basic financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, grant agreements and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the City in a separate letter dated March 31, 2016.

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR
STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE AND
REPORT ON SCHEDULE OF EXPENDITURES OF STATE FINANCIAL ASSISTANCE
REQUIRED BY CHAPTER 10.550, RULES OF THE AUDITOR GENERAL**

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

Report on Compliance for Each Major State Project

We have audited the compliance of the City of Leesburg, Florida (the "City") with the types of compliance requirements described in the Department of Financial Services *State Projects Compliance Supplement* that could have a direct and material effect on each of the major state projects for the year ended September 30, 2015. The City's major state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its state projects.

Auditor's Responsibility

Our responsibility is to express an opinion on the City's compliance based on our audit. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major state project identified in the accompanying schedule of findings and questioned costs occurred. An audit includes examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major state project. However, our audit does not provide a legal determination of the City's compliance.

Opinion on Each Major State Project

In our opinion, the City complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major state projects for the year ended September 30, 2015.

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

Report on Internal Control over Compliance

Management of the City is responsible for establishing and maintaining effective internal control over compliance with the types of requirements referred to above. In planning and performing our audit, we considered the City's internal control over compliance with requirements that could have a direct and material effect on a major state project to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with Chapter 10.550, *Rules of the Auditor General*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the City's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a state project will not be prevented, or detected and corrected on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of Chapter 10.550, *Rules of the Auditor General*. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of State Financial Assistance Required by Chapter 10.550, Rules of the Auditor General

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City as of and for the year ended September 30, 2015, and the related notes to the financial statements, which collectively comprise the City's basic financial statements. We have issued our report thereon dated March 31, 2016, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of state financial assistance is presented for the purposes of additional analysis, as required by Chapter 10.550, *Rules of the Auditor General*, and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of state financial assistance is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

Prior Year Audit Findings

No matters were reported over state financial assistance in the prior year.

INDEPENDENT ACCOUNTANT'S REPORT

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

We have examined the City of Leesburg, Florida's (the "City") compliance with the requirements of Section 218.415, Florida Statutes, during the fiscal year ended September 30, 2015. Management is responsible for the City's compliance with those requirements. Our responsibility is to express an opinion on the City's compliance based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and, accordingly, included examining, on a test basis, evidence about the City's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our examination provides a reasonable basis for our opinion. Our examination does not provide a legal determination on the City's compliance with specified requirements.

In our opinion, the City complied, in all material respects, with the aforementioned requirements for the fiscal year ended September 30, 2015.

INDEPENDENT AUDITOR'S MANAGEMENT LETTER

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

Report on the Financial Statements

We have audited the basic financial statements of the City of Leesburg, Florida (the "City") as of and for the fiscal year ended September 30, 2015, and have issued our report thereon dated March 31, 2016.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and Chapter 10.550, *Rules of the Auditor General*.

Other Reporting Requirements

We have also issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*, Independent Auditor's Report on Compliance for Each Major State Project and on Internal Control over Compliance and Report on Schedule of Expenditures of State Financial Assistance Required by Chapter 10.550, *Rules of the Auditor General*, Schedule of Findings and Questioned Costs; and our Independent Accountant's Report on an examination conducted in accordance with *AICPA Professional Standards*, Section 601, regarding compliance requirements in accordance with Chapter 10.550, *Rules of the Auditor General*. Disclosures in those reports and schedule, which are dated March 31, 2016, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., *Rules of the Auditor General*, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. Corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., *Rules of the Auditor General*, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. The legal authority is disclosed in the notes to the financial statements.

Financial Condition

Section 10.554(1)(i)5.a. and 10.556(7), *Rules of the Auditor General*, require that we apply appropriate procedures and report the results of our determination as to whether or not the City has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and identification of the specific condition(s) met. In connection with our audit, we determined that the City did not meet any of the conditions described in Section 218.503(1), Florida Statutes.

The Honorable Mayor and
Members of the City Commission
City of Leesburg, Florida

Financial Condition (Cont.)

Pursuant to Sections 10.554(1)(i)5.c. and 10.556(8), *Rules of the Auditor General*, we applied financial condition assessment procedures. It is management's responsibility to monitor the City's financial condition, and our financial condition assessment was based, in part, on representations made by management and the review of financial information provided by same.

Annual Financial Report

Section 10.554(1)(i)5.b. and 10.556(7), *Rules of the Auditor General*, require that we apply appropriate procedures and report the results of our determination as to whether the annual financial report for the City for the fiscal year ended September 30, 2015, filed with the Florida Department of Financial Services, pursuant to Section 218.32(1)(a), Florida Statutes, is in agreement with the annual financial audit report for the fiscal year ended September 30, 2015. In connection with our audit, we determined that these two reports were in agreement.

Special District Component Units

Section 10.554(1)(i)5.d., *Rules of the Auditor General*, requires that we determine whether or not a special district that is a component unit of a county, municipality, or special district, provided the financial information necessary for proper reporting of the component unit, within the audited financial statements of the county, municipality, or special district in accordance with Section 218.39(3)(b), Florida Statutes. In connection with our audit, we determined that all special district component units provided the necessary information for proper reporting in accordance with Section 218.39(3)(b), Florida Statutes.

Other Matters

Section 10.554(1)(i)2., *Rules of the Auditor General*, requires that we address in the management letter any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Section 10.554(1)(i)3., *Rules of the Auditor General*, requires that we address noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but which warrants the attention of those charged with governance. In connection with our audit, we did not have any such findings.

Purpose of this Letter

Our management letter is intended solely for the information and use of the Legislative Auditing Committee, members of the Florida Senate and the Florida House of Representatives, the Florida Auditor General, federal and other granting agencies, the Mayor, City Commission, and applicable management and is not intended to be, and should not be, used by anyone other than these specified parties.

HISTORICAL OPERATING RESULTS - ELECTRIC UTILITY (*continued*)

Definitions:

Gross Revenues are defined pursuant to Resolution 7143 adopted June 14, 2004, as all income and earnings derived by the City from the ownership, operation, leasing, or use of the system, and investment income, excluding capital expansion and system improvement grants.

Operation and Maintenance expenses are defined as the cost of operation and maintenance as current expenses, paid or accrued, less depreciation and amortization expenses.

Net Revenues and Pledged Revenues are defined as gross revenues less operation and maintenance expenses plus capacity charges.

