DATE 2/12/2009 Proposal # 3260

Job:  
Airport WTP Hydro Tank Rehab

Change Order #1

Utility Technicians will furnish all material, equipment, and labor for the following scope of work:

Repair the welded ares on the fabricated man-way on the North Hydro tank as follows;

- Remove the sealant on the interior portion of the tank.
- Grind all welds down to the original base material.
- Weld the entire man-way in the interior and exterior of the tank.
- All welding to be performed by a A.W.S., 6-G, Code ASME IX, 120 PSI certified welder.

**TOTAL:** \$4,500.00

All material and workmanship is guaranteed for for one year or as stated. All work to be completed in a professional manner according to standard practices. Any alteration or deviation from above specificaitons involving extra costs will be executed only upon written orders, and will become an additional charge over and above estimate. All agreements contingent upon strikes, accidents, delays beyond our control. Our workers are fully covered by Worker's Compensation Insurance.

Terms: Proposal valid for thirty (30) days from date of proposal. Payment due 15 days from invoice or as stated above.
