Re: Not to Exceed \$15,370,000 aggregate principal amount of City of Leesburg, Florida Capital Improvement Refunding Revenue Bonds, Series 2013

Dear Mr. Sharp:

Attached please find one copy of each of Assured Guaranty Municipal Corp.'s ("AGM") municipal bond insurance commitment letter and municipal bond debt service reserve insurance commitment letter, both in respect of the above-referenced issue. Please return one fully executed copy of each to Nicole DiMarco, of our office, prior to any reference to AGM as insurer of the issue being made in marketing efforts in respect of the issue.

Please note that a blacklined copy of each draft of the financing documents, opinions, preliminary and final official statements and bond proof should be delivered to AGM for review and comment.

Attached as a link to this e-mail is AGM's website, where the logo, statement of insurance, disclosure language, specimen policy, procedures for premium payment, form of opinion and form of disclosure, no default and tax certificate may be accessed and downloaded as needed. AGM will require, prior to closing, four hard copies of the final official statement.

Upon acceptance and satisfaction of the conditions of the Commitment, the following must occur in order for AGM to complete its review of applicable disclosure and financing documents in advance of the closing date, request the assignment of an insured rating for the Bonds, and timely issue its insurance policy:

- The financing schedule and a distribution list should be forwarded to the attention of the Closing Coordinator listed below.
- A copy of (i) the preliminary official statement and the final official statement, each of which shall include the disclosure provided by AGM and the specimen policy and any other references to AGM, and (ii) the Bonds, together with the legend to be affixed to such Bonds, must be delivered to the Closing Coordinator by fax or e-mail in order that AGM may confirm its accuracy.
- Once determined, the underwriters' final pricing numbers, including the final debt service schedule for the Bonds, should be delivered to the credit analyst and Closing Coordinator responsible for the transaction by fax and/or e-mail in order that AGM may confirm the premium to be paid for the insurance policy and request the assignment of an insured rating for the Bonds.
- A copy of either (i) the final pricing wire with CUSIP numbers shown or CUSIP wire evidencing the CUSIP numbers assigned to the Bonds; or (ii) the letter from the CUSIP Service Bureau listing the CUSIP numbers assigned to the Bonds should be delivered to the Closing Coordinator listed below by fax and/or email in order that AGM may request the assignment of an insured rating for the Bonds.

AGM will deliver to Bond Counsel at the pre-closing, assuming the requirements of the Commitment have been met, an opinion of counsel as to the validity of the insurance policy, a disclosure, no default and tax certificate and the executed original insurance policy. Prior to the closing, AGM will obtain rating letters from the rating agencies indicated in the official statement. Note that any questions with regard to rating agency fees should be directed to the respective rating agency.

MUNICIPAL BOND INSURANCE COMMITMENT

ASSURED GUARANTY MUNICIPAL CORP. ("AGM") hereby commits to issue its Municipal Bond Insurance Policy (the "Policy") relating to whole maturities of the debt obligations described in Exhibit A attached hereto (the "Bonds"), subject to the terms and conditions set forth in this Commitment or added hereto (the "Commitment"). For the avoidance of doubt, each of the Exhibits attached hereto is an integrated part of this Commitment. To keep this Commitment in effect after the Expiration Date set forth in Exhibit A attached hereto, a request for renewal must be submitted to AGM prior to such Expiration Date. AGM reserves the right to refuse wholly or in part to grant a renewal.

THE MUNICIPAL BOND INSURANCE POLICY SHALL BE ISSUED IF THE FOLLOWING CONDITIONS ARE SATISFIED:

