

# **Amendment No. 2 to Task Order No. 1**

## **ATTACHMENT A SCOPE OF SERVICES**

### **Leesburg International Airport Security Cameras**

#### **Project Background And Description**

The City of Leesburg (City) has secured a grant from the Florida Department of Transportation (FDOT) for the design and installation of additional security cameras at the City of Leesburg International Airport.

The Task Order 1 and Task Order 1 Amendment 1 professional engineering design and bidding services have been completed. As a result the project was solicited for construction bids (Bid No. 110061) and the City of Leesburg awarded a contract to Electric Services Inc. on April 11, 2011.

During the installation and construction operations additional professional engineering services have been identified and requested that are not part of the original Task Order 1 scope of work or the Task Order 1 Amendment 1 scope of work.

As a result, this Amendment 2 Scope of Work has been generated to fund the additional requested work.