Notes:

- 1 Amounts shown exclude depreciation and amortization expenses.
- 2 The amounts shown are as defined in the Bond Resolution and exclude interest earnings on Construction Fund balances.
- 3 Allocable to the Electric System. 1999A Bonds defeased by revenues of the System.
- 4 **Series 2004** - First three years of payments for these bonds are interest only. Payments began on October 1, 2004, and are due semiannually April 1 and October 1 thereafter. The annualized interest payments for fiscal years 2004, 2005 and 2006 were \$166,793, \$779,813 and \$779,813 respectively, and were paid 100% from the Capitalized Interest fund of \$1,726,418.
- 5 **Series 2007A & 2007B** - In Resolution 7064, adopted July 23, 2007, the City amended Resolution 7141 for the purpose of authorizing the issuance of the Electric System Revenue Bonds, Series 2007A and Taxable Electric System Revenue Bonds, Series 2007B ("Series 2007 Bonds") on a parity with the City's outstanding Electric System Revenue Bonds, Series 2004. First two years of payments for these bonds were interest only and were paid 100% from the Capitalized Interest fund of \$1,341,602.
- 6 **Series 2010** - In Resolution 8692, adopted August 4, 2010, the City authorized the issuance of an "up to \$20,000,000" Note with a 3 year interest only drawdown facility.
- 7 **Series 2013** - In Resolution 9199, adopted May 28, 2013, the City authorized the issuance of a Note to refund the Series 2010 Note on parity with the City's outstanding Electric System Revenue Bonds, Series 2007A and Taxable Electric System Revenue Bonds, Series 2007B.
- 8 **Series 2014** - In Resolution 9366, adopted March 10, 2014, the City authorized the Series 2014 Electric System Refunding Revenue Note to refund the Electric System Revenue Bonds, Series 2004 on a parity with the existing Electric System Bonds & Note.
- 9 Excludes revenues from capacity charges per Bond Resolution.

Notes:

Gross Revenues are defined pursuant to Resolution 7143 adopted June 14, 2004, as all income and earnings derived by the City from the ownership, operation, leasing, or use of the system, and investment income, excluding capital expansion and system improvement grants.

Operation and Maintenance expenses are defined as the cost of operation and maintenance as current expenses, paid or accrued, less depreciation and amortization expense.

Net Revenues and Pledged Revenues are defined as gross revenues less operation and maintenance expenses plus capacity charges.

- 1 **Series 1999** - Allocable to the System. 1999A and 1999B Bonds defeased by revenues of the System.
- 2 **Series 2004** - The annualized interest payments for fiscal years 2004, 2005 and 2006 were paid 100% from the Capitalized Interest Fund of \$2,380,265. This series was refunded by the Series 2013 Bonds as discussed in note 5 below.
- 3 **Series 2007A & 2007B** - In Resolution 7965, adopted July 23, 2007, the City amended Resolution 7143 for the purpose of authorizing the issuance of the Utility System Revenue Bonds, Series 2007A and Taxable Utility System Revenue Bonds, Series 2007B ("Series 2007 Bonds") on a parity with the City's outstanding Utility System Revenue Bonds, Series 2004. First two years payments for these bonds were interest only and were paid 100% from the Capitalized Interest fund of \$1,341,602.
- 4 **Series 2010** - In Resolution 8673, adopted June 28, 2010, the City authorized the issuance of an \$8,000,000 note that fully paid off a prior \$8,000,000 Plantation System seller's note. This prior note was part of the purchase price for this \$15,000,000 utility and the 2010 note is on parity with the 2004 and 2007A&B bonds.
- 5 **Series 2013** - Resolutions 9183 and 9184, adopted April 22, 2013, the City authorized the issuance of the Utility System Refunding Revenue Bonds, Series 2013 to refund the Series 2004 Utility Bonds with the same parity and pledged revenues as the Series 2004.
- 6 Excludes revenues from capacity charges per Bond Resolution.
- 7 Includes revenues from capacity charges per Bond Resolution.

AN ORDINANCE OF THE CITY OF LEESBURG, FLORIDA, AMENDING SECTION 22-196 OF THE CODE OF ORDINANCES PERTAINING TO ELECTRIC RATES; ESTABLISHING UPDATED RATES FOR ELECTRIC; PROVIDING FOR RATES TO BE EFFECTIVE JANUARY 1, 2010; PROVIDING FOR CONFLICTS AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF LEESBURG, FLORIDA:

SECTION 1.

Section 22-196 of the Code of Ordinances of the City of Leesburg, Florida is hereby amended to read as follows:

Sec. 22-196. Electric rates; schedules; adjustments; deposits.

The rates for the furnishing of electrical service by the city shall be as follows:

(1) *Rate schedule RS, residential service.*

e. Rate per month.

Customer charge . . .	\$10.41	\$10.62
All kwh, per kwh . . .	0.07642	0.08129

(2) *Rate schedule GS, general service, nondemand.*

d. Rate per month.

Customer charge . . .	\$10.41	\$10.62
All kwh . . .	0.08345	0.08847

(3) *Rate schedule GSD, general service, demand.*

f. Rate per month.

Customer charge . . .	\$22.11	\$22.57
All kw, per kw . . .	9.11	10.51
All kwh, per kwh . . .	0.04066	0.04149

SECTION 2.

All ordinances or parts of ordinances which are in conflict with this ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinances, in which case those ordinances so effected shall be hereby repealed in their entirety.

SECTION 3.

If any portion of this ordinance is declared invalid or unenforceable, and to the extent it is possible to do so without destroying the overall intent and effect of this ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of this ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION 4.

This ordinance shall become effective upon passage

PASSED AND ADOPTED at the regular meeting of the City Commission of the City of Leesburg, Florida, held on the 14 day of December, 2009

Mayor

ORDINANCE NO. 10-82

AN ORDINANCE OF THE CITY OF LEESBURG, FLORIDA, AMENDING SECTION 22-196 OF THE CODE OF ORDINANCES PERTAINING TO ELECTRIC RATES; ESTABLISHING UPDATED RATES FOR ELECTRIC GENERAL SERVICE DEMAND (GSD); PROVIDING FOR RATES TO BE EFFECTIVE NOVEMBER 1, 2010; PROVIDING FOR CONFLICTS AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE CITY COMMISSION OF THE CITY OF LEESBURG, FLORIDA:

SECTION 1.

Section 22-196 of the Code of Ordinances of the City of Leesburg, Florida is hereby amended as follows:

	Existing GSD Rate	Proposed Rates
GSD-1		
Billing Demand of 21kW-499kW		
Rate Schedule	GSD	GSD-1
Customer Charge	22.57	22.66
Demand Charge	10.51	10.55
Energy Rate	.04149	.04165

APPLICATION:

For electric service for commercial or industrial lighting, power and any other purpose to any Customer with a measured demand in excess of 20 kW and less than 500 kW. Customers with a demand of 20 kW or less may enter into an agreement for service under this schedule based on a demand charge for a minimum of 21 kW.

Term of service:

Not less than one year.

	Existing GSD Rate	Proposed Rates
GSD-2		
Billing Demand 500 – 1,999 kW		
Rate Schedule	GSD	GSD-2
Customer Charge	22.57	40.16
Demand Charge	10.51	12.05
Energy Rate	.04149	.03806

APPLICATION:

For electric service for commercial or industrial lighting, power and any other purpose to any Customer with a measured demand of 500 kW and less than 2,000 kW. Customers with a demand of less than 500 kW may enter into an agreement for service under this schedule based on a demand charge for a minimum of 500 kW.

Term of service:

Not less than one year.