1. The transaction documents to be executed and delivered in connection with the issuance and sale of the Bonds shall not contain any untrue or misleading statement of a material fact and shall not fail to state a material fact necessary in order to make the information contained therein not misleading.
2. No event shall occur which would permit any underwriter or purchaser of the Bonds, otherwise required, not to be required to underwrite or purchase the Bonds on the date scheduled for the issuance and delivery thereof ("Closing Date").
3. On the date hereof and on the Closing Date, there shall have been no material adverse change in or affecting the Issuer or the Bonds (including, without limitation, the security for the Bonds or the proposed debt service schedule of the Bonds), any disclosure document relating to the Bonds (the "Official Statement"), the financing documents to be executed and delivered with respect to the Bonds, the legal opinions to be executed and delivered in connection with the issuance and sale of the Bonds, or any other information submitted to AGM with respect to the referenced transaction, or the Bonds, from that previously delivered or otherwise communicated to AGM.
4. The Bonds shall contain no reference to AGM, the Policy or the insurance evidenced thereby except as may be approved by AGM. BOND PROOFS SHALL HAVE BEEN APPROVED BY AGM PRIOR TO PRINTING. The Bonds shall bear a Statement of Insurance in the form provided by AGM.
5. AGM shall be provided with:
 - (a) Executed copies of all financing documents, the Official Statement and the various legal opinions delivered in connection with the issuance and sale of the Bonds (which shall be dated the Closing Date and which, except for the opinions of counsel relating to the adequacy of disclosure, shall be addressed to AGM or accompanied by a letter of such counsel permitting AGM to rely on such opinion as if such opinion were addressed to AGM), including, without limitation, the approving opinion of bond counsel. Each of the foregoing shall be in form and substance acceptable to AGM. Copies of all drafts of such documents prepared subsequent to the date of the Commitment (blacklined to reflect all revisions from previously reviewed drafts) shall be furnished to AGM for review and approval. Final drafts of such documents shall be provided to AGM at least three (3) business days prior to the issuance of the Policy, unless AGM shall agree to some shorter period.
 - (b) Evidence of wire transfer in federal funds of an amount equal to the insurance premium, unless alternative arrangements for the payment of such amount acceptable to AGM have been made prior to the delivery date of the Bonds.
 - (c) Standard & Poor's Rating Service and Moody's Investors Service Inc. will separately present bills for their respective fees relating to the Bonds. Payment of such bills by the Issuer should be made directly to such rating agency. Payment of the rating fee is not a condition to release of the Policy by AGM.
6. Promptly after the closing of the Bonds, AGM shall receive three completed sets of executed documents (one original and either (i) two photocopies (each unbound) or (ii) two compact discs).
7. The Official Statement shall contain the language provided by AGM and only such other references to AGM or otherwise as AGM shall supply or approve. AGM SHALL BE PROVIDED WITH FOUR PRINTED COPIES OF THE OFFICIAL STATEMENT.

Authorized Officer

*To maintain the Commitment in effect until the Expiration Date, AGM must receive a duplicate of this Exhibit A executed by an authorized officer of the Issuer by the earlier of the date on which the Official Statement containing disclosure language regarding AGM is circulated and ten days from the date of this Commitment.

The undersigned, an authorized officer of the Issuer, agrees that (i) if the Bonds are insured by a policy of municipal bond insurance, such insurance shall be provided by AGM in accordance with the terms of this Commitment; (ii) the Issuer has made its own independent investigation and decision as to whether to insure the payment when due of the principal of and interest on the Bonds and whether the Policy is appropriate or proper for it based upon its own judgment and upon advice from such legal and financial advisers as it has deemed necessary; (iii) AGM has not made, and therefore the Issuer is not relying on, any recommendation from AGM that the Issuer insure the Bonds or obtain the Policy; it being understood and agreed that communications from AGM (whether written or oral) referring to, containing information about or negotiating the terms and conditions of the Policy, any related insurance document or the documentation governing the Bonds do not constitute a recommendation to insure the Bonds or obtain the Policy; (iv) the Issuer acknowledges that AGM has not made any representation, warranty or undertaking, and has not given any assurance or guaranty, in each case, expressed or implied, its future financial strength or the rating of AGM's financial strength by the rating agencies; (v) the Issuer acknowledges that the ratings of AGM reflect only the views of the rating agencies and an explanation of the significance of such ratings may be obtained only from the rating agencies; (vi) the Issuer understands that such ratings may not continue for any given time period and instead may change over time, including without limitation being placed under review for possible downgrade, revised downward, withdrawn entirely by the relevant rating agency if, in the judgment of such rating agency, circumstances so warrant, or withdrawn entirely by AGM in its sole discretion; (vii) the Issuer acknowledges that AGM undertakes no responsibility to bring to its attention, and shall have no liability for, the

placement of a rating under review for possible downgrade or the downward revision or withdrawal of any rating obtained, and that any such review for possible downgrade, downward revision or withdrawal may have an adverse effect on the Bonds; and (viii) the Issuer acknowledges that AGM pays rating agencies to rate AGM's financial strength, but that such payment is not in exchange for any specific rating or for a rating within any particular range. ***Notwithstanding anything to the contrary set forth herein, the provisions set forth under subparagraphs (ii) through (viii) above shall survive the expiration or termination of this Commitment.***

OPINION REQUIREMENTS

1. Each of the Resolution, Bonds and other transaction documents (collectively, the "Related Documents") is a legal, valid and binding obligation of the parties thereto, has been duly authorized, executed and delivered and is enforceable in accordance with its terms.
2. There is no litigation or other proceeding pending or, to the best of such counsel's knowledge, threatened in any court, agency or other administrative body (either State or Federal) which could have a material adverse effect on (a) the financial condition of the Issuer, (b) the ability of the Issuer to perform its obligations under the Related Documents, (c) the security for the Bonds or (d) the transactions contemplated by the Related Documents.
3. Nothing has come to the attention of disclosure counsel which would cause them to believe that, as of the closing date, the final Official Statement (excluding information provided by AGM) contains any untrue statement of a material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.
4. The Bonds are payable from and secured by a valid lien on and pledge of the Pledged Revenues in the manner and to the extent provided in the Resolution. The Issuer is duly authorized to pledge such Pledged Revenues, and no further action on the part of the Issuer or any other party is required to perfect the same or the interest of the Bondowners therein.

