

# Affidavit of Requirements for Demolition of Structures

I, \_\_\_\_\_, the applicant for a City of Leesburg Permit, hereby certify that the proposed structure for demolition is  three stories or less, or  the structure is above three stories.  
(Please check appropriate line.)

Legal description of property where demolition is proposed:

Lot/Parcel: \_\_\_\_\_ Block: \_\_\_\_\_ Subdivision: \_\_\_\_\_  
Section: \_\_\_\_\_ Township: \_\_\_\_\_ Range: \_\_\_\_\_ Alt. Key: \_\_\_\_\_

I certify that I have provided to the Leesburg Building Department the following list of items:

1. Building permit application form.
2. Demolition/Owner's affidavit (signed and notarized).
3. Proof of ownership for property to be demolished. (tax receipt, property record card or warranty deed)  
All owner's listed on a property must sign an Owner's Affidavit.
4. Completion of the Asbestos Acknowledgement
5. **A plot plan** of the property showing all structures, septic tank, and well, with proper identification showing structure to be demolished.

I certify that I have notified all utility companies (power, gas, and telephone) of my intentions to demolish the above described structure.

I certify that any solar, generator, water, gas, or septic connected to this building has been properly removed and open lines have been sealed per the Florida Building Code and local ordinances.

I certify that all debris from the above described property will be taken to the appropriate Solid Waste drop off site within Leesburg/Lake County and disposed of properly. The receipts from the Solid Waste drop off site will be posted at the job site for final inspection.

I certify that if it is determined that asbestos is found in the structure, the Leesburg Building Department will be notified, and all requirements concerning asbestos abatement outlined in Chapter 469, Florida Statutes, will be strictly followed.

**I understand that two inspections are required. One inspection before demolition begins for verification that all utilities have been disconnected in an appropriate manner, and a final inspection after the structure is demolished and all debris removed from site.**
