RE: Library Cat. 6 Structured Cabling System.

Dear Ken:

TRUEVANCE Management, Inc. is pleased to provide the following proposal for the voice and data cable installation for the new Library. The proposal is based upon the Lake County School Board bid #2629DB – Electrical, High Voltage & Low Voltage – Contract Labor.

The following is a brief statement of work to be performed by TRUEVANCE.

- A. Install (66,000) feet of Berk Tek Cat. 6 riser rated cables between the MDF and user locations. The cables will route from the MDF location to the user locations and will be supported via Caddy cable hangers and/or raceway FBO.
- B. Install (155) dual and (27) single port Cat. 6 modules in flush faceplates, surface boxes and/or floor boxes at the user locations. Note: The floor box module faceplates will be furnished by others (electrical contractor).
- C. Install (1) CATV RG 6 riser rated cable from the MDF to the CATV outlet as noted on the drawings
- D. Install (8) Ortronics Cat. 6 48 port patch panels and (10) horizontal wire managers in the 19" racks.
- E. Install (2) 7 ft. rack, (2) wall mount bracket, (2) top mount plate, (2) 3 ft section of 12" ladder rack, (3) vertical wire managers and (1) horizontal power strip in the MDF. A 4' x 8' x 3/4" plywood backboard will be mounted behind the rack within the MDF. The racks will be bonded to a ground bar (FBO) via a #6 ground wire.
- F. Provide (225) 7 ft. and (225) 10 ft. Cat. 6 blue generic patch cables for connectivity to the data switch and user locations.
- G. Label and certify each voice and data cables in accordance with the EIA/TIA standards. A copy of the test results will be provided upon completion of the project.
- H. Note: Coring and raceway FBO.

The quotation for the Cat. 6 cable installation is \$71,318.03 and includes material, labor, truck/tools, lift rental, project management and applicable taxes. The proposal is valid for a period of 20 days from the date of submittal.

Feel free to contact my office with any questions on the proposal.

Respectfully submitted,

Ernie Brewbaker, RCDD
