WITNESSETH:

That on June 26, 2012, Assignor and the City entered into a Lease Agreement (the "Lease") pertaining to certain real property described as Corporate Block Hangar No. 3, Leesburg International Airport, Leesburg, FL 34788. Assignor now desires to assign the Lease to Assignee, which requires the consent of the City. The purpose of this document is to provide written evidence of the consent by the City to the assignment of the Lease from Assignor to Assignee.

NOW THEREFORE, for and in consideration of the sum of \$10.00 and other good and valuable considerations, to it in hand paid, the receipt and sufficiency of which are hereby acknowledged, the City does hereby consent to the assignment of the Lease from Assignor to Assignee, subject to the following conditions:

1. Use by Assignee of the hangar located on the leased property shall be limited to those uses permitted by the Lease as originally executed. Assignee understands and acknowledges that the purpose of this the Lease and this Consent is to provide for such uses as being allowed under the Lease and that if there are occupational licenses, zoning or land use approvals, or other approvals needed under any ordinances of the City to conduct such activities at this location, Assignee must still obtain all such required licenses and approvals. Nothing in the Lease or this Consent shall be considered a waiver of any right or power of the City under its ordinances, its comprehensive plan, or other provisions applicable to the use and development of land or the operation of a commercial business at the leased premises.

2. If any aircraft maintenance, storage of fuel, petroleum products, solvents, or other substances creating a fire hazard, or other activity which creates or increases the hazard of fire at the hangar, is to be performed inside the hangar, before any such activity is undertaken the hangar must be inspected by the City's Fire Marshall and the hangar will have to be modified, at Assignee's expense, to meet the fire and safety code requirements specified by the Fire Marshall.

3. The actual assignment of the Lease shall be accomplished in writing and the form of the assignment shall be submitted to the City for approval prior to closing on the assignment of the Lease.

4. Neither this Consent, nor the assignment of the Lease from Assignor to Assignee, shall be construed to relieve Assignor of any liability under the Lease, and Assignor shall remain fully, jointly and severally liable on the Lease subsequent to the assignment of the Lease, unless and until released from liability by a written instrument signed on behalf of the City after receiving approval from the City Commission at a duly noticed public meeting.

5. Assignee understands and agrees that the City undertakes no responsibility for the physical condition of the hangar or the premises, over and above such obligations as it already held under the Lease. Further, by executing this Consent the City does not waive any rights it has under the Lease nor any remedies it possesses thereunder. The City does acknowledge that as of the date of this Consent there exist no material violations of the Lease on the part of Assignor.

6. Except as specifically modified by this Consent, the Lease shall remain in full force and effect as originally signed between the City and Assignor.

IN WITNESS WHEREOF, the parties have set their hands and seals to this document.