	Existing GSD Rate	Proposed Rates
GSD-3		
Billing Demand 2,000 kW or more		
Rate Schedule	GSD	GSD-3
Customer Charge	22.57	80.32
Demand Charge	10.51	14.96
Energy Rate	.04149	.03304

APPLICATION:

For electric service for commercial or industrial lighting, power and any other purpose to any Customer with a measured demand of 2,000 kW or more. Customers with a demand of less than 2,000 kW may enter into an agreement for service under this schedule based on a demand charge for a minimum of 2,000 kW.

Term of service:

Not less than one year.

SECTION 2.

All ordinances or parts of ordinances which are in conflict with this ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinances, in which case those ordinances so effected shall be hereby repealed in their entirety.

SECTION 3.

If any portion of this ordinance is declared invalid or unenforceable, and to the extent it is possible to do so without destroying the overall intent and effect of this ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of this ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION 4.

This ordinance shall become effective upon passage

PASSED AND ADOPTED at the regular meeting of the City Commission of the City of Leesburg, Florida, held on the 25th day of October, 2010.

Mayor

ATTEST:

City Clerk

ORDINANCE NO. 12-67

AN ORDINANCE OF THE CITY OF LEESBURG, FLORIDA, REPEALING ORDINANCE NO. 12 – 62 ADOPTED ON SEPTEMBER 24, 2012, IN ITS ENTIRETY; INCREASING RATES FOR THE ELECTRIC, GAS AND SOLID WASTE UTILITIES BY 1.0% OVER RATES EXISTING PRIOR TO ADOPTION OF ORDINANCE NO. 12 – 62; SPECIFYING HOW THE ANNUAL INDEX DRIVEN RATE INCREASE PROVIDED BY §22 – 166 OF THE CODE OF ORDINANCES SHALL BE APPLIED IN CONJUNCTION WITH THE INCREASE IMPOSED IN THIS ORDINANCE, PROVIDING EXCLUSIONS FOR CERTAIN COMPONENTS OF THE BILLS FOR THESE UTILITIES, EXEMPTING DEPOSIT REQUIREMENTS FROM THE RATE INCREASE, REPEALING CONFLICTING ORDINANCES, PROVIDING A SAVINGS CLAUSE, AND PROVIDING AN EFFECTIVE DATE.

BE IT ENACTED BY THE PEOPLE OF THE CITY OF LEESBURG, FLORIDA:

SECTION I.

Ordinance No. 12 – 62, which was adopted on second reading by the Leesburg City Commission at its regular meeting held on September 24, 2012, is hereby repealed in its entirety, *nunc pro tunc* as of its original effective date.

SECTION II.

§22 – 196 of the Code of Ordinances is amended to increase all rates for electrical service which are in effect as of September 30, 2012 (including any prior adjustments applied under §22 – 166 of this Code), effective as to all bills rendered on or after October 1, 2012, by 1.0%. This increase shall apply to base rates only and shall not apply to the bulk power cost adjustment or any other component of the electric bill, nor shall it apply to deposit requirements. The automatic, index driven rate increase imposed annually by §22 – 166 shall be applied on October 1, 2012, to the rate including the additional 1.0% increase imposed by this Ordinance.

SECTION III.

§22 – 246 of the Code of Ordinances is amended to increase all rates for natural gas service which are in effect as of September 30, 2012 (including any prior adjustments applied under §22 – 166 of this Code), effective as to all bills rendered on or after October 1, 2012, by 1.0%. This increase shall apply to base rates only and shall not apply to the purchased gas adjustment or any other component of the natural gas bill, nor shall it apply to deposit requirements. The increase imposed annually by §22 – 166 shall be applied on October 1, 2012, to the rate including the additional 1.0% increase imposed by this Ordinance.

SECTION IV.

§11 – 29 of the Code of Ordinances is amended to increase all rates for solid waste collection and disposal service which are in effect as of September 30, 2012 (including any prior adjustments applied under §22 – 166 of this Code), effective as to all bills rendered on or after October 1, 2012, by 1.0%. This increase shall not apply to deposit requirements. The increase imposed annually by §22 – 166 shall be applied on October 1, 2012, to the rate including the additional 1.0% increase imposed by this Ordinance.

SECTION V.

All ordinances or part of ordinances which are in conflict with this Ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinance, in which case those ordinances so affected shall be hereby repealed in their entirety.

SECTION V.

If any portion of this Ordinance is declared invalid or unenforceable, and to the extent that it is possible to do so without destroying the overall intent and effect of this Ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of the ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION IV.

This Ordinance shall become effective upon its passage and adoption according to law, with the rate increases imposed by this Ordinance to be effective as to all bills rendered for the specified services for the month of October, 2012, and succeeding months until amended by subsequent ordinance.

PASSED AND ADOPTED at the regular meeting of the City Commission of the City of Leesburg, Florida, held on the 22nd day of October, 2012.

THE CITY OF LEESBURG, FLORIDA

BY: Sara Henderson
MAYOR

Attest: Beth Richardson
CITY CLERK

AN ORDINANCE OF THE CITY OF LEESBURG, FLORIDA, AMENDING CERTAIN SUBSECTIONS OF §22 – 196 OF THE CODE OF ORDINANCES, PERTAINING TO ELECTRIC RATES, INCREASING THE RATES IN SCHEDULES RS (RESIDENTIAL SERVICE), GS (GENERAL SERVICE NON _ DEMAND), GSD (GENERAL SERVICE DEMAND), AND TOU (TIME OF USE); PROVIDING FOR AUTOMATIC ANNUAL INCREASES OF 5% PER YEAR FOR 2014 AND 2015; SPECIFYING HOW THE ANNUAL 5% RATE INCREASES IN 2013, 2014 AND 2015 ARE TO BE APPLIED IN CONJUNCTION WITH THE AUTOMATIC INCREASES SPECIFIED IN §22 – 166 OF THE CODE OF ORDINANCES; PRESERVING §22 – 196 EXCEPT AS AMENDED HEREBY; REPEALING ANY CONFLICTING ORDINANCES; PROVIDING A SAVINGS CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

BE IT RESOLVED BY THE PEOPLE OF THE CITY OF LEESBURG, FLORIDA:

SECTION I.

§22 – 196 of the Code of Ordinances of the City of Leesburg, Florida, is hereby amended so that the subsections thereof listed below shall, following the effective date of this Ordinance, read as follows (NOTE: provisions in ~~strikeout~~ are being deleted from the existing ordinance, provisions in double underline are being added or amended by this Ordinance, and text not marked remains the same as in the existing ordinance):

(1) Rate schedule RS, residential service.

- a. *Availability:* This rate is available to all applicable customers in the service area.
- b. *Applicability:* The residential electric rate applies to an electrical service supplying electricity to a single-family residence. Service provided under this section shall not be shared with or resold to others.
- c. *Character of service:* Service shall be single-phase, sixty (60) cycles and approximately 120/240 volts. If three (3) phases are desired, additional charges must be paid by the customer.
- d. *Limitations:* Service is subject to all of the rules and regulations of this tariff and general rules and regulations of the utility. Standby or resale service is not permitted.
- e. Rate per month.