RESOLUTION REQUIREMENTS

The Resolution shall incorporate the following requirements either in one section or article entitled "Provisions Relating to Bond Insurance" (or the like), **the provisions of which section or article shall be stated in the Resolution to govern, notwithstanding anything to the contrary set forth in the Resolution**, or individually in the appropriate sections:

- (a) "Insurance Policy" shall be defined as follows: "the insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of and interest on the Bonds when due". "Insurer" shall be defined as follows: "Assured Guaranty Municipal Corp., a New York stock insurance company, or any successor thereto or assignee thereof".
- (b) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Series 2013 Reserve Account. Notwithstanding anything to the contrary set forth in the Resolution, amounts on deposit in the Series 2013 Reserve Account shall be applied solely to the payment of debt service due on the Bonds.
- (c) The Insurer shall be deemed to be the sole holder of the Insured Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pursuant to the Resolution pertaining to (i) defaults and remedies and (ii) the duties and obligations of the Paying Agent. Remedies granted to the Bondholders shall expressly include mandamus.
- (d) No grace period for a covenant default shall exceed 30 days or be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.
- (e) The Insurer shall be included as a third party beneficiary to the Resolution.
- (f) Upon the occurrence of an extraordinary optional, special or extraordinary mandatory redemption in part, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of the Resolution which permits the purchase of Bonds in lieu of redemption shall require the prior written approval of the Insurer if any Bond so purchased is not cancelled upon purchase.
- (g) Any amendment, supplement, modification to, or waiver of, the Resolution or any other transaction document, including any underlying security agreement (each a "Related Document"), that requires the consent of Bondowners or adversely affects the rights and interests of the Insurer shall be subject to the prior written consent of the Insurer.
- (h) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the Construction Fund shall not be disbursed, but shall instead be applied to the payment of debt service or redemption price of the Bonds.
- (i) The rights granted to the Insurer under the Resolution or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the Bondholders and such action does not evidence any position of the Insurer, affirmative or negative, as to whether the consent of the Bondowners or any other person is required in addition to the consent of the Insurer.
- (j) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to

any person claiming through the custodian or to whom the custodian may be obligated, (4) subject to the prior written consent of the Insurer, pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively, or (5) subject to the prior written consent of the Insurer, securities eligible for "AAA" defeasance under then existing criteria of S & P or any combination thereof, shall be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer "Outstanding" under the Resolution and (iv) a certificate of discharge of the Paying Agent with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, Paying Agent and Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Bonds shall be deemed "Outstanding" under the Resolution unless and until they are in fact paid and retired or the above criteria are met.

- (k) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Resolution and the Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Resolution. The Resolution shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.
- (l) Each of the Issuer and Paying Agent covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to preserve the priority of the pledge of the Trust Estate under applicable law.
- (m) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Paying Agent, after making all transfers and deposits required under the Resolution, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent shall give notice to the Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Paying Agent shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

The Paying Agent shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Assured Guaranty Municipal Corp., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Paying Agent's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of the Insurer.

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Insurance Policy, the Paying Agent shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to Bondholders in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything herein to the contrary, the Issuer agrees to pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Insurance Policy (the "Insurer Advances"); and (ii) interest on such Insurer Advances from the date paid by the Insurer until payment thereof in full, payable to the Insurer at the Late Payment Rate per annum (collectively, the "Insurer Reimbursement Amounts"). "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that the Insurer Reimbursement Amounts are secured by a lien on and pledge of the Pledged Revenues and payable from such Pledged Revenues on a parity with debt service due on the Bonds.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any costs, expenses or liabilities of the Paying Agent. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Insurer.

- (n) The Insurer shall, to the extent it makes any payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. Each obligation of the Issuer to the Insurer under the Related Documents shall survive discharge or termination of such Related Documents.
- (o) The Issuer shall pay or reimburse the Insurer any and all charges, fees, costs and expenses that the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Resolution or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Resolution or any other Related Document whether or not executed or completed, or (iv) any litigation or other dispute in connection with the Resolution or any other Related Document or the transactions contemplated thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Resolution or any other Related Document.
- (p) After payment of reasonable expenses of the Paying Agent, the application of funds realized upon default shall be applied to the payment of expenses of the Issuer or rebate only after the payment of past due and current debt service on the Bonds and amounts required to restore the Series 2013 Reserve Account to the Reserve Requirement.

