Dear Charlie:

Hanson Professional Services Inc. has completed the tabulation and analysis of bids received January 12, 2010, for the referenced project. The certified tabulation accompanies this letter. Briefly, the low bidder for Runway 3-21 Rehabilitation & New Taxiway Connector work is Hewitt Contracting Company, Inc., Florida Contractor License No. CGC 006692 with a total bid amount of \$794,185.00 for the Base Bid, \$81,956.50 for Additive Alternate One, \$101,021.60 for Additive Alternate Two, and \$186,372.00. for Additive Alternate Three. The project is currently funded through the Florida Department of Transportation (FDOT) with a \$500,000.00 grant. FDOT will be supplementing this grant to fund up to 80 percent of construction and engineering fees of the entire bid amount. We recommend award to Hewitt Contracting Company, Inc. for the following bid items:

- Additive Alternate One: \$ 81,956.50
- Additive Alternate Two: \$101,021.60

The total project bid is \$1,163,535.10.

We recommend that the bid bonds for both Hewitt Contracting Company, Inc., and C.W. Roberts Contracting, Inc., (the second low bidder) be held until the project is awarded, the low bidder executes the contract for the work with the City and supplies all necessary bonds and insurance. All other bid bonds may be returned.

Hanson Professional Services Inc. is pleased to be of continuing professional service on this project. Please contact me if there are any questions.

Sincerely yours,
