Application and Additional Terms and Conditions of the Rebate

Application

- An application for a rebate must be completed by the customer or contractor and approved by Utility.
- A copy of the proof of purchase by customer must be attached and mailed (or delivered) to the City of Leesburg Electric Department within 30 days of purchase. The proof of purchase must include the customer name, address, and date of purchase.

Additional Terms; Rebate Credit

- The City of Leesburg (LEESBURG) reserves the right to:
 - Withhold payment of any rebate until any identified problems with the applications are resolved.
 - Terminate this rebate in whole or in part due to the recipient's failure to fulfill the terms and conditions in this document, or due to non-appropriation of necessary funds.
 - Alter and/or terminate the rebate program at any time and without notice to customer.
- All rebates are subject to funding availability. LEESBURG may cancel a rebate at any time prior to payment, without notice, due to lack of available funds.
- Rebates may take between 4-8 weeks for processing.
- Rebates will be in the form of a credit on one or more of customer's electric utility bills. In no event shall any rebate credit on a monthly customer bill exceed the amount owed by customer. In the event that a qualifying customer is in default of any payment obligations to LEESBURG, LEESBURG may, in its sole discretion, apply the rebate as a credit against such default amounts.

Limit of Liability; Indemnification

- In no way shall LEESBURG be liable for, and Customer hereby agrees to indemnify, defend and hold harmless LEESBURG, its subsidiaries or affiliates, and their respective employees, officers and directors, from and against any and all liability, loss, damage, cost or expense, including attorney's fees, that may be caused by, due to, occasioned by, or otherwise arising out of the installation, operation, misoperation, or use of Customer's Qualifying Energy Efficient Equipment.
- Customer acknowledges and agrees that in no event shall any statement, representation, or lack thereof, either express or implied, by LEESBURG, relieve the Customer of exclusive responsibility for the Customer's system. Specifically, LEESBURG's approval of the rebate application, payment of the rebate, or any LEESBURG inspection of the Qualifying Energy Efficient Equipment shall not be construed as confirming or endorsing the system design or its operating or maintenance procedures nor as a warranty or guarantee as to the safety, reliability, or durability of the Qualifying Energy Efficient Equipment.

Renewable Energy Credits; Green Attributes

- By participating in this program, customer agrees that Utility shall have the sole right to obtain and retain ownership of, and to qualify for and receive the full benefit of, any and all existing and future credits, certificates, benefits, environmental attributes, emissions reductions, offsets and/or allowances, however entitled, attributable to the purchase, installation and/or operation of the Qualifying Energy Efficient Equipment.

Customer Qualifications: Form may be completed by Contractor or Customer and must be reviewed and signed by the customer of record and submitted within 30 days of service/installation. Rebate is subject to approval, is contingent upon availability of funds and may be discontinued without prior notification. Onsite verification may be required. In the event that a customer is in default of any payment obligation to the City of Leesburg, the City of Leesburg may apply the rebate as a credit against such default amounts.

I hereby certify that, to the best of my knowledge, the requirements of the rebate policy and the requirements above have been met, that the equipment listed above is installed at the address listed and, if requested, I will allow a City of Leesburg representative to physically inspect the installation. In addition, I certify that I have not previously received or applied for other utility incentives or rebates for the improvements on this application. By participating in this program, customer agrees that the City of Leesburg shall have the sole right to obtain and retain ownership of, and to qualify for and receive the full benefit of, any and all existing and future credits, certificates, benefits, environmental attributes, emissions reductions, offsets and/or allowances, however entitled, attributable to the purchase, installation and/or operation of the above rebates.