Customer charge~~\$10.62~~ 11.77
 All kwh, per kwh~~0.08429~~ 0.090108

The rates per month shall become effective with all bills rendered on or after the first day ~~of the month subsequent to adoption~~ November 1, 2013. Such rates per month are subject to the

annual inflation adjustment component pursuant to section 22-166, beginning as of October 1, 2016.

f. *Minimum charge:* The minimum monthly bill shall be the customer charge plus other applicable charges, covered by ordinance, state statutes or federal law.

g. *Terms of payment:* All bills and charges for electric current are due and payable twenty (20) days following date of billing. If not paid within twenty (20) days a carrying charge equal to five (5) percent of the total bill is added. Service is discontinued if bill and carrying charge are not paid on or before thirty (30) days succeeding that in which electricity shall have been furnished by the city as stated in all bills rendered.

h. *Billing adjustments:* See "Bulk Power Cost Adjustment," "Energy Conservation Cost Recovery," and "Tax Adjustment Clause".

i. *Deposits.* Deposits for each account shall be required as set forth more particularly in section 22-181 of this Code.

j. *Reconnection charge:* When service is cut off for nonpayment of bill, and when connection service is requested to be performed after normal business hours, the reconnection fee shall be as prescribed by the utility service fee schedule pursuant to section 22-6 of this Code. When service is cut off for meter-tampering, the charge to reconnect shall be as prescribed by the utility service fee schedule pursuant to section 22-6 of this Code plus damages and penalties allowed by state statutes.

(2) Rate schedule GS, general service, nondemand.

a. *Availability.* This rate is available to all applicable customers in the service area.

b. *Applicability.* This rate shall be applicable to all electrical services not covered by any of the other rate categories, residential electrical rate, general service demand rate and flat service rate.

c. *Limitation.* Service is subject to all of the rules and regulations of this tariff and general rules and regulations of the utility. Standby or resale is not permitted.

d. *Rate per month.*

Customer charge\$~~10.62~~ 11.77
All kwh~~0.08847~~ 0.098067

The rates per month shall become effective with all bills rendered on or after the first day of ~~the month subsequent to adoption~~ November 1, 2013. Such rates per month are subject to the annual inflation adjustment component pursuant to section 22-166, beginning as of October 2, 2016.

e. *Minimum charge:* The minimum monthly bill shall be the customer charge plus other applicable charges, covered by ordinance, state statutes or federal law.

f. *Terms of payment:* All bills and charges for electric current are due and payable twenty (20) days following date of billing. If not paid within twenty (20) days a carrying charge equal to five (5) percent of the total bill is added. Service is discontinued if bill and carrying charge are not paid on or before thirty (30) days succeeding that in which electricity shall have been furnished by the city as stated in all bills rendered.

g. *Billing adjustments:* See "Bulk Power Cost Adjustment," "Energy Conservation Cost Recovery," and "Tax Adjustment Clause".

h. *Deposits.* Deposits for each account shall be required as set forth more particularly in section 22-181 of this Code.

i. *Reconnection charge:* When service is cut off for nonpayment of bill, and when connection service is requested to be performed after normal business hours, the reconnection fee shall be as prescribed by the utility service fee schedule pursuant to section 22-6 of this Code. When service is cut off for meter tampering, such reconnection charge shall be as prescribed by the utility service fee schedule pursuant to section 22-6 of this Code plus damages and penalties allowed by state statutes.

(3) Rate schedule GSD, general service, demand.

a. *Availability.* This rate is available to all applicable customers in the service area.

b. *Application.*

1. *GSD-1:* For electric service for commercial or industrial lighting, power and any other purpose to any customer with a measured demand in excess of 20 kW and less than 500 kW. Customers with a demand of 20 kW or less may enter into an agreement for service under this schedule based on a demand charge for a minimum of 21 kW.
2. *GSD-2:* For electric service for commercial or industrial lighting, power and any other purpose to any customer with a measured demand of 500 kW and less than 2,000 kW. Customers with a demand of less than 500 kW may enter into an agreement for service under this schedule based on a demand charge for a minimum of 500 kW.
3. *GSD-3:* For electric service for commercial or industrial lighting, power and any other purpose to any customer with a measured demand of 2,000 kW or more. Customers with a demand of less than 2,000 kW may enter into an agreement for service under this schedule based on a demand charge for a minimum of 2,000 kW.

c. *Special provisions.* Any customer whose demand is greater than twenty (20) kw, but less than fifty (50) kw, may at the option of the customer elect to be billed at the general service rate schedule, GS Code 444.2. If the customer modifies electrical usage to the extent the general service demand rate, GSD Code 444.3, produces lower billing, customer may at its option rescind the election to be billed at the general service rate schedule, GS Code 444.2, provided however, that the option of being billed at the general service rate schedule, GS Code 444.2 shall then no longer be available to such customer.

d. *Character of service.* The service shall be three-phase, sixty (60) cycles and approximately one hundred twenty (120) volts or higher, at utility option.

e. *Limitations.* Standby or resale is not permitted.

f. *Rate per month.*

1. *GSD-1.* Billing demand of 21kW—499kW:

Customer charge	\$22.66	<u>25.02</u>
Demand charge	10.55	<u>11.38</u>
Energy rate	0.04165	<u>0.045991</u>

2. *GDS-2.* Billing demand of 500—1,999 kW:

Customer charge	\$40.16	<u>44.34</u>
Demand charge	12.05	<u>12.99</u>
Energy rate	0.03806	<u>0.042024</u>

3. *GSD-3.* Billing demand of 2,000 kW or more:

Customer charge	\$80.32	<u>88.68</u>
Demand charge	14.96	<u>16.13</u>
Energy rate	0.03304	<u>0.036481</u>

The rates per month shall become effective with all bills rendered on or after the first day of ~~the month subsequent to adoption~~ November, 2013. Such rates per month are subject to the annual inflation adjustment component pursuant to section 22-166, beginning as of October 2, 2016.

g. *Minimum charge.* The minimum monthly charge shall be not less than the sum of customer charge and the demand charge for the currently effective billing demand, plus other applicable charges covered by ordinances, state statutes or federal law.

h. *Billing demand.* The maximum fifteen-minute integrated demand established during the current billing period.

i. *Power factor.* When the power factor is less than ninety (90) percent, the billing demand may be determined upon the basis of ninety (90) percent of the calculated kVa, demand.

j. *Deposits.* Deposits for each account shall be required as set forth more particularly in section 22-181 of this Code.

k. *Reconnection charge.* When service is cut off for nonpayment of bill, and when connection service is requested to be performed after normal business hours, the reconnection charge shall be as prescribed by the utility service fee schedule pursuant to section 22-6 of this Code. When service is cut off for meter tampering, there shall be a reconnection charge as prescribed by the utility service fee schedule pursuant to section 22-6 of this Code, plus damages and penalties allowed by state statute.

