THIS AGREEMENT is made as of the 8th day of July in the year 2013, between The City of Leesburg, a Florida Municipal Corporation, whose address is 501 West Meadow Street, Post Office Box 490630, Leesburg, Florida 34749-0630 (hereinafter referred to as the "CITY"), and **GRUBBS EMERGENCY SERVICES, LLC** whose address is P.O. Box 468, Aripeka, FL 34679 (hereinafter referred to as the "CONTRACTOR").

NOW, THEREFORE, in consideration of the mutual benefits accruing to the parties to this Agreement, and for other good and valuable considerations, the parties agree as follows:

1. **Services.** The CONTRACTOR shall furnish Debris Removal Services - Emergency Response to the CITY as listed in Invitation to Bid 130381 and as described in **EXHIBIT "A"**. The unit costs of the services shall not exceed those stated in **EXHIBIT "B"** except where the cost adjustment clause has been exercised following the initial Performance Period. Nothing herein shall limit the CITY'S right to obtain proposals or services from other contractors for same or similar work.

2. **Labor and Materials.** The CONTRACTOR shall furnish all labor, material and equipment necessary for satisfactory contract performance. When not specifically identified in the specifications, such materials and equipment shall be of a suitable type and grade for the purpose.

3. **Payment.** All invoices shall contain the purchase order number, date and location of services provided quantity of services, CITY pay item number, item description and confirmation of acceptance of the services by the appropriate City representative. Failure to submit invoices in the prescribed manner will delay payment. Payments shall be tendered in accordance with the Florida Prompt Payment Act, Part VII, Chapter 218, Florida Statutes.

a. **Method of Payment** – The provisions of Section 4, Item 4.0 Payment Conditions of ITB 130381 shall apply.

4. **Term of Agreement.** The initial term of the Agreement will be through September 30, 2016.

b. **Option to Renew.** The CITY may renew the Agreement for an additional term or terms not to exceed a total of three (3) additional years, if mutually agreed upon by the CONTRACTOR and the CITY.

5. **Termination.** Notwithstanding any other provision of this Agreement, CITY may, upon fifteen (15) days written notice to CONTRACTOR, terminate this Agreement with or without cause. In the event of such termination, CITY shall be liable only for the payment of all unpaid charges, determined in accordance with the provisions of this Agreement, for work, properly performed prior to the effective date of termination.

6. **Initial Performance Period** – All Pricing will be firm and fixed through September 30, 2014. Following the initial performance period the CONTRACTOR may request a price adjustment as provided for in the Cost Adjustments section.

- a. **Price Adjustments** – Any price adjustment(s) shall be made by a written amendment to this Agreement. Approval will be made by the Leesburg City Commission as the approving body of this original Agreement.
- b. **Additional** - See ITB 130381 at Section 1, Item 14.

7. **Cost Adjustment** – The cost for all items as proposed herein shall remain firm for the first year of the contract. Costs for subsequent years and any extension term years shall be subject to an adjustment only if increases occur in the industry. However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed 5% per year or, whichever is less, the latest yearly percentage increase in the All Urban Consumers Price Index (CPU-U) (National) as published by the Bureau of Labor Statistics, U.S. Dept. of Labor. The yearly increase, or decrease in the CPI shall be that latest index published and available ninety (90) days prior to the end of the contract year then in effect compared to the index for the same month one year prior. Any requested cost increase shall be fully documented and submitted to the City at least ninety (90) days prior to the contract anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of the contract. In the event the CPI or industry costs decline, the City shall have the right to receive, from the Contractor, a reasonable reduction in costs that reflect such cost changes in the industry. The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the contract can be cancelled by the City upon giving thirty (30) days written notice to the Contractor.

8. **Insurance.** The CONTRACTOR will maintain throughout this Agreement the following insurance: SEE EXHIBIT "A".

- a. The original of each such policy of insurance, or a complete duplicate, shall be delivered to the CITY by CONTRACTOR prior to starting work, together with evidence that the premiums have been paid.
- b. All required insurance shall be provided by insurers acceptable to the CITY with an A.M. Best rating of at least "A."
- c. The CONTRACTOR shall require, and shall be responsible for assuring that any and all of its subcontractors secure and maintain such insurance that are required by law to be provided on behalf of their employees and others until the completion of that subcontractors work.
- d. The required insurance shall be secured and maintained for not less than the limits required by the CITY, or as required by law, whichever is greater.
- e. The required insurance shall not limit the liability of the CONTRACTOR. The CITY does not represent these coverages or amounts to be adequate or sufficient to protect the CONTRACTOR'S interests or liabilities, but are merely required minimums.

- f. All liability insurance, except professional liability, shall be written on an occurrence basis.
- g. The CONTRACTOR waives its right of recovery against the CITY to the extent permitted by its insurance policies.
- h. Insurance required of the CONTRACTOR, or any other insurance of the CONTRACTOR shall be considered primary, and insurance of the CITY, if any, shall be considered excess as applicable to any claims, which arise out of the agreement, contract or lease.
- i. Except for works' compensation and professional liability, the CONTRACTOR'S insurance policies shall be endorsed to name the CITY OF LEESBURG as additional insured to the extent of the agreement, contract or lease.

