WHEREAS, the Grantee has applied for and has been awarded funds from the United States Department of Housing and Urban Development (HUD) for a Neighborhood Stabilization Program, which is referred to herein as "NSP3" or as "NSP"; and

WHEREAS, the Grantee has engaged the Non-Profit to assist the Grantee in using a portion of the NSP3 award in accordance with applicable notices, regulations and guidance from HUD.

NOW, THEREFORE, IN CONSIDERATION of the mutual terms, understandings, conditions, promises, covenants, and payment hereinafter set forth, and intending to be legally bound, the parties hereby agree as follows:

Article 1. Scope of Services.

1.1 Generally. Non-Profit will be responsible for carrying out NSP3 activities in a manner satisfactory to the Grantee and consistent with all standards required as a condition of providing these funds.

1.2 Non-Profit Responsibilities.

A. Non-Profit will carry out this program in accordance with the policies, procedures and other provisions of the Single-Family and Multi-Family Rental Program Manual, attached hereto and incorporated herein by reference as **Exhibit A**, hereinafter the "Program Manual", provided to Non-Profit by Grantee. Non-Profit hereby agrees to accept and follow any written amendments to the Program Manual by Grantee that are made as a direct result of additional guidance or regulations provided by HUD, as well as any written amendments that the Grantee views as necessary to address or improve the processes of the NSP program. Non-Profit further agrees to abide by all federal guidelines and regulations set forth in **Exhibit B**, attached hereto and incorporated herein by reference, hereinafter the "Federal Requirements."

If the principal structure(s) of an acquired property is to be demolished, Non-Profit must obtain prior approval from Grantee

after demonstrating in writing to Grantee that demolition and new construction is more economically feasible than rehabilitation. The cost of demolition can be an eligible cost if pre-approved by Grantee.

C. Non-Profit is responsible for providing the deliverables described in the Program Budget shown in Exhibit C within the time periods and for the approximate average budget amounts described therein. The total use of NSP3 funds provided under this Agreement may not exceed the total amount of NSP3 funds indicated elsewhere in this Agreement.

The preliminary cost estimate will be provided in a form similar to the development cost estimates shown in the Program Manual. Grantee will base its approval upon an assessment of NSP3 compliance, financial feasibility, conformity to expenditure limits described herein, and the potential marketability of the property. In addition, properties must be located in the Target Areas as described herein.

5. Approval and funding of demolition costs: Primary structures on acquired properties may not be demolished unless prior written approval is given by the Grantee. If Grantee does not give written approval of demolition, Non-Profit must fund the cost of demolition (if any) from the Non-Profit's own resources.

The Non-Profit agrees to comply with all NSP3 requirements, including those found in the NSP3 Grant Agreement, the HERA Act of 2008 and/or the Recovery Act of 2009, and the requirements applicable to entitlement communities under CDBG regulations. The Non-Profit also agrees to comply with all other applicable Federal, state and local laws, regulations, and policies governing the funds provided under this contract. The Non-Profit further acknowledges its responsibility for adherence to all applicable terms and conditions of this grant award by sub-recipient entities and contractors, including obtaining a DUNS number (or updating the existing DUNS record), and registering with the Central Contractor Registration. The Non-Profit further agrees to use funds available under this Agreement to supplement rather than supplant funds otherwise available.

B. Independent Contractor. Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Non-Profit shall at all times remain an "independent contractor" with respect to the services to be performed under this Agreement. The Grantee shall be exempt from payment of all Unemployment Compensation, FICA, retirement, life and/or medical insurance and Workers' Compensation Insurance, as the Non-Profit is an independent contractor.

C. Workers' Compensation. The Non-Profit shall provide Workers' Compensation Insurance coverage for all of its employees involved in the performance of this Agreement.

D. Suspension or Termination. In addition to any other termination provisions contained herein, in accordance with 24 CFR 85.43 or 84.62, the Grantee may suspend or terminate this Agreement if the Non-Profit materially fails to comply with any terms of this Agreement, which include (but are not limited to) the following:

This Agreement may also be terminated for convenience by the Grantee, in whole or in part, by setting forth the reasons for such termination, the effective date, and, in the case of partial termination, the portion to be terminated. However, if in the case of a partial termination, the Grantee determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the Grantee may terminate the award in its entirety. Such a termination shall only be carried out with the explicit written approval from HUD.

E. Additional Insurance and Bonding Requirements. Prior to taking title to any NSP3-assisted property, Non-Profit will obtain a property and casualty or builder's risk insurance policy that

insures the property for losses up to the amount of estimated replacement costs, which may not be less than the estimated amount of investment in the property as described in the Project Budget. If the Project Budget is increased, the amount of coverage must be increased accordingly. If Non-Profit cannot obtain insurance coverage in the total amount of investment in the property after making best efforts, Grantee at its sole discretion may give written approval of a lesser amount of coverage. Non-Profit shall designate Grantee an additional insured on all such policies and such policies shall provide for thirty (30) days written notice of cancellation to Grantee. Further, Non-Profit shall provide Grantee with additional insured endorsement page from each policy in a form acceptable to Grantee. Grantee reserves the right to approve or reject any deductible amounts in the required coverage, Non-Profit shall provide at least ten (10) days prior notice to the Grantee before any termination or reduction in coverage.

Non-Profit alone shall be responsible for investigation and payment of claims not covered by insurance. Grantee shall not in any way be responsible for payment of any claims determined to be Non-Profit's responsibilities under this Agreement.