- (q) The Insurer shall be entitled to pay principal or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Resolution, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.
- (r) The notice address of the Insurer is: Assured Guaranty Municipal Corp., 31 West 52nd Street, New York, New York 10019, Attention: Managing Director – Surveillance, Re: Policy No. _____, Telephone: (212) 826-0100; Telecopier: (212) 339-3556. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of the General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."
- (s) The Insurer shall be provided with the following information by the Issuer or Paying Agent, as the case may be:
- (i) Annual audited financial statements within 180 days after the end of the Issuer's fiscal year (together with a certification of the Issuer that it is not aware of any default or Event of Default under the Resolution), and the Issuer's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;
 - (ii) Notice of any draw upon the Series 2013 Reserve Account within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Reserve Requirement and (ii) withdrawals in connection with a refunding of Bonds;
 - (iii) Notice of any default known to the Paying Agent or Issuer within five Business Days after knowledge thereof;
 - (iv) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;
 - (v) Notice of the resignation or removal of the Paying Agent and Bond Registrar and the appointment of, and acceptance of duties by, any successor thereto;
 - (vi) Notice of the commencement of any proceeding by or against the Issuer commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");
 - (vii) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;
 - (viii) A full original transcript of all proceedings relating to the execution of any amendment, supplement, or waiver to the Related Documents; and
 - (ix) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.

In addition, to the extent that the Issuer has entered into a continuing disclosure agreement, covenant or undertaking with respect to the Bonds, all information furnished pursuant to such agreements shall also be provided to the Insurer, simultaneously with the furnishing of such information.

- (t) The Insurer shall have the right to receive such additional information as it may reasonably request.

- (u) The Issuer will permit the Insurer to discuss the affairs, finances and accounts of the Issuer or any information the Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the Issuer and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the Issuer on any business day upon reasonable prior notice.
- (v) The Issuer shall notify the Insurer of any failure of the Issuer or to provide notices, certificates and other information under the transaction documents.
- (w) Notwithstanding satisfaction of the other conditions to the issuance of Additional Bonds set forth in the Resolution, no such issuance may occur (1) if an Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) exists unless such default shall be cured upon such issuance and (2) unless the Series 2013 Reserve Account is fully funded at the Reserve Requirement (including the proposed issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Insurer.
- (x) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under the Resolution would adversely affect the security for the Bonds or the rights of the Bondholders, the Paying Agent shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.
- (y) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.
- (z) If the Bonds are issued for refunding purposes, there shall be delivered an opinion of Bond Counsel addressed to the Insurer (or a reliance letter relating thereto), or a certificate of discharge of the Paying Agent for the Refunded Bonds, to the effect that, upon the making of the required deposit to the escrow, the legal defeasance of the Refunded Bonds shall have occurred. An executed copy of each of such opinion and reliance letter, if applicable, or Paying Agent's discharge certificate, as the case may be, shall be forwarded to the Insurer prior to delivery of the Bonds.
- (aa) Any interest rate exchange agreement ("Swap Agreement") entered into by the Issuer shall meet the following conditions: (i) the Swap Agreement must be entered into to manage interest costs related to, or a hedge against (a) assets then held, or (b) debt then outstanding, or (iii) debt reasonably expected to be issued within the next twelve (12) months, and (ii) the Swap Agreement shall not contain any leverage element or multiplier component greater than 1.0x unless there is a matching hedge arrangement which effectively off-sets the exposure from any such element or component. Unless otherwise consented to in writing by the Insurer, any uninsured net settlement, breakage or other termination amount then in effect shall be subordinate to debt service on the Bonds and on any debt on parity with the Bonds. The Issuer shall not terminate a Swap Agreement unless it demonstrates to the satisfaction of the Insurer prior to the payment of any such termination amount that such payment will not cause the Issuer to be in default under the Related Documents, including but not limited to, any monetary obligations thereunder. All counterparties or guarantors to any Swap Agreement must have a rating of at least "A-" and "A3" by Standard & Poor's ("S&P") and Moody's Investors Service ("Moody's"). If the counterparty or guarantor's rating falls below "A-" or "A3" by either S&P or Moody's, the counterparty or guarantor shall execute a credit support annex to the Swap Agreement, which credit support annex shall be acceptable to the Insurer. If the counterparty or the guarantor's long term unsecured rating falls below "Baa1" or "BBB+" by either Moody's or S&P, a replacement counterparty or guarantor, acceptable to the Insurer, shall be required.
