

For consideration at the Leesburg City Commissioner's Meeting – September 8, 2014

Submitted respectfully by a group of airport lease holders

Proposal:

That the City Commissioners vote to hire an Accredited Airport Executive for the position of Airport Manager at a compensation rate for personnel with this level of qualification for an airport of the size and complexity of Leesburg International Airport (\$90 - \$120K). Further that an otherwise qualified candidate be considered if they sign a *three-year* employment contract and agree to complete the accreditation process with one year. Further that this position be funded in the 2014-2015 budget and the position be funded at this rate effective October 1, 2014 and be paid for fully from airport operating revenues.