l. *Terms of payment.* All bills and charges for electric current are due and payable twenty (20) days following date of billing. If not paid within twenty (20) days a carrying charge equal to five (5) percent of the total bill is added. Service is discontinued if bill and carrying charge are not paid on or before thirty (30) days succeeding that in which electricity shall have been furnished by the city as stated in all bills rendered.

m. *Term of service.* Service under this rate shall be for a minimum initial term of twelve (12) months from commencement of service and shall continue thereafter until receipt of notice by the city from the customer to disconnect, or upon disconnect by the city as provided by ordinance, or until the customer's demand is below twenty (20) kw for a consecutive twelve-month period. Customers taking service under another rate schedule who elect to transfer to this rate must remain on this rate for a minimum of twelve (12) months. Where special equipment to serve the customer is required, the city may require a specified term of service contract.

n. *Special provisions.*

1. Any customer other than residential whose monthly demand is greater than twenty (20) kw but does not exceed forty-nine (49) kw for more than two (2) months out of the preceding twelve (12) consecutive months ending with the current billing period may, at the option of the customer, elect to be billed at the General Service Rate Schedule, GS Code 4442. Provided, that once a customer has exceeded forty-nine (49) for more than two (2) months out of the preceding twelve (12) consecutive months, no rate change option is available. If the customer modifies electrical usage to the extent the General Service Demand Rate (GSD Code 4443) produces lower billing, customer may, at its option, rescind the election to be billed at the General Service Rate Schedule, GS Code 4442; provided, that the option of being billed at the General Service Rate Schedule, GS Code 4442, shall then no longer be available to such customer.
2. The city may, under the provisions of this rate, require a contract with the customer. Whenever the customer increases his electrical load, which increase requires the city to increase facilities installed for the specific use of the customer, a new term of service may be required.
3. Any church or religious institution may, at their option, regardless of their demand, elect to be billed at the General Service Non Demand Rate and may not rescind such election thereafter for a period of twelve (12) months. This election may be for the sanctuary and related Sunday School or religious educational buildings.

o. *Billing adjustments.* See "Bulk Power Cost Adjustment," "Energy Conservation Cost Recovery," and "Tax Adjustment Clause".

(13) *Rate Schedules TOU – 1 and TOU – 2, Time of Use Rates.*

- a. *Availability.* Available throughout the entire territory served by the City subject to equipment availability. This is an optional service available at the customer's request. Customer may choose either rate schedule TOU-R1 or TOU-R2.

- b. *Applicability.* The residential electric rate applies to an electrical service supplying electricity to a single-family residence. Service provided under this section shall not be shared with or resold to others.
- c. *Character of Service.* Service shall be single-phase, sixty (60) cycles and approximately 120/240 volts. If three (3) phases are desired, additional charges must be paid by the customer.
- d. *Limitations.* Service is subject to all of the rules and regulations of this ordinance and the general rules and regulations of the City's electric utility. Standby or resale service is not permitted. No customer who elects to obtain service under this TOU rate schedule shall be eligible for any other load management credits offered by the City to residential customers.
- e. *Rates per month.* The following rate schedules shall apply to this TOU rate:

Customer Charge \$~~41.10~~ 11.77

Rate per kWh:

	<u>TOU-R1</u>	<u>TOU-R2</u>
Winter – On-peak	\$0.404134 <u>\$0.424341</u>	\$0.265005 <u>\$0.278255</u>
Winter – Off-peak	0.060165 <u>0.063173</u>	0.070985 <u>0.074534</u>
Summer – On-peak	0.352527 <u>0.370153</u>	0.230715 <u>0.242251</u>
Summer – Off-peak	0.062573 <u>0.065702</u>	0.072777 <u>0.076416</u>

Winter – On-peak is defined as the hours from 7 a.m. to 9 a.m. on Monday through Friday during the months of December, January and February, excluding any federal holiday occurring on those days. Winter – Off-peak is defined as all other hours during the months of December, January and February.

Summer – On-peak is defined as the hours from 3 p.m. to 5 p.m. on Monday through Friday during the months of March through October, excluding any federal holiday occurring on those days. Summer – Off-peak is defined as all other hours during the months of March through October.

The rate per month is subject to the annual inflation adjustment component pursuant to §22 - 166. Promptly after each annual inflation adjustment, the City will for informational purposes notify the Florida Public Services Commission in writing of its then current rates including any annual inflation adjustment.

- f. *Minimum Charge.* The minimum monthly bill shall be the customer charge plus other applicable charges, covered by ordinance, state statutes or federal law.

- g. *Maximum Charge.* After the customer's first three billing months under this rate schedule, at the customer's request, the City will calculate the total billings the customer would have been charged under the basic residential rate, Rate RS, and refund to the customer any excess of the actual billings under this rate over such calculated amount.
- h. *Term of Service.* Service under this TOU rate schedule shall be for a minimum initial term of twelve (12) months from commencement of service and shall continue thereafter until receipt of notice by the City from the customer to disconnect, or upon disconnect by the City as provided by City ordinance. Customers taking service under another rate schedule who elect to transfer to this rate must remain on this rate for a minimum of twelve (12) months. A customer taking service under this rate schedule who elects to transfer to another rate will be prohibited from taking service on this rate schedule again for a minimum of twelve (12) months.

SECTION II.

The rates set by this Ordinance shall take effect November 1, 2013, and remain in effect until October 31, 2014. On November 1, 2014, those rates each shall increase by 5%, and the increased rate shall remain in effect until October 31, 2015. Beginning November 1, 2015, the rates in effect from November 1, 2014 through October 31, 2015, each shall increase by 5%, and those increased rates shall remain in effect until September 30, 2016. On October 1, 2016, and each year thereafter, the automatic increases specified by §22 – 166 of the Code of Ordinances shall be applied to each rate schedule listed above. Between the effective date of this Ordinance and October 1, 2016, the annual increases specified in this Ordinance shall take the place of the automatic increases provided by §22 – 166.

SECTION III.

Except as specifically amended by this Ordinance, the provisions of §22 – 196 of the Code of Ordinances shall continue in full force and effect in the form existing prior to this Ordinance, and the rate increases specified in §22 – 166 shall continue to apply annually to any rates not specifically increased by this Ordinance.

SECTION IV.

All ordinances or part of ordinances which are in conflict with this Ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinance, in which case those ordinances so affected shall be hereby repealed in their entirety.

SECTION V.

If any portion of this Ordinance is declared invalid or unenforceable, and to the extent that it is possible to do so without destroying the overall intent and effect of this Ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of the ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION VI.

This Ordinance shall become effective upon its passage and adoption according to law, provided that the rate increases hereby imposed shall not take effect until November 1, 2013.

PASSED AND ADOPTED at the regular meeting of the City Commission of the City of Leesburg, Florida, held on the 22 day of July, 2013.

