Volunteers Needed!

Want to make a difference in the lives of the youth in Leesburg? All youth recreational programs and leagues utilize volunteer parents/adults to serve as coaches, team helpers, and program organizers. These volunteers are key to making many our programs a success. Without the generous spirit and time commitment by volunteers, these programs would not be possible.

Volunteers are expected to be positive role models for players, parents, and spectators. They teach and stress age appropriate skills and fundamentals. They promote good sportsmanship and fairness at all times. If you are interested in becoming a volunteer, please indicate that on your child's registration form or contact the Parks and Recreation office at (352) 728 9885. All volunteers are required to pass a background check prior to beginning volunteering.

Become a Recreation Sponsor!

The Leesburg Recreation Department's mission is to enhance the quality of life for Leesburg citizens by providing affordable, high quality recreation facilities, programs and services.

Each time a child joins a team, or puts on a uniform to play in a game they experience a sense of accomplishment and pride. They also learn the valuable lessons of teamwork, sportsmanship, and the importance of an active lifestyle all while creating memories that will last with them for their lifetime.

The City of Leesburg Recreation Department is able to provide first class programs due to the generosity of sponsors. Sponsorships and Donations are tax deductible.