9. **Indemnification.** The CONTRACTOR agrees to make payment of all proper charges for labor required in the aforementioned work and CONTRACTOR shall indemnify CITY and hold it harmless from and against any loss or damage, claim or cause of action, and any attorneys' fees and court costs, arising out of: any unpaid bills for labor, services or materials furnished to this project; any failure of performance of CONTRACTOR under this Agreement; or the negligence of the CONTRACTOR in the performance of its duties under this Agreement, or any act or omission on the part of the CONTRACTOR, his agents, employees, or servants. CONTRACTOR shall defend, indemnify, and save harmless the CITY or any of their officers, agents, or servants and each and every one of them against and from all claims, suits, and costs of every kind and description, including attorney's fees, and from all damages to which the CITY or any of their officers, agents, or servants may be put by reason of injury to the persons or property of others resulting from the performance of CONTRACTOR'S duties under this Agreement, or through the negligence of the CONTRACTOR in the performance of its duties under this Agreement, or through any act or omission on the part of the CONTRACTOR, his agents, employees, or servants.

As used herein, a "nonappropriation" shall be defined as an occurrence wherein the CITY, in any fiscal period, does not allocate funds in its budget for the purchase of the specified products/services or other amounts owed pursuant to this Agreement, from the source of funding which the CITY anticipates using to pay its obligations hereunder, and the CITY has no other funds, from sources other than ad valorem taxes, which it deems to be available to pay its obligations under this Agreement. The CITY may terminate this Agreement, with no further liability to the CONTRACTOR, effective the first day of a fiscal period provided that (a) a nonappropriation has occurred, and (b) the CITY has provided the CONTRACTOR with written notice of termination due to nonappropriation of funds.

Upon the occurrence of such nonappropriation the CITY shall not be obligated for payment for any fiscal period for which funds have not been appropriated.

13. **Access to Records.** The services provided under this Agreement may be funded in part by a grant from a government agency other than the CITY. As a requirement of grant funding CONTRACTOR shall make records related to this project available for examination to any local, state or federal government agency, or department, during CONTRACTOR'S normal business hours. Said records will be maintained for a period of five (5) years after the date of the invoice.

14. **Contingent Fees Prohibited.** The CONTRACTOR warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the CONTRACTOR, to solicit or secure this Agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the CONTRACTOR any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. 15. **Acceptance of Goods or Services.** The goods delivered as a result of an award from this solicitation shall remain the property of the CONTRACTOR, and services rendered under the Agreement will not be deemed complete, until a physical inspection and actual usage of the product(s) and/or service(s) is (are) accepted by the CITY and shall be in compliance with the terms herein, fully in accord with the specifications and of the highest quality.

Any goods and/or services purchased as a result of this solicitation and/or Agreement may be tested and/or inspected for compliance with specifications. In the event that any aspect of the goods or services provided is found to be defective or does not conform to the specifications, the CITY reserves the right to terminate the solicitation or initiate corrective action on the part of the CONTRACTOR, to include return of any non-compliant goods to the CONTRACTOR at the CONTRACTOR's expense, requiring the CONTRACTOR to either provide a direct replacement for the item, or a full credit for the returned item. The CONTRACTOR shall not assess any additional charge(s) for any conforming action taken by the CITY under this clause. The CITY will not be responsible to pay for any product or service that does not conform to the contract specifications.

In addition, any defective product or service or any product or service not delivered or performed by the date specified in the purchase order or contract, may be procured by the CITY on the open market, and any increase in cost may be charged against the awarded contractor. All original documents shall be permanently kept on file at the office of the CONTRACTOR.

17. **Independent Contractor.** The CONTRACTOR agrees that he or she is an independent contractor and not an agent, joint venture, or employee of the CITY, and nothing in this Agreement shall be construed to be inconsistent with this relationship or status. 23. **Disclosure of Conflict.** The CONTRACTOR has an obligation to disclose to the CITY any situation that, while acting pursuant to this Agreement, would create a potential conflict of interest between the CONTRACTOR and his duties under this Agreement.

24. **Warranty.** The CONTRACTOR agrees that, unless expressly stated otherwise in the bid or proposal, the product and/or service furnished as a result of an award from this solicitation shall be covered by the most favorable commercial warranty the CONTRACTOR gives to any customer for comparable quantities of products and/or services and the rights and remedies provided herein are in addition to said warranty and do not limit any right afforded to the CITY by any other provision of this solicitation.

The CONTRACTOR hereby acknowledges and agrees that all materials, except where recycled content is specifically requested, supplied by the CONTRACTOR in conjunction with this Agreement shall be new, warranted for their merchantability, and fit for a particular purpose.

25. **Risk of Loss.** The CONTRACTOR assumes the risk of loss of damage to the CITY's property during possession of such property by the CONTRACTOR, and until delivery to, and acceptance of, that property to the CITY. The CONTRACTOR shall immediately repair, replace or make good on the loss or damage without cost to the CITY, whether the loss or damage results from acts or omissions (negligent or not) of the CONTRACTOR or a third party.

The CONTRACTOR shall indemnify and hold the CITY harmless from any and all claims, liability, losses and causes of action which may arise out of the fulfillment of this Agreement. The CONTRACTOR shall pay all claims and losses of any nature whatsoever in connection therewith, and shall defend all suits, in the name of the CITY when applicable, and shall pay all costs and judgments which may issue thereon.

CONTRACTOR agrees that it shall confirm the employment eligibility of all employees through participation in E-Verify or an employment eligibility program approved by the Social Security Administration and will require same requirement to confirm employment eligibility of all subcontractors.

All cost incurred to initiate and sustain the aforementioned programs shall be the responsibility of the CONTRACTOR. Failure to meet this requirement may result in termination of the Agreement by the CITY.

28. **Counterparts.** Original signatures transmitted and received via facsimile or other electronic transmission of a scanned document, (e.g., PDF or similar format) are true and valid signatures for all purposes hereunder and shall bind the parties to the same extent as that of an original signature. The CITY shall determine legibility and acceptability for public record purposes. This Agreement may be executed in one or more counterparts, each of which shall for all