THE CITY OF LEESBURG, FLORIDA

BY: 
MAYOR

Attest: 
CITY CLERK

AN ORDINANCE OF THE CITY OF LEESBURG, FLORIDA, AMENDING §22-246 OF THE CODE OF ORDINANCES PERTAINING TO NATURAL GAS RATES; INCREASING MONTHLY CHARGES FOR ALL CLASSIFICATIONS OF CUSTOMER; PROVIDING FOR ANNUAL INFLATION ADJUSTMENT; CHANGING THE GROSS PROFIT MARGIN OF THE CITY; CHANGING THE CALCULATION METHOD FOR THE FUEL ADJUSTMENT CHARGE; REPEALING CONFLICTING ORDINANCES; PROVIDING A SEVERANCE CLAUSE; AND PROVIDING AN EFFECTIVE DATE.

BE IT ENACTED BY THE PEOPLE OF THE CITY OF LEESBURG, FLORIDA:

SECTION I.

§22-246 of the Code of Ordinances for the City of Leesburg, Florida, is hereby amended in its entirety to read as set forth below:

Sec. 22-246. Gas service rate schedule.

The rates for the furnishing of gas service by the city shall be as set forth below. Rates shown shall be subject to periodic adjustment under §22-166 of this Code. The automatic annual adjustment described by 22-166 shall not apply to the Energy Conservation Adjustment. Rates described herein shall be effective for all utility bills rendered on or after the first day of the month following adoption of this Ordinance.

(1) Residential.

- a. Applicable. Service under the rate shall apply only to gas service used in a single private dwelling unit and its appurtenances and used for other than heating only and shall not be resold. Each dwelling unit in an apartment house shall be separately metered. Housing projects in which gas service is furnished by the lessor may be singularly metered and billed.
- b. Deposits. Deposits for each account shall be required as set forth more particularly in § 22-181 of this Code.
- c. Monthly rate.
Availability charge exclusive of use . . . \$6.78
Delivery Charge per therm, effective 6-1-2007 0.464400

(2) Heating only, residential.

- a. Applicable. Service under this rate shall apply only to gas service used for heating only in a single private dwelling unit and its appurtenances and shall

not be resold. Each dwelling unit in an apartment shall be separately metered. Housing projects in which gas service is furnished by the lessor may be singularly metered and billed.

b. Deposits. Deposits for each account shall be required as set forth more particularly in § 22-181 of this Code.

c. Monthly rate.

Availability charge, exclusive of use . . . \$10.17

Delivery Charge per therm, effective 6-1-2007 0.464400

(3) Public building, commercial and small industrial (not contract).

a. Applicable. To all publicly owned buildings, school buildings, commercial and industrial consumers.

b. Monthly rate.

Availability charge, exclusive of use . . . \$10.17

Energy Charge per therm, effective 6-1-2007 0.464400

(4) Large industrial--Contract.

a. Applicable. Gas service under this rate shall apply to large consumers of gas.

b. Rate. The rate shall be as fixed by contract between the city and the consumer, negotiated by the city manager, with the approval of the city commission.

(5) Reconnection charge. When any service is cut off for nonpayment of bill, and when connection service is requested to be performed after normal business hours, the reconnection charge shall be pursuant to the Utility Service Fee Schedule described in §22-6 of this Code. Service will not be restored after it is cut off for nonpayment until the account is paid current and the reconnection charge is paid.

(6) Fuel adjustment charge. All non-contract natural gas rates shall include a fuel adjustment charge. The fuel adjustment charge is the average cost of natural gas, per delivered therm. The calculation of the fuel adjustment charge shall be based upon past and estimated future costs. The fuel adjustment charge shall be calculated by the Finance Director, or his delegate, and revised as frequently as necessary to assure that the City recovers the total cost of all natural gas purchased.

(7) Turn-off and turn-on fee for gas service interrupted at customer's request. Any gas service interrupted at the request of the customer and restored for the same customer at the same address shall have the fees assessed according to the Utility Service Fee Schedule pursuant to §22-6 of this Code.

(8) Master metering. Where natural gas service charges are measured, in whole or in part, by a master meter, the availability charge on the master meter shall be the number of units served by the master meter times the rate per month availability charge. All consumption on the master meter shall be billed at the monthly rate per therm, as applicable, plus all other charges. The master meter shall be classified to the rate schedule which yields the highest

revenue consistent with the applicability clauses of the rate classes. Each and every user served by the master meter may be billed, at the discretion of the city, for the fixed charge assessed for each user within the particular user's service classification, and the person or entity in whose name the master meter is registered on the city's records shall in such event be billed for the variable charge assessed for the service being provided. As used in this subsection, the following terms shall have the meanings indicated:

- a. Master meter: Shall refer to a meter measuring the service provided to two (2) or more occupancy units being served by a single meter.
- b. Occupancy unit: Shall refer to that portion of any commercial establishment, single- or multi-unit residential building, or trailer, mobile home, manufactured housing, or recreational vehicle park, or marina which is set apart from the rest of such facility by clearly determinable boundaries, as described in the rental, lease or ownership agreement for such unit, or in the absence of such an agreement, where that portion of the facility is clearly set apart from the rest of the facility in a manner which evidences an intent to render the unit suitable for occupancy as a residential, commercial or other space as a discrete unit, separate and apart from the use or occupancy of other units within the same facility.
- c. User: Shall refer to the occupant(s) of any individual occupancy unit served by a master meter.
- d. Fixed charge: Shall refer to the minimum charge imposed by the city during a billing period, in the particular customer's service classification, for the availability of the service, if no service is actually used by the customer in a given billing period.
- e. Variable charge: Shall refer to that portion of the bill for the utility service which is assessed in addition to the fixed charge and which is based on actual usage in a given billing period.

(9) Initial connection fee. An initial connection fee per utility shall be charged according to the Utility Service Fee Schedule described in §22-6 of this Code.

(10) Energy conservation adjustment (Rider ECA). A rider applicable to all firm standard natural gas therm rates to recover the cost of energy conservation programs undertaken by the Leesburg Gas System and approved by the city manager. The ECA will not be applied to interruptible natural gas or contract rates. The currently calculated ECA rate is:

Natural gas rate schedule ECA, per therm . . . \$0.05

The above ECA rate is based on twelve (12) months projected expense levels. This ECA rate will normally be reviewed semi-annually in April and October and may be adjusted upward or downward based on actual and projected energy conservation program costs and projected consumption levels in order to recover the total cost of applicable gas system programs, including energy conservation incentive payments as well as the labor and other costs attributable to such energy conservation programs. The over and under recovery of these ECA costs will be computed and an adjustment in the ECA rate will be made. However, the ECA rate will be adjusted anytime the over or under recovery for a 12-month

period exceeds or is projected to exceed fifty thousand dollars (\$50,000.00) Any adjustment must be approved by the city manager and will be reported to the city commission at the first regularly scheduled commission meeting following the adjustment.

(11) Tax adjustment clause, TAC.

- a. Applicability. Tax adjustment clause shall be applicable to the monthly rate of each filed rate schedule as indicated with reference to billing adjustment.
- b. Calculation of tax adjustment. Calculation shall be minus or plus the applicable proportionate part of any taxes and assessments imposed by any governmental authority below or in excess of those in effect on the effective date hereof including, but not limited to, the City of Leesburg's Utility Service Tax, which are assessed on the basis of revenues from natural gas or service sold or the volume of natural gas purchased for sale or sold. Such taxes and assessments are to be reflected on the bills of only those customers within the jurisdiction of the governmental authority imposing the taxes and assessments.