II. ADMINISTRATIVE REQUIREMENTS

3. Retention. The Non-Profit shall retain all financial records, supporting documents, statistical records, and all other records pertinent to the Agreement for a period of five (5) years. The retention period begins on the date that the Grantee submits its first quarterly performance report to HUD via DRGR. Notwithstanding the above, if there is litigation, claims, audits, negotiations or other actions that involve any of the records cited and that have started before the expiration of the five-year period, then such records must be retained until completion of the actions and resolution of all issues, or the expiration of the five-year period, whichever occurs later.

4. Disclosure. The Non-Profit understands that client information collected under this contract is private and the use or disclosure of such information, when not directly connected with the administration of the Grantee's or Non-Profit's responsibilities with respect to services provided under this contract, is prohibited by law unless written consent is obtained from such person receiving service and, in the case of a minor, that of a responsible parent/guardian.

5. Close-outs. The Non-Profit's obligation to the Grantee shall not end until the US Department of Housing and Urban Development completes all close-out requirements for the NSP3 grant. Activities during this close-out period shall include, but are not limited to: making final payments; disposing of program assets (including the return of all unused materials, equipment, unspent cash advances, program income balances, and accounts receivable to the Grantee; and determining the custodianship of records. 6. Audits & Inspections. All Non-Profit records with respect to any matters covered by this Agreement shall be made available to the Grantee, Grantee agency, HUD, and the Comptroller General of the United States or any of their authorized representatives, at any time during normal business hours, as often as deemed necessary, to audit, examine, and make excerpts or transcripts of all relevant data. Any deficiencies noted in audit reports must be fully cleared by the Non-Profit within thirty (30) days after receipt by the Non-Profit. Failure of the Non-Profit to comply with the above audit requirements will constitute a violation of this contract and may result in the withholding of future payments or termination of this agreement.

1. Indirect Costs. Direct and indirect costs of staff cannot be charged by Non-Profit. Non-Profit will be reimbursed for internal costs through a Non-Profit fee as specified in this Agreement.

2. Payment Procedures. The Grantee will pay to the Non-Profit funds available under this Agreement based upon information submitted by the Non-Profit and consistent with any approved budget and Grantee policy concerning payments. Payments will be made for eligible NSP3 related expenses actually incurred by the Non-Profit, and will not exceed actual cash requirements. Payments will be adjusted by the Grantee in accordance with advance fund and program income balances available in Non-Profit accounts. In addition, the Grantee reserves the right to liquidate funds available under this contract for costs incurred by the Grantee on behalf of the Non-Profit.

HUD, through the Disaster Recovery Grant Reporting (DRGR) system, generally provides access to grant funds within three (3) working days of an electronically submitted request by the Grantee. To ensure expeditious implementation of activities, Grantee agrees to draw funds from the line of credit and make payment to the Non-Profit within ten (10) working days of receipt of the Non-Profit's complete and properly submitted requests for payment for activities under this agreement, if feasible. Non-Profit agrees to submit requests for payment in a timely manner in the form and at the times directed by the Grantee.

The Non-Profit will use NSP3 funds to demolish major structures or convert units from non-residential uses only with the prior written permission of Grantee. The Non-Profit will not use NSP3 funds to finance the acquisition of property from any ISII that failed to comply with applicable requirements unless the Non-Profit assumes the obligations of such ISII with respect to bona fide tenants. If the Non-Profit elects to assume such obligations, it may only do so if the tenant is still occupying the property and will provide any tenant displaced as a result of the NSP3 funded acquisition with the assistance outlined in 24 CFR 570.606. The Non-Profit may rely on written representations by businesses regarding their status as minority and women-owned business enterprises in lieu of an independent investigation.

3. Access to Records. The Non-Profit shall furnish and cause each of its own contractors or subcontractors to furnish all information and reports required hereunder and will permit access to its books, records and accounts by the Grantee, HUD or its agent, or other authorized Federal officials for purposes of investigation to ascertain compliance with the rules, regulations and provisions stated herein.

4. Equal Employment Opportunity and Affirmative Action (EEO/AA) Statement. The Non-Profit will, in all solicitations or advertisements for employees placed by or on behalf of the Non-Profit, state that it is an Equal Opportunity or Affirmative Action employer.

The Non-Profit shall cause or require to be inserted in full, in all such contracts subject to such regulations, provisions meeting the requirements of this paragraph.

3. "Section 3" Clause

- a. Compliance. Compliance with the provisions of Section 3 of the Housing and Urban Development Act of 1968, as amended, and as implemented by the regulations set forth in 24 CFR 135, and all applicable rules and orders issued hereunder prior to the execution of this contract, shall be a condition of the Federal financial assistance provided under this contract and binding upon the Grantee, the Non-Profit and any of the Non-Profit's grantees and subcontractors. Section 3 requires that to the greatest extent feasible opportunities for training and employment be given to low- and very low-income residents of the project area, and that contracts for work in connection with the project be awarded to business concerns that provide economic opportunities for low- and very low-income persons residing in the metropolitan area in which the project is located."

The Non-Profit further agrees to ensure that opportunities for training and employment arising in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project are given to low- and very low-income persons residing within the metropolitan area in which the NSP3-funded project is located; where feasible, priority should be given to low- and very low-income persons within the service area of the project or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs; and award contracts for work undertaken in connection with a housing rehabilitation (including reduction and abatement of lead-based paint hazards), housing construction, or other public construction project to business concerns that provide economic opportunities for low- and very low-income persons residing within the metropolitan area in which the NSP3-funded project is located; where feasible, priority should be given to business concerns that provide economic opportunities to low- and very low-income residents within the service area or the neighborhood in which the project is located, and to low- and very low-income participants in other HUD programs.

The Non-Profit certifies and agrees that no contractual or other legal incapacity exists that would prevent compliance with these requirements.