SECTION II.

If any portion of this ordinance is declared invalid or unenforceable, then to the extent it is possible to do so without destroying the overall intent and effect of this ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of this ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION III.

All ordinances or parts of ordinances which are in conflict with this ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinance, in which case those ordinances so affected shall be hereby repealed in their entirety.

SECTION IV.

This ordinance shall become effective immediately upon its passage.

In all categories, for installations which have fire protection systems utilizing city water, whether or not metered, there shall be imposed a monthly availability charge, regardless of actual usage, in the amount of \$2.00 per inch diameter of service pipe serving the fire protection system.

(b) Deposits for each account shall be required as set forth more particularly in section 22-181 of this Code.

(c) A reconnection charge, when service is cut off for nonpayment of bill, and when connection service is requested to be performed after normal business hours, will be imposed as provided in the utility service fee schedule adopted or amended from time to time by Resolution of the City Commission.

(d) Service will not be turned on after it is cut off for nonpayment until the account is paid current and cut-on charge is paid. In those installations which have fire protection systems which are operated by city water, service shall remain turned on to the fire protection system as a matter of public safety, however there shall be charged, in addition to the normal reconnection charge, a reconnection surcharge of two dollars (\$2.00) per month per inch diameter of service pipe serving the installation.

(e) Where water service charges are measured, in whole or in part, by a master meter, the availability charge on the master meter shall be the number of units served by the master meter times the rate per month availability charge. All consumption on the master meter shall be billed at the charge per one hundred (100) cubic feet, as applicable, plus all other charges. The master meter shall be classified to the rate schedule which yields the highest revenue consistent with the applicability clauses of the rate classes. Each and every user served by the master meter may be billed, at the discretion of the city, for the fixed charge assessed for each user within the particular user's service classification, and the person or entity in whose name the master meter is registered on the city's records shall in such event be billed for the variable charge assessed for the service being provided. As used in this subsection, the following terms shall have the meanings indicated:

(1) *Master meter*: Shall refer to a meter measuring the service provided to two (2) or more occupancy units being served by a single meter.

(2) *Occupancy unit*: Shall refer to that portion of any commercial establishment, single- or multi-unit residential building, or trailer, mobile home, manufacture housing, or recreational vehicle park, or marina which is set apart from the rest of such facility by clearly determinable boundaries, as described in the rental, lease or ownership agreement for such unit, or in the absence of such an agreement, where that portion of the facility is clearly set apart from the rest of the facility in a manner which evidences an intent to render the unit suitable for occupancy as a residential, commercial or other space as a discrete unit, separate and apart from the use or occupancy of other units within the same facility.

(3) *User*: Shall refer to the occupant(s) of any individual occupancy unit served by a master meter.

(4) *Fixed charge*: Shall refer to the minimum charge imposed by the city during a billing period, in the particular customer's service classification, for the availability of the service, whether or not service is actually used by the customer in a given billing period.

(5) *Variable charge*: Shall refer to that portion of the bill for the utility service which is assessed in addition to the fixed charge and which is based on actual usage in a given billing period.

SECTION 2.

All ordinances or parts of ordinances which are in conflict with this ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinances, in which case those ordinances so effected shall be hereby repealed in their entirety. Except as specifically modified by this Ordinance, the provisions of Ordinance 09 – 64 are hereby ratified and confirmed as originally enacted and shall be and remain in full force *nunc pro tunc* to its original adoption date of October 26, 2009.

SECTION 3.

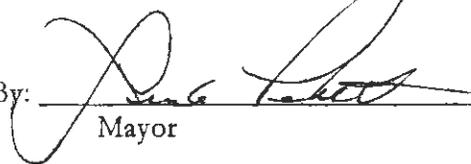

If any portion of this ordinance is declared invalid or unenforceable, and to the extent it is possible to do so without destroying the overall intent and effect of this ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of this ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION 4.

This ordinance shall become effective upon passage.

PASSED AND ADOPTED at the regular meeting of the City Commission of the City of Leesburg, Florida, held on the 21 day of December, 2009.

THE CITY OF LEESBURG

By:  _____
Mayor

ATTEST:

 _____
City Clerk

AN ORDINANCE OF THE CITY OF LEESBURG, FLORIDA, AMENDING §22 – 211 OF THE CODE OF ORDINANCES PERTAINING TO WATER RATES, PROVIDING NEW RATE TABLES FOR CUSTOMERS CONNECTED TO THE ROYAL HIGHLANDS WATER TREATMENT PLANT; AMENDING SUBSECTIONS (a)(3) AND (a)(4) OF §22 – 211 TO EXCLUDE FROM THE RATE TABLES IN THOSE SUBSECTIONS ANY CUSTOMERS CONNECTED TO THE ROYAL HIGHLANDS WATER TREATMENT PLANT; CREATING SUBSECTIONS (a)(5) AND (a)(6) OF §22 – 211 TO SPECIFY THE RATES FOR CUSTOMERS CONNECTED TO THE ROYAL HIGHLANDS WATER TREATMENT PLANT; LIMITING CONNECTIONS TO THE ROYAL HIGHLANDS WATER TREATMENT PLANT TO CONFORM TO THE WITHDRAWAL LIMITATIONS FOR THAT FACILITY IN THE CITY'S CONSUMPTIVE USE PERMIT; SETTING FOR LEGISLATIVE FINDINGS; REPEALING CONFLICTING ORDINANCES; AND PROVIDING AN EFFECTIVE DATE.

NOW THEREFORE, BE IT ENACTED BY THE PEOPLE OF THE CITY OF LEESBURG, FLORIDA:

SECTION I.

The City Commission of the City of Leesburg, Florida, makes the following legislative findings with respect to the rates charged for water supplied by the City's Royal Highlands Water Treatment Plant:

- The City of Leesburg provides potable water to its customers under the provisions of Consumptive Use Permit (CUP) # 94, issued by St. Johns River Water Management District (SJRWMD).
- CUP # 94 was issued by SJRWMD on November 16, 2010.
- SJRWMD has previously established Minimum Flows and Levels (MFL's) for Lake Apshawa (North and South).
- The MFL's for Lake Apshawa have been violated in the historic period since establishment of the MFL's for that body of water.
- CUP permitting rules prohibit issuance of a permit which will impact an MFL which has been violated.
- Hydrogeologic modeling of ground water withdrawals from the Royal Highlands Wellfield demonstrated that the MFL's for Lake Apshawa would be impacted by then-current withdrawals, necessitating a reduction of ground water withdrawals from the Royal Highlands Wellfield.
- CUP # 94 contains Condition # 24, which allocates maximum annual groundwater withdrawals from the Royal Highlands Wellfield as follows:
 - 354.05 million gallons (0.97 million gallons per day (mgd) average) in 2010,
 - 321.20 million gallons (0.88 mgd average) in 2011,
 - 292.00 million gallons (0.80 mgd average) in 2012,
 - 277.40 million gallons (0.76 mgd average) in 2013,
 - 266.45 million gallons (0.73 mgd average) in 2014,

- 259.15 million gallons (0.71 mgd average) in 2015 and,
- 251.85 million gallons (0.69 mgd average) in 2016 through 2030.
- 2010 groundwater withdrawals from the Royal Highlands Wellfield were 0.94 mgd, which is acceptable under condition # 24 but exceeds the allocation for 2011.
- Implementation of an enhanced conservation rate structure is necessary to discourage high water consumption that would cause overwithdrawal from the Royal Highlands Wellfield and therefore violate Condition 24 of CUP # 94 in 2011 and succeeding years.
- The enhanced conservation rate structure should be applied to all residential customers attached to the Royal Highlands Water Treatment Plant.

SECTION II.

§22 – 211(a) of the Code of Ordinances of the City of Leesburg, Florida, is hereby amended to read as follows:

If the withdrawals from the Royal Highlands Wellfield have been within limits established in Condition 24 of Consumptive Use Permit 94 for two consecutive full calendar years after the effective date of this Ordinance, the BAS4 rates shown in subsections (3) and (4) above, for customers connected to the Royal Highlands Water Treatment Plant only, as those rates may have been adjusted under §22 – 166 of this Code, shall decrease by 25%, and BAS5 rates shown in those same subsections (as adjusted under §22 – 166) shall decrease by 33%. However, if in any calendar year withdrawals exceed the limits of Condition 24, the BAS4 and BAS5 rates in those subsections

shall revert to the higher rate for BAS4 and BAS5, computed based on the rates shown in those subsections as adjusted under §22 – 166 up to the time of the increase.

No additional connections shall be made to the Royal Highlands Water Treatment Plant following the effective date of this Ordinance, except for the following:

- (i) Lots within the following plats comprising the development Royal Highlands, which have never been connected to the Royal Highlands Water Treatment Plant before the effective date of this Ordinance: Plat Book 37, Page 3; Plat Book 43, Page 66; Plat Book 39, Page 32; Plat Book 40, Page 34; Plat Book 41, Page 49; Plat Book 44, Page 31; Plat Book 44, Page 91; Plat Book 46, Page 59; Plat Book 50, Page 30; and Plat Book 38, Page 16; all in the Public Records of Lake County, Florida.
- (ii) Lots within the plat of Whitemarsh, according to the plat thereof recorded in Plat Book 61, Page 22, Public Records of Lake County, Florida, which have never been connected to the Royal Highlands Water Treatment Plant before the effective date of this Ordinance.
- (iii) Such other connections as are approved by Resolution adopted by the Leesburg City Commission.

In all categories, for installations which have fire protection systems utilizing City water, whether or not metered, there shall be imposed a monthly availability charge, regardless of actual usage, in the amount of two dollars (\$2.00) per inch diameter of service pipe serving the fire protection system.

SECTION III.

All ordinances or part of ordinances which are in conflict with this Ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinance, in which case those ordinances so affected shall be hereby repealed in their entirety.

SECTION IV.

If any portion of this Ordinance is declared invalid or unenforceable, and to the extent that it is possible to do so without destroying the overall intent and effect of this Ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of the ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION V.

This Ordinance shall become effective upon its passage and adoption according to law.

PASSED AND ADOPTED at the regular meeting of the City Commission of the City of Leesburg, Florida, held on the 25 day of July, 2011.

THE CITY OF LEESBURG, FLORIDA

AN ORDINANCE OF THE CITY OF LEESBURG, FLORIDA, INCREASING RATES FOR THE WATER AND WASTE WATER UTILITIES BY 1.0% OVER EXISTING RATES, SPECIFYING HOW THE ANNUAL INDEX DRIVEN RATE INCREASE PROVIDED BY §22 – 166 OF THE CODE OF ORDINANCES SHALL BE APPLIED IN CONJUNCTION WITH THE INCREASE IMPOSED IN THIS ORDINANCE, EXEMPTING DEPOSIT REQUIREMENTS FROM THE RATE INCREASE, REPEALING CONFLICTING ORDINANCES, PROVIDING A SAVINGS CLAUSE, AND PROVIDING AN EFFECTIVE DATE.

BE IT ENACTED BY THE PEOPLE OF THE CITY OF LEESBURG, FLORIDA:

SECTION I.

§22 – 211 of the Code of Ordinances is amended to increase all rates for water service which are in effect as of September 30, 2012 (including any prior adjustments applied under §22 – 166 of this Code), effective as to all bills rendered on or after October 1, 2012, by 1.0%. This increase shall not apply to deposit requirements. The increase imposed annually by §22 – 166 shall be applied on October 1, 2012, to the rate including the additional 1.0% increase imposed by this Ordinance.

SECTION II.

§22 – 227 of the Code of Ordinances is amended to increase all rates for pollution abatement charges which are in effect as of September 30, 2012 (including any prior adjustments applied under §22 – 166 of this Code), effective as to all bills rendered on or after October 1, 2012, by 1.0%. This increase shall not apply to deposit requirements. The increase imposed annually by §22 – 166 shall be applied on October 1, 2012, to the rate including the additional 1.0% increase imposed by this Ordinance.

SECTION III.

All ordinances or part of ordinances which are in conflict with this Ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinance, in which case those ordinances so affected shall be hereby repealed in their entirety.

SECTION IV.

If any portion of this Ordinance is declared invalid or unenforceable, and to the extent that it is possible to do so without destroying the overall intent and effect of this Ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of the ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION V.

This Ordinance shall become effective upon its passage and adoption according to law.

PASSED AND ADOPTED at the regular meeting of the City Commission of the City of Leesburg, Florida, held on the 22nd day of October, 2012.

SECTION 2.

All ordinances or part of ordinances which are in conflict with this Ordinance are hereby repealed, to the extent necessary to alleviate the conflict, but shall continue in effect insofar as they are not in conflict herewith, unless repeal of the conflicting portion destroys the overall intent and effect of any of the conflicting ordinance, in which case those ordinances so affected shall be hereby repealed in their entirety.

SECTION 3.

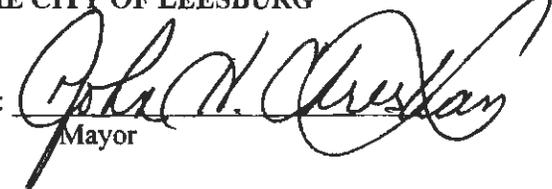

If any portion of this Ordinance is declared invalid or unenforceable, and to the extent that it is possible to do so without destroying the overall intent and effect of this Ordinance, the portion deemed invalid or unenforceable shall be severed herefrom and the remainder of the ordinance shall continue in full force and effect as if it were enacted without including the portion found to be invalid or unenforceable.

SECTION 4.

This Ordinance shall become effective upon its passage and adoption according to law.

PASSED AND ADOPTED at the regular meeting of the City Commission of the City of Leesburg, Florida, held on the 11th day of February, 2008.

THE CITY OF LEESBURG
